School Counselor

We are searching for a School Counselor for our Northern Catskills Occupational Center. Our School Counselors are vital members of the education team by creating academic achievement strategies and helping students during periods of behavioral, social and/or emotional difficulties. Our Counselors are dynamic and engaged professionals who strive for the academic and personal well-being and success for all of our students.

Please see the back for more details.

The Northern Catskills Occupational Center is located in Grand Gorge, New York and is nestled in the heart of the Catskill Mountains. This provides not only beautiful mountain-views but also year-round activities. In the winter, enjoy skiing, snowboarding or tubing at Hunter or Windham Mountains—both are just a short drive away. Or better yet, visit Plattekill Mountain, a local-kept secret, and just a quick 20 minute drive. During the spring, summer and fall, enjoy the many local parks and lakes and take in the scenery. Grand Gorge is not far drive to Oneonta, Cooperstown and Albany for more local entertainment.
