

VOLUNTEERS NEEDED!

Rushwood Field Day Friday, May 24th 2024

9:00-11:15 3rd & 4th

1:00-3:00 1st & 2nd

1:15-3:00 Kindergarten (Mrs. MacRaild, Mrs. Juhasz Mrs. Beck & Mrs. Polito)

Field Day is quickly approaching! Field day is a day the kids look forward to and enjoy, and it cannot be done without your help. If you would like to volunteer to help run a station, please fill out and return by Friday May 17th or **ASAP**. Please arrive 20 minutes prior to your sign up time to go over field day station information. Please keep in mind, that if you are signing up, your help will be needed to run a station so field day can run smoothly. If weather conditions are poor (heavy rain/thunder storms) Field Day will be cancelled and a movie will be shown in the gym, so unfortunately your help will not be needed. Please understand that our goal is to have field day even in some rain, but will be forced to cancel if conditions are too dangerous. I am also requesting parents bring at least 10 filled water balloons if possible the day of the event. Thank you for your help!!
