CARNEGIE MUSEUM OF NATURAL HISTORY FIELD TRIP

The Pittsburgh Study: 2024 Youth Thriving Summit

JROTC 20th Annual Awards Ceremony & Military Ball

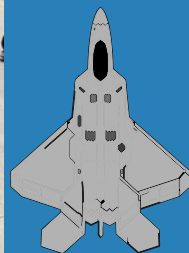

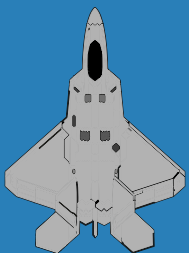

JROTC SAN ANTONIO, TEXAS TRIP

The trip started at Lackland Air Force Base, Texas. 571 Airmen graduated from basic training during our visit. We were fortunate to meet up with West Mifflin alumni Major Jordan Criss.

Jordan is commander of the Department of Defense working military dog program for all branches of the armed forces. He is in charge of the global training and mission of preparing dog handlers and dogs for military missions. He is the highest ranking AFJROTC alumni officer with a line number for Lt Colonel. Major Criss demonstrated the training program from start to finish. San Antonio area visits included a visit to the caverns and to a safari. This was followed by a trip to Randolph Air Force Base, Texas which included fighter pilot training programs with the T-38 aircraft and a private invitation to observe the Thunderbirds. A visit to the Airman Museum covered flight history from beginning to modern flight. The trip included career exploration, training and educational programs and military pilot opportunities.

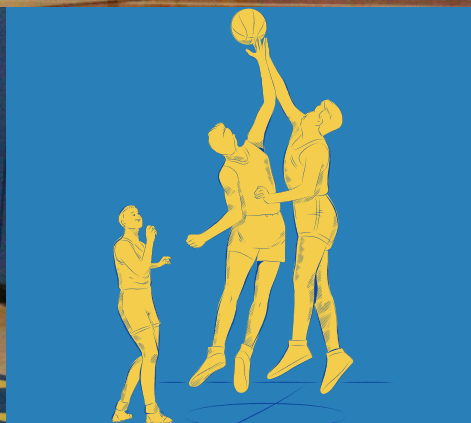

Congratulations to Dean Spade on earning the prestigious Eagle Scout Award. Top 2% of scouts earn Eagle Scout. This clearly demonstrates Dean's commitment to goals while learning great morals and character along with being a great American patriot.
