Dear Parent,

The Kentucky Department of Education has selected a student records management software for all districts across the state called "Infinite Campus". This is a fully Web-based system and families can access their children's attendance records, grades, class assignments and more through the confidential Campus Portal.

If you are interested in this opportunity, please complete the information below and return to **Central Office** or your child's **School Secretary**. A unique User Name and Password will be mailed to your home along with instructions on how to access your child's information.

Please contact Trina Bussell at 987-2160 with any questions or additional information.

Student Name _____	Grade _____
Parent Name _____	
Current Address _____ _____	
Current Phone Number _____
