According to the College Credit Plus legislation, specifically [3333-1-65.12](#), college courses taken in the first 15 hours of a student's participation must be transferrable, part of a technical certificate program or pathway, a study skills or academic success course, or in the areas of computer science, information technology, anatomy, physiology, foreign language, or American Sign Language. These courses are called "Level I" courses.

The courses outlined in this document are the Columbus State CCP-eligible Level I courses*.

**This list is subject to change as programs and courses are updated.*

**All students must still meet the placement and/or prerequisite requirement for all courses in which they intend to enroll.*
