Remote Learning Day on Monday, January 6, 2025

Dear Parents and Guardians,

Due to the severe weather forecast for Monday morning, the West Mifflin Area School District will implement a remote learning day on Monday, January 6, 2025. This decision has been made with the safety of our students, staff, and community in mind.

Students are expected to participate in remote learning activities as outlined by their teachers. Please ensure that your child logs into their learning platform at the appropriate time and completes the assignments provided. If your child encounters any technical issues, please reach out to their teacher or the school's technology support team.

In-person learning will resume on Tuesday, January 7, 2025. Please ensure your child returns to school prepared for a productive day of learning.

We appreciate your understanding and cooperation as we prioritize the safety and well-being of our school community. If you have any questions or concerns, please do not hesitate to contact your child's school office.

Thank you for your support.
