

Board of Education

MEETING RECAP

SEPTEMBER | 2026

REPORTS & INFORMATION

- Superintendent Estep and members of the administrative team gave updates from the 2026-27 District Action Plan. [You can see that plan in full here.](#)
- Updates included a new KPI Dashboard to measure progress of the Destination NEXT Action Plan. Data collection for this will begin soon.
- Additionally, director of teaching and learning Shannon Kromer shared the new Characteristics of a Successful Student and Characteristics of a High-Performing Teacher. The implementation of these standards will take the whole school year with deeper work beginning at the October Mariemont Academy staff professional development day. By the end of the year, the goal is for all staff members to understand the characteristics and know how to enact them.
- Superintendent Estep also shared an article he wrote that was published in School Administrator Magazine in the August 2026 edition. The story focuses on the 12-year journey through the Destination 2026 strategic plan, and [can be found here](#) (beginning on page 39).
- Superintendent Estep reported that the district, and all four school buildings, will once again receive 5 out of 5 stars on the Ohio state report card.
- Assistant Superintendent Brent Wise shared results from the 2025-26 Caregiver survey. [Those can be found online here.](#)
- And information was shared about four new staff work groups that will form this year: Teacher Evaluation System (OTES), Technology, K-8 specials, and CCP/credentialing.
