Wayne Trace Grover Hill Elementary

Grover Hill, Ohio 45849

Jennifer Knoblauch, Principal

Ph: (419) 587-3414

May 22, 2026

In accordance with *HB33* which requires school districts to make *Ohio's State Tests* scores available to parents by June 30th each year, *Spring 2026 Ohio's State Tests* results for students in grades 3-12 will be posted on your *ProgressBook* parent/student portal and app beginning Wednesday, May 27. Detailed family reports prepared by the *Ohio Department of Education and Workforce* will arrive in the district in late July and will be sent home, as they have been in the past.

You can access the *OST* scores in two ways:

1. Log into *ProgressBook* from the "Parent" tab of the school webpage as if to check grades, select "Assessment Scores" from the menu icon (top left) and choose "Next Generation Assessments" for students in grades 3-8 or "End of Course Exam" for students in grade 9-12.
2. Or, using the *ProgressBook* app, select "Assessment Scores" from the menu icon (bottom left) and select "Next Generation Assessments" (grades 3-8) or "End of Course Exam" (grades 9-12) from the drop-down arrow next to "Kindergarten Readiness Assessments."

The scores for each assessment are reported as a scaled score and a performance level. A scaled score of 700 is required to be proficient on all Ohio's State Tests. Performance levels are determined by the scaled score. On *ProgressBook*, the performance level is given as 1-5; and they are presented on family reports as Limited (1), Basic (2), Proficient (3), Accomplished (4), and Advanced (5).

If you have any questions regarding accessing your child's Ohio State Test scores on Progress Book, please contact me at 419-399-4100, ext.105.

Sincerely,

Jim Manz

Tim Manz
