

BRIDGES has great resources--all free and no password needed. (K-5)

- Go to: <https://bridges.mathlearningcenter.org/>
- Then click on Home Learning Resources
- Then, on the RIGHT side of the screen click on the appropriate GRADE under MATH AT HOME (*ok to try a grade below or above you want some extra challenge*) These change daily. There is a problem of the day and many links below it with games

STOP THE SUMMER SLIDE (k-6)

<https://sites.google.com/a/westboroughk12.org/k-through-6-math-curriculum/summer-math-1>

Many fun games, daily review calendars, family activities and more. All by grade level!

APPS USED IN CLASS

IXL k-12 (k-2 and 7-8 use it at MCS)

FRECKLE k-8 (3-6 use it at MCS)

IXL login:

Login username: lastnamefirstname@mariemont

Password: student 6 digit number

Both are also offering free summer access so feel free to try a different one if you want some variety.

SPLASH MATH could also be used to practice and review and is currently free.

Explore the **REMOTE LEARNING ACTIVITIES** from the Mariemont site.

<https://www.mariemontschools.org/RemoteLearningProgram.aspx>

Choose ENRICHMENT under the appropriate grade level to find many fun math activities.

Khan Academy <https://www.khanacademy.org/>

Khan Academy offers personalized learning resources for all ages. Video learning segments are followed by practice activities.
