PROCEDURES

HIRING REQUIREMENTS

If the district is hiring substitute teachers and education support professionals, district administrators will interview applicants. Please complete the online application at www.d23.org.

All substitute teachers for District 23 must have a valid Illinois Professional Educator License (PEL) or Substitute License (SUB) registered in North Cook Region 05 in order to work in the district. Substitute program assistants must have a PEL, SUB, or ELS (PARA) license. Program assistant who hold an ELS (PARA) license and have a Bachelor's Degree on file with the Illinois State Board of Education may also sub as a teacher. All Nurse substitutes must have a current Illinois RN license or PEL with the School Nurse endorsement.

It is also required that substitutes must obtain a fingerprint-based background check through the North Cook Intermediate Service Center in Des Plaines (847/824-8300) prior to substitute teaching in the district.

If hired, the substitute teacher will complete the employment process through Human Resources. You will be given information on the Frontline (formerly known as Aesop) electronic substitute calling system, have your ID photo taken and be given any additional information regarding our buildings.

While actively on the district sub list, you will be contacted at the end of each school year to inquire whether you wish to continue substituting for District 23.

SUBSTITUTE TRAINING

We will be utilizing the Global Compliance Network (GCN) to complete state mandated training. All tutorials must be complete by October 1st of the current school year and may be viewed during free periods of sub assignments. If a sub has completed any of the same tutorials for another district, they can submit a copy of the certificate of completion to Human Resources.

In addition to the training tutorials, we will host various training sessions throughout the year relating to the different systems used in our classrooms. Information will be provided through the Frontline web alerts.

ASSIGNMENTS

The number of days a retired teacher can work in a school year without impairing their retirement status is 120 days. It is the responsibility of the retired teacher to keep track of their days.

Substitute teachers that are not classified as a retired teacher and have a valid PEL may work an unlimited amount of days in a single school district, but not more than 120 days in a single consecutive assignment. A substitute teacher with a SUB license may work an unlimited amount of days in a single school district, but not more than 90 days in a single consecutive assignment.

We sincerely hope that you will make yourself available for a reasonable percentage of our substitute assignments. If you repeatedly decline substitute assignments, we will presume that it is mutually desirable to cease contacting you. Should you have a personal situation that would prevent you from substituting for a period of time longer than can be scheduled in Frontline, it

would be most helpful if you would call Carrie Hayes at 847/870-5553 to inform us of your temporary unavailability. It is important to keep the district informed of your status.

Due to the Affordable Care Act, there is a restriction of 91 hours per month set by the district to limit the number of hours a substitute may work in any capacity for the district over the course of a school year. This is managed through the Frontline substitute calling system, and if the limitation is reached, Frontline will show that no jobs are available to you for the balance of that month. Long-term substitute teachers are exempt for the duration of the specific assignment, but will be subject to any necessary limitations after the assignment is completed.

SCHOOL DAY

Your school day is the same as the teacher or support staff for whom you are substituting and you are expected to fulfill the regular duties of the staff member for whom you are subbing, which may include lunch supervision, bus duty or other duties assigned by the principal or assistant principal. The regular substitute day for grades kindergarten through 5th is from 8:00 a.m. - 3:00 p.m. If you are a half-day sub, the morning hours are 8:00 a.m. to 11:30 a.m. and the afternoon hours are 11:30 a.m. to 3:00 p.m. MacArthur hours are the same except that you are expected in the building by 7:50 a.m., as students arrive at 8:00 a.m. You are expected to report to the school on time and not leave the school before the shift ends, even if school ends earlier.

When arriving at any of the school buildings, please report to the office. You will need to sign in on the "Substitute Sign-in Sheet". The principal or designee will then give you specific instructions, if necessary. Substitute teachers are required to complete the work related to the teaching day. You may also have received instructions and/or lesson plans as an attachment in Frontline. Lesson plans of the regular teacher or support personnel should be followed as closely as possible. In the event no lesson plans are available, please notify the principal or designee for instructions.

A duty-free lunch period may be provided, and lunch may be purchased through the school lunch program. Arrangements for your lunch must be made before 8:30 with the school secretary. You are welcome to use the staff lounge and any appliances made available to our regular staff.

If you are required to fill in as a lunch supervisor during your duty-free lunch period, you will be compensated at the current year's lunch supervision rate. You should complete a time card at the school building, which the principal will sign and forward to payroll.

COMPENSATION AND BENEFITS

Substitutes are paid only for actual days worked. Substitutes are paid \$135 per day for random subbing. The rate of pay for a long-term teaching assignment is \$231 per day after working 21 consecutive days in the same assignment. After working the 21st consecutive day, you will be paid the long-term sub rate and retroactively paid the difference of \$121 for the initial 21 days.

Substitutes who serve in teacher aide or clerical positions are paid at a basic daily rate of \$135, with no increase in the rate regardless of the duration of service in the aide or clerical position.

Substitutes are paid on the 15th and 30th of each month. If you work anytime from the 1st to the 15th day of a month, you will be paid for those days on the 30th of that month. If you work anytime from the 16th to the last day of a month, you will be paid for those days on the 15th of the following month.

Employees are paid by electronic deposit and must access the district financial system to view and/or retrieve their advice of deposit. The link to the School ERP Pro Employee Portal is: <https://tyler-prospectheightssd23il.okta.com/>

Complete directions for logging in to the portal and viewing and printing are included with this handbook.

CONTINUED EMPLOYMENT

The school district has regularly scheduled breaks, including the summer break, when school is not in session. During these breaks the district provides you the assurance, in good faith, that you will return to work in the same or similar position at the completion of the break. Your continued employment is on an at-will basis, which means you or the district may cease employment at any time. If you decide to discontinue substituting for District 23, please contact Carrie Hayes at 847/870-5553 to let her know your intentions.

GENERAL RESPONSIBILITIES

Substitutes are expected to behave in a professional manner; this includes refraining from making judgmental and/or inappropriate remarks to others about personnel, students, parents, programs, facilities or schools in general. District 23 expects all substitutes to use good judgment in making decisions regarding proper supervision, safety, and appropriateness of the activities and materials as related to age of the children involved. **Non-class time responsibilities of the absent teacher shall be assumed by the substitute. This would include hall-duty, lunch duty, bus duty, playground, and times when students change classes from one room to another. Please come prepared and dress accordingly, as you may be outside for a period of time.**

One of the most important qualities a good substitute teacher demonstrates is strong classroom management. Occasionally, students will test a substitute to see where the limits are set. We expect our students to behave and to demonstrate courteous behavior at all times. This should be your expectation in every classroom in our school district. Please be aware that District 23 policy prohibits the use of corporal punishment.

All accidents (student or teacher) must be reported immediately to the school office. An accident report must be filled out for any injury by the end of the school day. Accident report forms are available in the nurse's office. You are covered under Workmen's Compensation insurance for any injury sustained in the course of normal school duties. Such injuries must be reported immediately to the building principal.

When children become ill, they should be sent to the nurse's office.

You should know the Fire Drill and Disaster procedures for the building in which you are working. Signs are posted in all District 23 classrooms. You should recognize the fire alarm and disaster signals, and also know how to report a fire. Familiarity with these drill procedures will enable you and the students to leave the building in a rapid, orderly manner.

Student records are confidential and the information found in them should never be discussed except with professional school personnel. If parent's request their child's records, refer them to the principal.

EMERGENCY SCHOOL CLOSINGS

In the event that school must be closed for emergency purposes prior to opening in the morning, individuals will be contacted by The School Messenger system. Notification will also be posted on the district website. Early monitoring of radio broadcasts is also recommended.

CONFIDENTIALITY

District employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student school records, personnel records, and the minutes of, and material disclosed in, a closed Board

of Education meeting. Internal information is any information, oral or recorded in electronic or paper format, maintained by the District or used by the District or its employees. The Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

PROHIBITION OF HARRASSMENT

School District 23 prohibits harassment against any employee, applicant for employment, volunteer, student, or student applicant based upon race, color, religion, sex, age, sexual orientation, national or ethnic origin, marital status or disability. Persons alleging such harassment based upon race, color, religion, sex, age, sexual orientation, national or ethnic origin, marital status or disability shall use the grievance procedures provided in School Board approved policy. (Board Policies 5:20, 7:20, 7:180, 2:260)

ABUSED AND NEGLECTED CHILD REPORTING

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child shall: (1) immediately report or cause a report to be made to the Illinois Department of Children and Family Services (DCFS) on its Child Abuse Hotline 800/25-ABUSE or 217/524-2606, and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to the Superintendent or Building Principal.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students. (Board Policy 5:90)

Principal, or contact the Superintendent's office. In addition to this Substitute Handbook, you are also directed to the following sources for information and guidance. A complete copy of the Board Policy Manual is available on line and can be found on our website at www.d23.org under the "Board of Education" tab.

No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, [410 ILCS 130/](#).

SUGGESTIONS FOR IMPROVEMENT

You are invited to make comments and suggestions as to how our substitute procedures might be improved. Procedures that school personnel can perform to make the work of the substitute teacher and support staff more effective will receive immediate attention. Problems might be overlooked if they are not called to our attention. Your cooperation in helping us to improve our substitute procedures will be very much appreciated.
