NMS Football

The NMS football program is a fall sports activity at Nordonia Middle School. All 7th and 8th graders who are academically eligible are welcome to join. Our official football season runs August to October. However, our commitment is year round in the classroom, community, and weight room. Our program prides itself on competition and servant leadership. While we play the game of football, our greater goal is to have a positive and lasting impact on the youth we work with. Having intention and purpose help us to accomplish this mission. We focus on the details of school and football on a day to day basis. Upon exiting our football program, student athletes will not only have knowledge of the greatest game in the world, but will also leave a better student and community member. All details can be found on the Nordonia Middle School Athletic Website

Please contact Jeff Fox or Kelly Labonte for information regarding the Nordonia Middle School Program.

Power of the Pen

Power of the Pen

Power of the Pen is a fun, creative writing club based around voice and artistic expression! Each week, we meet to share creative writing strategies that we then apply to our own pieces in 40 minute, timed writing sessions. You will also get a chance to share your ideas with other writers and hear some great stories!

Anyone and everyone is free to be a part of Power of the Pen by attending our weekly meetings! However, due to limited spots, only 6 writers + 1 alternate writer for each grade will be selected as our “Competition Team.” All members of the Competition Team will compete at the District Tournament, where you compete against writers from other schools. Qualifiers will then have the chance to move on to the Regional Tournament, and even the State Tournament later in the year!

Student Council

- ▶ Our goal is to promote a more positive school climate.
- ▶ We coordinate spirit days, school dances, community service projects and more.
