Mr. Jeffrey T. Soles
Superintendent of Schools

May 5, 2023

Parents and Guardians,

PSSA testing will continue through May 12, in grades three through eight. Please check your child's school website for their testing schedule.

Keystone testing will occur from May 15 to May 25, in Algebra, Biology, and Literature. Please check your child's school website for their testing schedule.

Through Federal Programs, the District is able to provide each K-5 elementary student a free Summer Bridge book to help them prepare for the next school year. To claim your free Summer Bridge book, please complete the survey on our website, located under Summer Learning in the Titan Cyber Academy tab. But hurry, you must sign-up by May 10 in order to receive your free Bridge Book.

Parents, please visit the TCA webpage for summer school information.

There are two surveys on the website that the District is asking parents to complete. The first is the Needs Assessment survey for Title 1.

The second is a survey for parents to complete relating to your transportation needs for next year. In order for our transportation provider to create bussing routes for efficiency they would like to know your intentions for next school year. Both surveys are located on the District's home page.

Parents, please visit the District's calendar on the webpage for a listing of all the different events.

A date to remember is May 16, 2023, election day. Students and teachers will be working remotely on this day.

Thank you and have a great weekend.
