STAYING CONNECTED WITH YOU THROUGH PARENTSQUARE

We are very excited to be using a new communications tool to keep you informed and connected this year with your teachers and school.

ParentSquare provides a safe way for the school principal, teachers, staff, and parents to:

Send and receive school and class information

Share pictures and files

See calendar items

And much more . . .
All in one centralized place!

All school, grade level and classroom information will automatically be sent to your computer or phone via email and/or text – you don't have to do anything.

However, to take advantage of all that ParentSquare offers, including choosing your communication preference, simply sign in at parentsquare.com or download the free Mobile App!

The Help & Support question mark in the top right corner can help answer most of your questions. So join in!
