

The Meadows Golf Club at Grand Valley State is excited to introduce our PGA Junior League program for the 2023 golf season!

The Meadows PGA Junior League program brings friends and families together through golf. Open to boys and girls ages 6-13, our PGA Jr. League program creates fun-filled, team golf experiences your kids won't forget with expert coaching from our GVSU/PGA Coaches!

Our PGA Jr. League teams are open to players of all skill levels, from true beginners to competitive golfers. Kids will learn and play in a two-person, scramble format that fosters mentorship among teammates. Over the course of each season, we see our players grow in confidence, learn to work as a team and develop problem-solving skills.

The Meadows PGA Jr. League season will run from the beginning of June until the beginning of August. The match schedule will consist of 5-6 matches against teams from other golf courses. Included in the program will be 5 practice sessions which will be held at The Meadows Academy Sunday afternoons. Match and practice dates are TBD.

2023 Pricing for the PGA Jr. League Program is \$299, which includes match competition, coaching/instruction sessions, uniforms, greens fees, opportunities for post season/All Star play, and a lot of fun! Parents are responsible for providing transportation to and from matches and coaching sessions.

To sign up and learn more about our PGA Junior League program, please visit the following link: <https://pgajrleague.com/junior-league-events/a0487a72-f967-4325-a00d-3885b06ac19a> . At this site, you can register your junior for the program. You will need to sign up for a MyPGA Account before making payment for the program.

If you have any other questions about the program, please contact our coaches:
