Week of May 11th Choose 3

Reading	Math	Writing	Hands On
Book Challenge Read the same amount of books as your age. See if you can double it! ☺	Play Categories Make a list, say, or gather similar items. See if someone can guess what the items have in common.	Bedroom Museum Select items to put in your museum. Write a small description of the item, explaining what it is, where you got it, and why it's important.	Blanket Fort Build a blanket fort. Think about building structure and supports.
Read to Someone Read to someone or to a stuffed animal. Find a unique spot to read.	Play Store Find items to "sell" in your store. Label items with prices. You may also need to make money!	Reader's Theater After reading a book, write a script from one part or the whole book. Perform in front of others or stuffed animals. Maybe add costumes and props!	Obstacle Course Create an obstacle course. You can include written instructions.
Flashlight Reading Turn off all the lights or wait until dark. Read in the dark using a flashlight.	Go Fishing for 10 or 20 Instead of asking for the same number, ask for the other addend to make 10 or 20. Ex: You have a 4 in your hand. Ask for a 6.	Scavenger Hunt Pick an item to hide. Write clues that lead to that item. Have someone read your clues to try to the item.	Recycled Art Use recyclable materials to create a piece of art. Find a place to display your art.
Reading Tent Set up a reading tent. Invite others to join or have stuffed animals with you.	Make or Bake Choose a meal to make or a fun food to bake. Look at the ingredients and measurements closely. Enjoy!	Friendly Letter or Email Someone would love to hear from you! Write a letter to send in the mail or write an email. Don't forget the greeting, date, body, closing, and signature.	Paper Airplane Contest Make a paper airplane and see how far it can fly. Get others involved and make a contest. Observe the design and how that affects flight.
