Dear Superintendent and Finance Officer:

The fiscal year 2015-2016 audit for your school district has been reviewed by the Kentucky Department of Education, Division of District Support staff and is considered complete.

Any differences between the district's audit report and its MUNIS reports were considered immaterial and/or do not require further changes to the audit report or the district's financial reports. The district's review report may be obtained by sending an e-mail request to the finance.reports@education.ky.gov email address and typing "Audit Review Report" in the subject line.

No further action by the district or auditor is required to consider the review of the fiscal year 2015-2016 audit report completed.

If you have any questions, please contact Kim Carter, Jackie Chism, Gail Cox, or Nicole Vanover.

Thank you.
