3rd QUARTER

FALCON T-SHIRTS

January 26, 2022

Thank You, for doing your best in your school work, and attending school daily. We have challenges that hinder our efforts to accomplish our ultimate goals in learning and in student attendance, but we can endure and continue to do our best. As recognition we have presented to each student a t-shirt to recognize us as being Falcons here at Newcomb Middle School. We want you to continue to do your best, listen to your teachers, and staff. Honor our school's rules, COVID Safety protocols/procedures to ensure that YOU, your peers, your teachers, and staff are kept safe.

Reminder: We would like for you to wear your Falcon T-Shirt whenever you want, but especially on special days we will recognize such as, "Falcon Pride Days", "School Color Days" and on any "Field Trips"

ATTENDANCE CHALLENGE

February 28, 2022

NEWCOMB MID SCHOOL (NMS) is committed to educating all of our students for their success in academics. We believe there is a direct correlation between academic success and regular classroom attendance. Regular and consistent attendance will help your child to learn the necessary skills, develop responsibility and self-discipline. We want to provide a better educational pathway to high school as well as prepare them for the college and workplace setting after they graduate. We kicked off our next Attendance Challenge. Each grade level will be assigned a different color tree leaf. For each day any one grade level (6th, 7th, or 8th) having perfect attendance, will earn one tree leaf for our lobby spring tree bulletin board. If any grade level has perfect attendance for the week, that grade level will earn a reward on Friday. Every individual student who has perfect attendance for the month will get a butterfly with their name on it. These students will be rewarded at the end of the school year. Any student out for COVID related reasons, will be exempt, and can participate if present.

ATTENDANCE CHALLENGE

NMS COVID SAFETY

COVID Safety is still our priority, we attempt to put our best practices in place for the safety of our students and staff. Even with the best practices in place, we still need your help as parents/guardians to talk with your child about the importance of Social Distancing. This has been a constant challenge to our practices.

FACE MASKS

Face Mask are still required by all people on school premises.

HAND SANITIZER STATIONS

Hand Sanitizer dispensers are located throughout our building in our halls.

SOCIAL DISTANCING

← 6 ft. →

Gym/Outdoors

← 3 ft. →

Classrooms/Cafeteria

SURVEILLANCE TESTING

Random students/student athletes are selected to participate in COVID-Testing.

Students who have been vaccinated please provide a copy to our health room, your name will be taken off the Surveillance Testing List.

HEALTH ROOM

NMS In-Person Learners it is important for you to self-screen your health in the mornings before school. **Are you feeling well?** If you are feeling ill for any reason it is best that you stay home for the learning day. Please give our school a call after 7:30 a.m. to let us know, that you will be out for the day to be considered as "Excused Absence".

Front Office (505) 696-3434

STAY HOME IF YOU ARE EXPERENCING

FEVER

A temperature of 100.4 or higher is considered a fever and your child should stay home.

CHILLS

If you are experiencing chills off and on, it is best you stay home for the learning day.

COUGHING

During the pandemic, it is best you stay home if you have a persistent cough.

VOMITING & DIARRHEA

If you are vomiting/experiencing diarrhea, it is also best if you stay home for the learning day.

RUNNING NOSE/SNEEZING

During the pandemic, it is best if we do not touch our faces while we are in public settings. It is best you stay home for the learning day.

COUNSELOR'S CORNER

Greetings! From your counselor's office, 3rd Quarter is when we will have to stay focused on your school work. Testing for our 8th graders will begin on March 30th, with the 8th Grade Science State Assessments. Student chrome books will be used for these assessments. If you are having issues with it, please bring it to the library so it can be assessed before testing begins.

March/April – Dynamic Learning Maps (DLM)

March 30th – NM-ASR Summative Science Assessment (8th)

March/April – NM-MSSA Summative ELA/MATH Assessment

Students should be in school daily to prepare for the upcoming assessments. The day before an assessment, please help your child by getting them to bed early, make sure to have them eat breakfast, be in school on time, attend the designated assessment day, ensure their laptop(s) is fully charged
