A Conversation Between NHED and NH Families

Attention Pelham School District families!

Our school district is being monitored by the NH Department of Education's Bureau of Special Education Support for compliance with special education laws and ensuring that all children have access to free, appropriate public education.

This is an **invite only** event for the Bureau to hear from **families and caregivers directly impacted by Special Education**.

Join us to:

- Learn: Gain knowledge about the monitoring process in NH.
- Share: Your thoughts and address specific areas of success in your district.
- Shape the Future: Share recommendations you have for improvement.
