

September 2024 Newsletter

As we kick off the 2024-25 school year at GCCC, we are excited to welcome both returning and new students to an inspiring year of learning and growth. We've welcomed over 500 new juniors, and 448 returning seniors. This year, we are also thrilled to introduce several new staff members who will be joining the team:

- Molly Corrado – Supervisor of Student Affairs
- Mary Hannen – Guidance Counselor
- Cora Bair – Intervention Specialist
- Erin Henry – Intervention Specialist
- Brooke Martin – Health Science Academy Instructor
- Jeff Smith – HVAC Instructor
- Torrie Sever – Career X Teaching Assistant
- Abby Barrett – Cosmetology Instructor
- Emily Sharpe – Cosmetology Teaching Assistant
- Josh Willey – Intervention Specialist
- Melissa Johnson – Intervention Specialist
- Amanda Ike – Science Teacher
- Michaela Skaggs – Culinary Aide
- Martha Rutan – Biotechnology Teacher at Xenia High School
- Harris Norton – Digital Design Instructor at Xenia High School
- Kesha Harper – Community Outreach Coordinator
- Nic Watkins – Construction Technology Instructor
- Tyler Sheehy – Welding Teaching Assistant

We are confident that this talented group of educators and support staff will make significant contributions to our school community. Together, we look forward to a productive and inspiring school year ahead!

Introducing HVAC/R

Greene County Career Center started the new school year off with a brand new HVAC/R Program, where we will equip students with the essential skills and knowledge to excel in the rapidly growing fields of Heating, Ventilation, Air Conditioning, and Refrigeration.

Our comprehensive curriculum combines hands-on training with industry-standard technology, preparing students for a wide range of career opportunities. This course will be taught by Mr. Jeff Smith, pictured, with Mr. Brett Doudican.

Back to School Night

Back to School Night was a resounding success at GCCC! Incoming Juniors were thrilled to receive their schedules and be able to walk the halls and get a better idea of what was to come. They had the opportunity to meet lab instructors and academic teachers, connect with their new classmates, and learn more about what GCCC has to offer.

It was a fantastic opportunity to showcase our commitment to hands-on learning and future-ready skills, leaving everyone eager for the school year ahead.

GuardCare Success

We are proud to share that the recent GuardCare event held at GCCC's campus was a tremendous success! The event was held by Ohio National Guard, the Ohio Department of Health, Greene County Public Health, and brought together healthcare professionals, volunteers, and community members for two days of free medical services, benefiting individuals in need.

From health screenings and dental care to wellness education and immunizations, GuardCare provided vital resources to our local community. The collaboration and dedication of all involved made this event a true reflection of our commitment to serving and uplifting those around us. We extend our heartfelt thanks to everyone who participated and contributed to making GuardCare a memorable and impactful event!
