Dear Parents and Guardians,

For the past two years, the USDA has offered waivers to schools allowing us to offer all students a free meal at no charge. These waivers will expire at the end of this school year. Starting next school year, 2022-2023, we will go back to paid lunches for all students who do not qualify for a free or reduced lunch. If you think your family may qualify for free or reduced lunches, please fill out the application in Final Forms. This application can be filled out all year long, but in order for free/reduced meals to start at the beginning of the school year, those forms should be completed by August 15th.

If you have any questions about this program, please feel free to call the Central Office at 419-925-4294.

Sincerely,

Mike Pohlman, Superintendent
