

NORTH CAROLINA ASSOCIATION FOR PUBLIC CHARTER SCHOOLS

PREFERRED PARTNERS NEWSLETTER

From the Executive Director

Charter school Association membership helps the entire charter school movement because your support strengthens our advocacy work in the legislature, courts, and the executive branch.

Your membership benefits your school's bottom line too. It opens the door to information, products, and services that increase operational success while saving your school time and money.

Our Preferred Partners Program highlights the business members who offer discounts on products and services exclusively to Association school members. These discounts are listed below in our quarterly e-newsletter.

There are many more incredible benefits to [Association membership](#)! Contact me to discuss joining today!

Yours for charter success,

Rhonda Dillingham
