13. Use of foul or offensive language
14. Excessive Absence/Tardiness
15. Violation of social media rules
16. Failure to pass the Student Performance Objectives
17. Professional or personal life conduct that brings about a criminal or administrative investigation upon the student

Program Rules

1. Recruits shall conduct their private and professional lives so as to avoid bringing discredit, disgrace, ridicule or scandal upon the school’s Peace Officer Basic Training program. Dishonesty and/or unethical behavior will not be tolerated.

2. Recruits shall not negatively criticize the school's Peace Officer Basic Training program or the Greene County Career Center, its policies, programs, actions, staff, or make verbal statements which tend to bring them into disrepute or ridicule, or which tend to interfere with the reasonable supervision or proper discipline of the program.
3. One of the most important variables a police officer faces is time. Seconds may make a difference in a life-or-death situation. Citizens rely on an officer's ability to respond without hesitation. Regular attendance and promptness are mandatory. Recruits are required to be in their seats, ready for instruction, at the beginning of each class.
4. The nature of police work demands expedient and efficient response. The general public is extremely cognizant of police response time and they are quick to criticize delays. All assignments will be completed on time.
5. The classroom is the students' home six hours a day and will be maintained in a clean and orderly manner at all times. There are appropriate receptacles for trash and wastepaper. Students who bring their lunch may eat at the designated lunch area and are responsible for cleaning up after themselves.
6. Upon graduation, students will be prepared to perform all duties expected of a sworn police officer. Until the time of a student's employment and swearing in, students are reminded that they are not police officers and must not represent themselves as police officers, give advice to the public, or attempt to make an arrest.
7. No weapons are permitted on school property, except by certified Probation and Peace Officers (see Forbidden Carry Zone).
8. Students will take written and performance skill examinations. No talking is permitted once a test has been handed out. Students will not be allowed to leave the classroom until they have completed it. Once students leave the room, re-entry is not permitted until all students have finished the test. Cheating on an examination will not be tolerated and is grounds for dismissal.
9. Equipment serves as a life-line and is vital in the performance of the job. Do not leave equipment unattended, wear a partial duty rig or be unprepared for class. Failure to observe these rules may cause students to be sent home with an unexcused absence reported.
10. Students will receive test results at the same time. Do not ask an Instructor or the Commander for an individual grade.
11. Students shall not divulge police information to which they may have access or which they may have become privy to during training. Students will not make information in academy training, police reports or records available to anyone not authorized by competent authority or engaged in the training at the school's Peace Officer Basic Training program. Students shall not post any aspect of Academy training on social media without approval from the Commander.

Grade Expectations

A student must achieve a minimum of 80% cumulative average each term. Failure to achieve a minimum standard will result in dismissal according to the following guidelines: Grades for Peace Officer Basic Training are evaluated on each Student Performance Objective (SPO). Students must pass each of these in order to proceed in the program. Remediation will be given for a failed SPO and student can test one additional time to pass the SPO. If the student does not pass each SPO by the

second attempt, the student will be terminated from the program according to OPOTC regulations. After successful completion of all SPO's and the physical fitness assessment, students may then take the written State Certification Exam (SCE). Certain accommodations can be made during the SCE if a student has a disability that may impact the speed by which the student completes the exam. A request for such accommodations should be made to your Commander as soon as possible.

Mandatory Attendance Requirements

Sign-in sheets are reviewed by the commander on a daily basis. Attendance sheets are also reviewed by the State Inspector during program audits. The Director/Commander evaluates academic progress on a weekly basis or through periodic student/instructor conferences at the student's request. Timely grade reports keep the student informed of his/her progress. Students who are absent from school for three or more days without notifying the school will be dismissed from the program. OPOTC requires students be given a 10-minute break every 50 minutes of class time. The class will assemble 15 minutes prior to class starting in the designated area for inspection, roll call, and announcements.

Each student must sign the daily attendance roster the time of arrival, lunch break, return from lunch (if applicable) and end of day. The total number of hours present or absent will be noted on the sheet. No student may sign in or out for another student. No student may miss any portion of the mandatory topics. Also note that any hour(s) the Director/Commander adds to the mandatory topics also become mandatory. Please note: students who miss three consecutive days without notifying the Commander will be unenrolled from the program. Students who miss five consecutive days even though notification has been sent to the Commander, may be unenrolled from the program due to the attendance requirements.

Each student has primary responsibility for tracking individual absences and tardiness although students are required to sign in and out each day, including lunchtime. Attendance records are reviewed by the Commander daily with 100% attendance requirement for successful completion of Peace Officer Basic Training, enabling students to sit for the State Certification Exam (SCE). Students are expected to arrive on time and stay until the end of the class. All arrivals after the designated starting time will be classified as a partial absence. Leaving early will also be considered a partial absence. Partial absences will be computed in real time, and are factored into the attendance requirement. Doctors' visits and other appointments should be scheduled outside of class time. If a student must miss school because of illness or other emergency, follow program specific requirements for procedures regarding notification and documentation. Student must make-up any time missed within 14 days of when the absence has occurred. Student will be given a "Notification of Makeup" form to help the student and Commander track this 14-day timeline. All make-up time will be charged to the student at \$50 an hour per instructor for payment of the additional time the instructor must stay after normal hours. Please note that students receiving VA Educational Benefits will not pay make-up hours tuition for attendance reasons and who miss three consecutive days without notifying the Commander will be unenrolled from the program and notification will be sent stopping VA Education Benefits. Students receiving VA Education Benefits who miss five consecutive days even though notification has been sent to the Commander, will be unenrolled from the program and VA Education Benefits stopped.

4.5: Personal Electronics

Ringtones, notifications, and other audible sounds must be turned off while in classroom. Course instructors will determine whether a student's behavior is disruptive to the learning environment.

4.6: Drug, Alcohol and Tobacco Policies (Prohibited Substances)

Drug and alcohol abuse affects the health, safety, and well-being of all students and restricts Greene County Career Center's ability to carry out its mission. Greene County Career Center prohibits the possession, use, or distribution of illegal drugs, narcotics, and alcohol on school property or as part of any school activity. ***If a student comes to class while under the influence of drugs or alcohol, the student will not be admitted to class, his or her enrollment will be terminated and/or he or she may be referred to law enforcement.***

Sanctions for Drug and Alcohol Policy Violations

Students who violate the Greene County Career Center policy against illegal drugs, narcotics, and alcohol are subject to discipline up to and including dismissal from the Peace Officer Basic Training Academy. Students must also be aware that there are significant criminal penalties under state and federal law for the unlawful possession or distribution of drugs and alcohol. Sanctions for violation include but are not limited to: (1) immediate suspension from class and with recommendation for dismissal from program of study and (2) notification to law enforcement.

See the Commander for more information on referral resources for a variety of public and private education and treatment programs.

Tobacco-Free Campus

The use of all forms of tobacco, including chewing tobacco, vape pens, and e-cigarettes, are prohibited at Greene County Career Center's campuses. ***A student who violates the tobacco-free environment may be placed on probation, or dismissed from the*** Peace Officer Basic Training Academy.

4.7: Sexual Violence

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its education programs and activities. The Board is committed to maintaining an education and work environment that is free from all forms of unlawful harassment, including sexual harassment.

Sexual harassment, including sexual violence, interferes with students' rights to receive an education free from discrimination, and, in the case of sexual violence, is a crime. Pursuant to its Title IX obligations, the Board is committed to eliminating sexual violence in all forms and will take appropriate action against any individual found responsible for violating this policy. To further its commitment against sexual violence, the Board provides reporting options, an investigative and disciplinary process, and other related services as appropriate.

This policy applies to all student complaints, whether filed by a student, his/her parent, an employee, or third party on the student's behalf. It applies to all District operations, programs, and activities, as well as to unlawful conduct occurring on school property or during a Board-sponsored activity. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment.

Definitions:

1. Sexual Harassment

As detailed further in Policy 5517, sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal or physical conduct of a sexual nature. Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Examples include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. unwanted physical and/or sexual contact;
- C. threats or insinuations implying that a person's conditions of education may be adversely affected by not submitting to sexual advances;
- D. unwelcome sexual verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; unwelcome sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;
- E. sexually suggestive objects, pictures, videotapes, audio recordings or literature;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. inappropriate boundary invasions into a student's personal space and personal life; and
- J. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

2. Sexual Violence

Sexual violence, as used in this policy, refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent (e.g., due to the student's age, intellectual or other disability, or use of drugs or alcohol).

Sexual violence includes rape, sexual assault, sexual battery, sexual abuse, and sexual coercion. Sexual violence can be carried out by school employees, other students, or third parties. All such acts of sexual violence are forms of sexual harassment and, in turn, sex discrimination prohibited by Title IX.

Harassing conduct creates a hostile environment when it interferes with or limits a student's ability to participate in or benefit from the school's program. A single or isolated incident of sexual harassment may create a hostile environment if the incident is sufficiently severe. For example, a single instance of rape is sufficiently severe to create a hostile environment.

Anti-Harassment Compliance Officers

The Board designates the following individuals to serve as "Anti-Harassment Compliance Officers" for the District. They are hereinafter referred to as the "Compliance Officers."

Mr. Brian McKnight, Assistant Superintendent
Ms. Jill Anon, Supervisor of Student Services

The Compliance Officers are available during regular school/work hours to discuss Title IX questions, sexual violence concerns, and to assist students, other members of the School District community, and third parties. Compliance Officers shall accept sexual violence complaints directly from any members of the School District community or a visitor to the District, as well as those initially filed within a school building administrator. Upon receiving a complaint, the Compliance Officer or designee will discuss

confidentiality issues with the complainant (and his/her parent, if the complainant is a minor), and open an investigation as described below.

Complaint Procedures:

Reporting

Students and Board employees are required, and parents, community members, and third parties are encouraged, to report sexual violence promptly to a teacher, administrator, supervisor, or other school official. Reports can be made orally or in writing, and should be as specific as possible. The person making the report shall identify the alleged victim, perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s). The District, however, will investigate and address all reports to the extent possible.

A student has a right to file criminal and/or Title IX complaints simultaneously. A student does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to sexual violence or any other Title IX concerns may also be filed with the U.S. Department of Education's Office for Civil Rights.

Any teacher, administrator, supervisor, or other school employee or official who receives such a complaint shall file it with the District's Compliance Officer within two (2) school days, and shall comply with his/her mandatory reporting responsibilities pursuant to R.C. 2151.412. The Compliance Officer will oversee the District's investigation and response to any Title IX-related complaints, but s/he may delegate the investigative process to another individual ("Designee"). The Board reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy.

Confidentiality

The District respects students' privacy and will only disclose information regarding alleged sexual violence to individuals who are responsible for handling the school's response, the student's parents (if the student is a minor or is considered a dependent under Section 152 of the Internal Revenue Code), or as otherwise required by law. During the course of a formal investigation, the Compliance Officer/designee will instruct all interviewees about the importance of maintaining confidentiality. Interviewees will be directed not to disclose any information that s/he learns or that s/he provides during the course of the investigation to third parties.

Investigation

The District is committed to investigating all sexual violence complaints in an adequate, reliable, impartial, and prompt manner. The investigation will seek to determine whether the conduct occurred, and if so, what actions the school will take to end the sexual violence, eliminate the hostile environment, prevent its recurrence, and remedy its effects.

The investigation may include:

- A. interviewing the complainant, perpetrator, and any witnesses;
- B. reviewing law enforcement investigation documents;
- C. reviewing student and personnel files;
- D. gathering and examining other relevant documents or evidence; and
- E. providing a disciplinary hearing as needed.

The District affords both parties a balanced and fair process. Specifically, the complainant has the same rights throughout the proceeding as the alleged perpetrator. Both parties, for example, will have an equal opportunity to present relevant witnesses and other evidence at a disciplinary hearing. Likewise, the District's appeal process is available to both parties. The District, however, does not require complainants to be present for the hearing or appeal. Further, the District will not permit parties to personally question or cross-examine each other directly.

In resolving a complaint, the District uses a preponderance of the evidence standard, determining whether it is more likely that not that sexual violence occurred.

Timeline

The Compliance Officer/designee must contact the student within two (2) school days after receipt of a report of sexual violence to advise s/he/them of the Board's intent to investigate the alleged misconduct. The Compliance Officer/designee will also inform the alleged perpetrator of the opportunity to submit a written response to the complaint within five (5) business days. The District's investigation, including a disciplinary hearing process (but not appeal), may take up to sixty (60) calendar days to complete. This timeframe may be extended on a case-by-case basis, depending on the complexity and severity of the matter, criminal investigation requirements, and school breaks. During this period, the District will provide the complainant with periodic updates on the status of the investigation.

Interim Measures

During the investigation, the District will take interim steps to facilitate the complainant's equal access to its education programs. These steps may include, but are not limited to: (1) notifying the complainant of his/her options to avoid contact with the alleged perpetrator; (2) allowing the complainant to change transportation, dining, and working situation as appropriate; and (3) informing complainant of other available resources, such as counseling, legal assistance, and victim advocacy. Specific interim measures will be considered and offered on a case-by-case basis.

Notice

Upon completing its investigation, the District will notify both parties in writing about the outcome of the complaint and any appeal. Specifically, the District will notify the complainant: (1) as to whether the investigation substantiated the allegations; (2) of individual remedies offered to the complainant; (3) of sanctions imposed on the perpetrator that directly relate to the complainant; and (4) other steps the District has taken to eliminate the hostile environment and prevent recurrence. The alleged perpetrator will be notified of the investigation's result and disciplinary consequence to him/her, if any. The District will not notify the alleged perpetrator about the individual remedies afforded to the complainant. All aforementioned notifications will comply with Federal and State privacy laws, including the Family Education Rights and Privacy Act (FERPA).

Remedies

The District will provide a prompt and equitable resolution. If the investigation substantiates the complaint, the District will take steps to end the sexual violence, eliminate the hostile environment, prevent its recurrence, and remedy its effects. In addition to imposing disciplinary consequences on the perpetrator, the District will consider the following individual and global remedies, on a case-by-case basis:

- A. providing medical, counseling, and academic support services to the complainant and/or perpetrator;
- B. reviewing any disciplinary proceedings against the complainant;

- C. training or retraining employees;
- D. developing materials on sexual violence;
- E. conducting sexual violence prevention programs; and
- F. conducting climate checks.

The District will not offer mediation in cases involving sexual violence. Disciplinary consequences against offenders may include suspension, expulsion, termination, and any other sanctions the Board deems appropriate. Any discipline meted out to offenders will comply with special education and Section 504 laws and regulations.

Appeals Process

Both complainants and perpetrators may appeal the outcome of the investigation. Any appeal opportunities afforded to the alleged perpetrator are also afforded to the complainant. Any party wishing to appeal the outcome of the investigation must submit a written appeal to the Board within ten (10) school days after receipt of the written notice of the outcome of the investigation. The Board shall, within twenty (20) work days, conduct a hearing concerning the appeal. The Board shall provide a written decision to the appealing individual within ten (10) work days following completion of the hearing.

Retaliation

Federal law strictly prohibits retaliation against a complainant or witness. The District will inform complainant of this prohibition and direct him/her to report retaliation, whether by students or school officials, to the Compliance Officer. Upon learning of retaliation, school officials will take strong responsive action as appropriate.

Training

All staff will be trained so they know to report harassment to appropriate school officials. This training will include practical information about how to identify and report sexual harassment, including sexual violence. The training will be provided to any employees likely to witness or receive complaints involving sexual harassment and/or sexual violence, including teachers, school law enforcement unit employees or school resource officers, school administrators, school counselors, and health personnel. Further, school administrators responsible for investigating allegations of sexual harassment and sexual violence will be trained how to conduct such investigations and respond properly to such charges.

4.8: Violence Prohibition

Violence, Threats of Violence, Dangerous Behaviors

Any student that participates in violence, threats of violence or other dangerous behaviors such as inciting panic, fighting, misuse of equipment will not be tolerated at Greene County Career Center. Students have a right to a hostile-free environment. ***Students that engage in violence, threats of violence or dangerous behaviors will be dismissed from the*** Peace Officer Basic Training Academy ***and may be referred to law enforcement.***

4.9: Student Grievance Procedure

I. Purpose and Scope

The purpose of this procedure is to provide Adult Education students an opportunity to resolve complaints. It is the intent of this procedure that student complaints should be resolved, if at all possible, in the classroom or program where they arise.

II. Definitions

A. Complaint Resolution Officer (CRO): The person designated to receive, investigate, mediate, and resolve complaints brought under this procedure.

B. Student: An individual who is enrolled in or registered with an academic program

C. Respondent: The person designated to answer or respond to the complaint. Generally, the respondent would be the program coordinator in which the violation allegedly occurred.

III. Step 1: Program Level Informal Resolution Procedures

Before filing a grievance under this policy, a student should attempt to resolve the matter informally with the person or with the program coordinator in which the alleged incident occurred. The student may contact the Student Services Office for assistance with informal resolution. Attempts to resolve the matter informally should be completed within five (5) days from the time of the alleged incident.

IV. Step 2: Formal Resolution Procedures

A. Filing a Grievance

If the student is not satisfied with the outcome of the program level informal resolution, the student may file a formal student grievance within ten (10) days of notice of the outcome of the program level process.

Student grievances must be in writing and signed by the student or the student's designated representative, if any. Grievances must contain the student's address and phone number to the extent available, a detailed statement of the specific action being grieved, the approximate date when the action took place, the resulting injury or harm, a description of the evidence supporting the grievance, whether informal procedures were available and completed, and the remedy or relief requested.

If the student is to be assisted by counsel or representative, the student must submit the name of the representative or counsel. All expenses will be the responsibility of the student. The student also must submit a signed statement authorizing the representative or counsel to receive copies of relevant student records and correspondence regarding the grievance and to accompany the student to any meetings.

B. Initial Review

Upon receipt of a formal written student grievance, the administrator, as appropriate, shall promptly designate a Complaint Resolution Officer (CRO).

C. Investigation: Complaint Resolution Officer (CRO)

The CRO will arrange a meeting involving the student and the respondent and will be arranged at a mutually convenient time to discuss the grievance. This meeting is to occur within five (5) days after the grievance is made.

D. Request for Reconsideration: Administrator

If the grievance is unresolved, it may be appealed to the Administrator and acted upon within seven (7) days after the director's receipt of the complaint.

E. Appeal Process: Superintendent and Board of Education

If the grievance is unresolved after the Request for Reconsideration meeting, the student may appeal to the superintendent and shall be acted upon within ten (10) days after the superintendent's receipt of the complaint.

If the grievance is unresolved after appealing to the superintendent, the student may appeal to the board of education or the board of education's designee within five (5) days after the superintendent's response to the grievance. If a hearing is granted, the student will be notified of the place and time of appeal hearing.

F. Appeal Process: Accrediting Institution

If the grievance is unresolved after a hearing of the board of education and the student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:

Accrediting Commission of Career Schools & Colleges

A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting school's Treasurer, or online at www.accsc.org.

Section 5: Satisfactory Academic Progress

5.1: Satisfactory Academic Progress

Satisfactory Academic Progress

The Higher Education Act of 1965 (as amended) requires each student to be making **Satisfactory Academic Progress** (SAP) to be eligible for federal and state financial aid programs. All students enrolled in 600-hour programs or greater, whether or not they receive federal aid, are required to maintain SAP.

Clock Hour

A clock hour is defined as 50 minutes of class time with a 10-minute break.

Satisfactory Progress

To successfully complete a full-time program at Greene County Career Center, students must maintain satisfactory academic progress requirements. Satisfactory progress is measured by two criteria, qualitative (academic progress and technical/skill performance) and quantitative (attendance).

SAP Academic Progress

Students must maintain a minimum cumulative grade point average (GPA) of 80.0%. Students must have achieved this GPA at each SAP evaluation.

Attendance for SAP will be calculated by determining the number of hours that the student should have completed by the end of the program payment period in order to complete the program within the maximum timeframe of 845 clock hours. Students must be on pace to complete their entire program within the maximum timeframe, which is the official length of the educational program. This time frame is measured by the cumulative number of clock hours the student is required to complete and expressed in calendar time. For example, if the published length of a program is 845 hours and 30 weeks, the maximum time frame would be 845 hours and 30 weeks. A student must complete all program clock hours within the maximum time frame; therefore, students need to complete all program requirements by the scheduled program end date.

Although attendance and grades are constantly monitored by the instructor and the Adult Education Director or designee, the review of the student's academic progress occurs at the end of each payment period, as required by the U.S. Department of Education. The official evaluation for students in all programs is at the point when the student's scheduled clock hours for the payment period have elapsed. For example, in an 845-hour program with 30 weeks, the official evaluation date is the end of the program day in which 422.50 scheduled hours occurs.

If at the time of each SAP official evaluation, a student is not meeting SAP, the student is no longer eligible to receive assistance under Title IV and financial aid will be suspended for the following payment period, unless the student is placed on financial aid warning status. A student whose aid is suspended will be responsible for paying all unpaid program charges out of pocket.

Financial Aid Warning

Upon official evaluation of SAP, if the student is meeting SAP and has attended all of the hours in the previous payment period, he or she will be eligible for Title IV financial aid. If the student is not meeting SAP, the student is no longer eligible to receive his or her Title IV financial aid unless the student is placed on financial aid warning status. The Adult Education Director or designee will notify the student in writing if the results of an evaluation impact his or her eligibility for Title IV funds.

The Adult Education Director or designee will meet with the student to discuss the results of the official evaluation of SAP and sign the SAP Evaluation Form. A student on financial aid warning status may continue to receive Title IV financial aid assistance for one (1) payment period despite a determination that the student is not meeting SAP, provided the student has completed all hours in the previous payment period. Financial aid warning status may be assigned without an appeal or other action by the student.

Note, in order for a student to meet program completion requirements by the end of the payment period, the student may be required by the Adult Education Director or designee to follow an academic plan developed by the student and Adult Education Director or designee.

All SAP measurements will be cumulative and students will be notified of results of any SAP review that impacts student Title IV eligibility.

Reinstatement/Reestablishing Eligibility

If a student's financial aid is suspended as a result of not meeting SAP, the student can regain eligibility by meeting SAP at the conclusion of the next SAP evaluation date.

5.3: Certification and Final Assessment Requirements

All students will be required to keep a notebook. The notebook will contain all handouts. Student Performance Objectives (SPO's) and other related information the student has received throughout the program. The Director/Commander will inspect all notebooks. The notebook must pass inspection for the student to sit for the state examination. In order to sit for the state examination, students must also meet all attendance requirements and mandatory skill requirements. Physical conditioning is a mandatory skill. Each student must attend the Final Assessment and successfully attain the 50th percentile per age and gender standards for each of the three events as listed on the SF195BAS, Physical Assessment Form. Any student who does not meet the 50 percentile must be given at least one additional attempt prior to the closing audit. If a student does not pass the final assessment, the student will not be eligible for the OPOTA certification examination. The appropriate OPOTA Field Agent will be notified of any student(s) needing additional attempt(s) and the dates, times, location and instructor(s) for additional attempt(s). If additional attempts are needed for the Final Assessment, the student must successfully complete all three events-not only the event(s) which he/she initially failed. All three events must be completed on the same date, at the same assessment.

Probation

A student will be placed on probation due to unsatisfactory academic progress, failure to meet attendance requirements, or for disciplinary reasons. A student will be notified in writing that he/she is being placed on probation and that notice will include the reason for probation, the length of the probationary period and the conditions for removal from probation. If the student does not meet the conditions of the probation period, he/she will be subject to dismissals.

Extenuating Circumstances

When documented extenuating circumstances exist, the school reserves the right to deviate from the stated attendance policy.

Make-Up Policy

Students who miss any portion of the mandatory hours and have not completed a make-up course will not be permitted to sit for the state certification examination. All make-up hours must be completed prior to the student being allowed to sit for the state certification examination. Students must make-up any time missed within 14 days of when the absence has occurred. Student will be given a "Notification of Makeup" form to help the student and Commander track this 14-day timeline. All make-up time will be charged to the student at \$50 an hour per instructor for payment of the additional time the instructor must stay after normal hours.

Withdrawal Procedure

When withdrawing from a training program prior to the official graduation date, it is important for the student to complete appropriate paperwork with the Adult Education office and any sponsoring agency. Students must also have an exit interview with the program supervisor. The procedure is to ensure credit for billing adjustments if they are required. Any refund due to the student will be processed within 30 calendar days. If the student withdraws and re-enrolls there will be no transfer credits

issued. If a student withdraws due to an OPOTC approved medical or military exemption, the hours earned prior to withdrawing will be credited towards the total quantitative hours to complete the program when student re-enrolls.

Maximum Time Frame

Students must complete their program within one year of start date of academy per OPOTC regulations.

Transfer Credits

Peace Officer Basic Training is a noncredit program and does not accept transfer credits, nor can we issue transfer credits

5.5: Student Performance Objectives (SPO)

Each student shall be permitted one attempt at each Student Performance Objective and one retest if the student fails the initial attempt. Students who fail the initial attempt must be afforded a reasonable amount of remedial training prior to the retest. **Any student who fails both attempts shall be dismissed from the program.** If the student who fails both attempts is taking classes for the Ohio Transfer to Degree option, the student may continue taking classes but will no longer be eligible to take the state certification examination.

No student will be permitted to take the state certification examination unless and until they successfully complete the psychomotor skills assessments in the following units:

- a. Unit 4, Firearms;
- b. Unit 5, Driving;
- c. Topic 6-1 Subject Control
- d. Topic 6-2 Impact Weapons
- e. Topic 7-1 First Aid/CPR/AED
- f. Topic 7-2 Critical Incident First Aid (CIFA)
- g. Topic 8-1 Patrol Techniques
- h. Topic 8-4 Building Searches
- i. Topic 8-5 Stops & Approaches;
- j. Topic 10-6 NHTSA Speed Measuring Device Training
- K. Topic 10-8 Standardized Field Sobriety Testing (SFST);
- l. Unit 12, Physical Conditioning;
- m. Topic 13-1 HazMat & WMD Awareness for the First Responder;
- n. Topic 13-4 Incident Command System (ICS);
- o. Topic 13-5 National Incident Management System (NIMS)

Student Notebooks

As required by OAC 109:2-1-10, all students shall keep a notebook which shall be submitted to the School Commander for inspection. Students shall not be permitted to take the state certification examination unless they have received a satisfactory evaluation of their student notebook. Student notebooks shall be available for review by OPOTC staff upon request. The School Commander shall evaluate student notebooks in the following areas:

- a. Sufficiency of course related content;
- b. Organization;
- c. Appropriateness of the material;
- d. Regularity of entries;
- e. Neatness;
- f. Accuracy;
- g. Legibility.

All notes will be typed and not handwritten

Grade Appeals

Students who believe an error has been made in evaluating a Student Performance Objective can appeal to the Commander. The Commander will notify the OPOTC Field Agent, who will review the situation for further action.

5.6: Withdrawal and Re-Admission

Voluntary Withdrawal

All students who voluntarily terminate enrollment must complete a Change in Status form to inactivate their records. The school attempts to contact any student who is absent without notice. If a student chooses to not return to school or cannot be reached, the school will officially terminate his or her enrollment on the 3rd 5th day of non-attendance. The School will finalize the process by sending a termination letter by registered mail to inform the student of future requirements or options.

Involuntary Withdrawal

Greene County Career Center reserves the right to terminate the enrollment of students. See Student Behavior.

5.7: Re-Admission

Students requesting re-admission to a new session of the Peace Officer Basic Training program following withdrawal or termination must resolve any outstanding balances before being re-admitted and registered for classes. The student should contact the Office to clear the account.

Section 6: Financial Aid and Account Information

6.1: Peace Officer Basic Training Course Costs

Tuition:	\$5798
Registration Fee:	\$50 (non-refundable)
Lab Fees:	\$898
Additional Equipment:	\$500-\$1000

6.2: Cancellation and Refund Policy

Applicants who have not visited the school prior to enrollment will have the opportunity to withdraw without penalty within three business days following the orientation.

All monies paid by an applicant must be refunded if requested within three days after signing an enrollment agreement and making an initial payment prior to entering the school. An applicant requesting cancellation more than three days, but prior to entering the school, is entitled to a refund of all monies paid minus an administrative fee of \$50. If such cancellation is made, the school shall promptly refund in full all tuition and fees paid as stated in the Enrollment Agreement and the refund shall be made no later than 30 calendar days after cancellation. This provision shall not apply if the student has already started the program or class.

Students may be entitled to a full refund of monies paid if:

- Student's application is not accepted.
- The class is cancelled.

A refund applies only to tuition. There is no refund on application fees books, tools, uniforms, or other objects or supplies which become the property of the student.

The amount of Title IV and other aid will be applied to the student's account first, based on the hours attended prior to student's withdraw date to cover tuition. The remaining balance will become the responsibility of the student using the calculation listed in the table below.

Days Enrolled Per Term	Total Tuition School Shall Refund
0-2 Days	100% Refund
3-10 days	50% Refund
Over 10 days	0% Refund

Students who are not meeting minimum attendance/grade requirements at the time financial aid is scheduled for disbursement will not be eligible for those disbursements until satisfactory progress requirements have been met. If the student does not reestablish satisfactory progress within his/her probationary period (next evaluation period), financial aid will not be disbursed and the student will be responsible for payment of all tuition and fees for the applicable term(s).

6.2:1 Return to Title IV Funds Policy

Greene County Career Center (GCCC) returns unearned funds received from Federal student assistance programs to the proper program accounts in accordance with Federal Title IV student assistance regulations, as amended, under 34 CFR, section 668.22(d) of the Reauthorization of the Higher Education Act of 1965.

A student receiving assistance from Federal Title IV programs is required to complete a minimum number of clock hours for the payment period in which assistance was received.

If the student withdraws from a program before completing 60% of the payment period, a pro-rated portion of the federal aid received must be returned to the federal aid programs equal to the percentage of the payment period remaining. The student's last day of attendance will serve as the "withdrawal date" when calculating the return of Title IV Funds formula.

If the student remains enrolled and attends class beyond the 60% mark of the payment period in which aid is received, all federal aid is considered earned and not subject to this policy.

Return of Federal Title IV funds will be distributed according to statutory regulations. Greene County Career Center utilizes the Return of Unearned Title IV Funds Calculation Form provided by the U.S. Department of Education in order to determine the percentage of financial aid students have earned for the payment period. This is based on the number of clock hours scheduled in the payment period. For example, if the student completed 20% of the scheduled clock hours in the payment period, they earned 20% of the federal funds they were originally scheduled to receive; the unearned aid, 80%, must be returned to the individual funding source.

The amount of Title IV and other aid will be applied to the student's account first, based on the hours attended prior to student's withdraw date to cover tuition. The remaining balance will become the responsibility of the student.

Students who miss five consecutive days even though notification has been sent to the Commander, may be unenrolled from the program due to the attendance requirements within the Ohio Peace Officer Training Academy (OPOTA) curriculum, and the fifth date of consecutive absences will then be used as

the withdraw date. If the student decides to quit the program without being absent five consecutive days, the date the student notifies the Commander will be the date of withdraw, and will not exceed 14 calendar days from their last day of attendance (LDA). This withdrawal date is used to determine the percentage of the payment period or period of enrollment completed and, therefore, the amount of aid a student has earned. The date of the institution's determination that the student withdrew is used to track required timeframes in the following circumstances: GCCC will offer any amount of a Post-Withdrawal Disbursement (PWD) that is not credited to the student's account within 30 days of the date of determination. If the student or parent submits a timely response that instructs the school to make all or a portion of a Direct Loan PWD, the school must disburse the funds within 180 days of the date of determination.

Title IV grant PWDs must be made within 45 days if required to be provided directly to the student and within 180 days if paying for allowable charges on the student's account. A school must document a student's withdrawal date and maintain the documentation as of the date of determination. Date of student's withdraw may not exceed 14 calendar days from student's last day of attendance. Within 30 days of the date of determination, a school must notify a student if a grant overpayment is due. A school that is collecting an overpayment must require repayment of the full amount of the overpayment within two years of the date of determination. The school must return the amount of Title IV funds for which it is responsible no later than 45 days after the date of determination.

GCCC will notify a student (or parent when it's a Parent Plus Loan) for all Title IV Loans in writing prior to making any PWD of loan funds, whether those loan funds are to be credited to the student's account or disbursed directly to the student (or parent). The information provided in this notification will include the information necessary for the student, (or parent) for Title IV Loans, to make an informed decision as to whether the student or parent would like to accept any disbursement of loan funds and must be provided within 30 days of the date of a school's determination that a student has withdrawn. In addition, the notice must request confirmation of any PWD that the student (or parent as applicable) wishes the school to make. GCCC will allow a deadline of 14 days deadline for a confirmation of loan disbursements to the student's account and direct disbursements of a PWD, and the school will document your request. If the student (or parent) does not respond to the notification within the 14 days, GCCC is not required to make the PWD.

Return of unearned aid, is the responsibility of the institution and the student. After GCCC has allocated the unearned funds for which it is responsible, the student must return assistance for which the student is responsible in this order:

1. Unsubsidized Federal Direct Stafford loans
2. Subsidized Federal Direct Stafford loans
3. Federal Direct PLUS received on behalf of the student
4. Federal Pell Grants

The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that GCCC is required to return from the total amount of unearned Title IV assistance to be returned. The student (or parent in the case of funds due to a parent PLUS Loan) must return or repay, as appropriate, the amount determined including any title IV loan program in accordance with the terms of the loan; and any Title IV grant program as an overpayment of the grant; however, a student is not required to return the portion of a grant overpayment amount that is equal to or less than 50 percent of the total grant assistance that was disbursed (and that could have been disbursed, as defined in 34CFR 668.164h) for the payment period or period of enrollment.

If a student withdraws during a payment period with an existing Title IV credit balance, the school will first perform the R2T4 calculation. If a credit balance is remaining, the credit balance will be paid to the student as soon as possible and no later than 14 days after the calculation of the R2T4.

6.3: Tuition and Late Fees

Tuition or financial aid arrangements are due on the first day of class. If tuition is not paid in full or financial aid is not in place by the end of day 2 of the course schedule, the student will automatically be placed on a payment plan. First payment will be due by the end of the fifth training day. Any payment that is late may be assessed a \$25 late fee, with sequential charges added each month that payment is late. Program dismissal will become necessary if student's account continues to be in arrears after two weeks of notification of student's lack of payment status.

All tuition must be paid in full prior to the end of the term, before admission will be accepted for the subsequent term. Students may settle their account by any of the following methods:

- Cash, Check, Money Order or Credit Card (Visa, MasterCard)
- Financial aid, loans or scholarships
- Greene County Career Center will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of funding from the Department of Veterans Affairs under chapter 31 or 33.

6.4: Cost of Attendance

The Financial Aid Office establishes standard budgets, which reflect average costs for students during a typical period of enrollment. Actual expenses vary among students depending on life styles, priorities, and obligations. To assist students in determining their need to meet all costs of education, direct and indirect, a schedule of tuition and fees cost has been provided below. Indirect costs include personal expenses, room/board, transportation, child care and loan fees. Some tuition/supplies may be estimated and could be subject to change.

Glossary

Cost of Attendance (COA): The total amount (not including grants and scholarships) that it will cost you to go to school during the 2023–24 school year. COA includes tuition and fees; housing and meals; and allowances for books, supplies, transportation, loan fees, and dependent care. It also includes miscellaneous and personal expenses, such as an allowance for the rental or purchase of a personal computer; costs related to a disability; and reasonable costs for eligible study-abroad programs. For students attending less than half-time, the COA includes tuition and fees; an allowance for books, supplies, and transportation; and dependent care expenses.

Direct Subsidized Loan: Loans that the U.S. Department of Education pays the interest on while you're in school at least half-time, for the first six months after you leave school (referred to as a grace period), and during a period of deferment (a postponement of loan payments).

Direct Unsubsidized Loan: Loans that the borrower is responsible for paying the interest on during all periods. If you choose not to pay the interest while you are in school and during grace periods and deferment or forbearance periods, your interest will accrue (accumulate) and be capitalized (that is, your interest will be added to the principal amount of your loan).

Expected Family Contribution: A number used by your school to calculate the amount of federal student aid you are eligible to receive. It is based on the financial information provided in your Free Application for Federal Student Aid (FAFSA). This is not the amount of money your family will have to pay for college, nor is it the amount of federal student aid you will receive.

Federal Work-Study: A federal student aid program that provides part-time employment while the student is enrolled in school to help pay his or her education expenses. The student must seek out and apply for work-study jobs at his or her school. The student will be paid directly for the hours he or she works may not automatically be credited to pay for institutional tuition or fees. The amount you earn cannot exceed the total amount awarded by the school for the award year. The availability of work-study jobs varies by school. Please note that Federal Work-Study earnings may be taxed in certain scenarios; however the income you earn will not be counted against you when calculating your Expected Family Contribution on the FAFSA.

Grants and Scholarships: Student aid funds that do not have to be repaid. Grants are often need-based, while scholarships are usually merit-based. Occasionally you might have to pay back part or all of a grant if, for example, you withdraw from school before finishing a semester. If you use a grant or scholarship to cover your living expenses, the amount of your scholarship may be counted as taxable income on your tax return.

Loans: Borrowed money that must be repaid with interest. Loans from the federal government typically have a lower interest rate than loans from private lenders. Federal loans, listed from most advantageous to least advantageous, are called Direct Subsidized Loans, Direct Unsubsidized Loans, and Parent PLUS Loans. You can find more information about federal loans at [StudentAid.gov](https://studentaid.gov).

Net Price: An estimate of the actual cost that a student and his or her family need to pay in a given year to cover education expenses for the student to attend a particular school. Net price is determined by taking the institution's cost of attendance and subtracting any grants and scholarships for which the student may be eligible.

Non-Federal Private Education Loan: A private education loan is a loan issued expressly for postsecondary education expenses to a borrower (either through the educational institution or directly to the borrower) from a private educational lender, rather than as a Title IV, HEA loan offered by the Department of Education.

Origination Fees: An upfront fee charged by a lender for processing a new loan application. It is compensation for putting the loan in place. Origination fees are quoted as a percentage of the total loan.

Parent Plus Loan: A loan available to the parents of dependent undergraduate students for which the borrower is fully responsible for paying the interest regardless of the loan status.

Teach Grant Program: Provides grants of up to \$4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching. If you do not meet the requirements of your service obligation, all TEACH Grants you received will be converted to Direct Unsubsidized Loans. You must repay these loans in full, with interest charged from the date of each TEACH Grant disbursement. Service obligation information can be found at <https://studentaid.gov/understand-aid/types/grants/teach>.

Tuition Payment Plan: A tuition payment plan offered by an institution may allow students to spread out their payments. It includes an extension of credit of 90 days or less in which the educational institution is the lender, or of one year or less where an interest rate will not be applied to the credit payment.

VA Education Benefits: Benefits that help Veterans, service members, and their qualified family members with needs like paying college tuition, finding the right school or training program, and getting career counseling. You can find more information here: <https://www.va.gov/education/>.

6.6: Types of Student Aid

To qualified students, Greene County Career Center can offer the following options: Pell Grant, Direct Loans, and Veterans Benefits. We are also able to create employer plans, work with funding agencies

such as Workforce Investment Act (WIA). Payment plans are available to qualified individuals when necessary.

- **Grants:** Financial aid that does not need to be repaid. Generally, grants are for undergraduate students, and the grant amount is based on need, cost of attendance, and enrollment status.
- **Loans:** Borrowed money that must be repaid with interest. Generally, loans are based on need, cost of attendance, and enrollment status.

Once the Financial Aid Office has determined the level of financial need, the student's financial aid package is created. The package is created in this order if eligible:

- Pell Grant
- Subsidized Stafford Loan
- Unsubsidized Stafford Loan

6.7: Student Loan Requirements

1. After student has applied for student loans and received their Financial Aid Award Letter, a meeting will be scheduled with the Financial Aid Officer within 14 business days of letter. During this meeting time, the award letter will be discussed and the process of student aid will begin.
2. Student Loan Entrance Counseling must be completed prior to your meeting with the FA Officer. Go to:
[Entrance Counseling | Federal Student Aid](#)
3. Two weeks prior to completion of your program, you will need to email the Exiting Student Form to bprather@greeneccc.com. Please be advised that is a **requirement** before receiving your Graduation Certificate. This will prompt you to do the Student Loan Exiting Counseling online session as well as go over the Student Loan Repayment Plans, go to: [Loan Simulator | Federal Student Aid](#)
4. Students who need assistance with this process should contact or immediately notify the Financial Aid Officer bprather@greeneccc.com.

Section 7: Financial Aid Process

7.1: Verification

Verification is the process of confirming the accuracy of student-reported data on financial aid applications. If selected for verification, students will receive a letter with further instructions.

Consequences for Missing Financial Aid Deadlines

1. The student's payment status is changed to "Self-Pay."
2. The student's financial aid award may be reduced.
3. The student's financial aid award may be delayed causing the student to make payments to the Student Account's Office for tuition, fees and supplies until financial aid can be secured.

7.2: Financial Aid Award Package

When all required documents are verified, the Financial Aid Office creates a financial aid package for the Adult Education student. The Financial Aid Office determines the student's financial need upon review of his or her financial aid application. Financial need is determined by subtracting the Expected Family Contribution (EFC) from the Cost of Attendance (COA).

The Financial Aid Award Letter

Students who apply for financial aid will receive a Financial Aid Award Letter prior to disbursement indicating the type and amount of Title IV funding in the award package for the award year. The award letter will contain specific information about how and when the funds will be disbursed.

Upon receipt of the award letter, the student should:

- Read the letter to make sure he or she understands the terms of the awards offered.
- Notify the Financial Aid Office of any outside scholarships or third-party assistance.
- If the student's award package contains Direct Loan Funds in the form of Stafford Subsidized, or Stafford Unsubsidized, the student has the right to cancel all or a portion of the loans. Students who wish to decline a portion of their aid should modify and initial their signed award letter before returning it to the Financial Aid Office. All award letters must be returned to the Financial Aid Office within 14 business days. If the award letter is not returned within 14 business days, there may be a delay in fund disbursements.

Section 8: Student Services

8.1: Job Opportunities

Employment assistance for Peace Officer Basic Training students includes but is not limited to the following:

- Interview Techniques class with local police chiefs as guest speakers.
- Students participate in local police community service projects; i.e., Greene County Prescription Drug Turn In, Yellow Springs Street Fair, local police departments' open houses, which familiarizes prospective employers with our students.
- Outside agencies in the criminal justice field speak to students during hiring fairs.
- Emails are sent to graduated students when job postings are received.
- Commander will proof resumes upon request.

8.2: Advising and Counseling

Coping and life skills are part of the mandatory OPOTC curriculum to prepare students for the high stress demands in the law enforcement field. Topics covered include on-the-job pressures, balancing work and family skills, and mental health concerns. Financial aid staff can assist students with career-appropriate budgeting, loan planning, repayment options and personal finance issues. Peace Officer Basic Training office staff can offer information on housing, transportation and child care. Tutoring is available when necessary and must be pre-arranged with office staff.

Section 9: Procedures under FERPA for Postsecondary Students

9.1: Student Records Access

All students shall have the right to review their records. Access must be provided within 45 days after the request. All materials in the cumulative folder and intended for school use shall be available. An administrator or designee shall be present during any review of student records. Parents of dependent students, (those persons answering NO to every question in Step 3 of the FAFSA), may be allowed access to student records, but only if the student signs a release form granting them permission.

Request for Amendment and Further Appeal

Students shall have the opportunity to challenge the contents of the school records at a hearing, as scheduled by an administrator or designee, if they believe the materials are inaccurate, misleading, or inappropriate. Any materials determined to be inaccurate, misleading, or inappropriate must be deleted or changed. The decision or reply of the administrator or designee may be appealed to the superintendent within one work week after receiving it.

All records concerning the complaint and how it was handled must be sent to the superintendent. Within one work week after receiving the request and records pertaining to it, all persons involved may be invited to an informal hearing or discussion in an attempt to negotiate a satisfactory settlement of the grievance. If this does not settle the matter, further appeal may be made to the Superintendent/Designee according to due process of law.

Release of Student Records

Any person requesting a release of student records must contact an administrator or designee for the appropriate form. The requestor must complete and sign the form. The administrator or designee then reports the request to the student. The student must complete a Release of Information form to grant permission. The release form shows the date records were released, to whom and for what purpose. The form shall remain in the student's file.

Section 10: Health, Safety and Welfare of Students

10.1: School Closings and Class Cancellations

The Peace Officer Basic Training program will remain open during inclement weather unless the Commander deems a closure is necessary. Closure notification procedures will be outlined in class.

10.2: Parking and Personal Safety

Parking

Parking is provided free of charge to Adult Education students, visitors, and faculty members. Students should follow the posted speed limit of 10 M.P.H.

Personal Items

10.3: Procedures for Reporting On-and Off-Campus Crimes and Emergencies

To report a crime, contact:

Bryan Cook, Commander
Phone: (937) 372-6941, ext. 1553
Email: bcook@greeneccc.com
In person: Peace Officer Basic Training Office

In the event of an emergency: Contact 9-1-1, when using a school phone, dial 8-9-1-1

Any suspicious activity or persons seen in the parking lots or loitering around vehicles or inside the GCCC Main Campus Buildings should be reported to the Xenia Police Department at (937) 372-9901.

Greene County Career Center security personnel have the authority to detain and question an individual and to require his or her departure and/or exclusion from campus property. Greene County Career Center works cooperatively with the Xenia Police Division, and as necessary with the Ohio State Highway

Patrol and Greene Co. Sheriff's Office. Greene County Career Center strongly encourages all students and employees to accurately and promptly report any suspected crime to security personnel and appropriate law enforcement agencies. A crime victim's identity is a required component of this report; however, this identity will not be shared with anyone other than those charged with investigating and/or prosecuting the criminal action.

Timely Warnings:

In the event that a situation arises, either on campus or off, that, in the judgment of the District Safety Officer, constitutes an ongoing or continuing threat, a campus-wide "timely-warning" will be issued. The warning will be issued through the posting in the Student Break area and via email to all students, faculty and staff. Anyone with information warranting a timely warning should report the circumstances to the District Safety Officer.

Confidential Reporting:

If a student becomes a victim of or witness to any crime on or near the GCCC Main Campus, the incident should be promptly reported to the District Safety Officer. Because the reports are public records under state law, the District Safety Officer cannot hold reports of crime in confidence. With such information, the school can keep accurate records of the number of incidents involving students, determine whether there is a pattern of crime with regard to a particular location, method, or assailant, and alert the school community to potential danger.

10.4: Policy on the Preparation and Dissemination of the Crime Report

The District Safety Officer prepares this report annually to comply with the Jeanne Cleary Disclosure of Campus Security Policy and Crime Statistics Act. A copy of this report can be located on the Greene County Career Center Adult Education Website. This report is prepared in cooperation with the local law enforcement agencies surrounding Greene County Career Center and with the District Safety Officer.

Campus crime, arrest and referral statistics include those reported to the District Safety Officer, other campus individuals, and the Xenia Police Department. These statistics may include crimes that have occurred in private residences or businesses near the school and is not required by law.

10.5: Safety Drills

Periodic fire and tornado safety drills take place at the Greene County Career Center without prior notice. A log of safety drills is maintained by the school nurse.

10.6: Possession, Use and Sale of Alcohol and Illegal Drugs

The possession, sale, or the furnishing of alcohol or illegal drugs is governed by Greene County Career Center Board of Education Policy and Ohio State Law. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Greene County Career Center has been designated "drug free" and only under certain circumstances is the consumption of alcohol

10.7: Campus Safety and Security (Cleary Act Disclosures)

The Campus Security Act requires all school receiving certain federal funds to disclose campus crime statistics to employees, students, and potential students. Copies of this report are available in the Peace Officer Basic Training office and on the website at www.greeneccc.com.
