

SIBSHOPS

Did you know?

Sisters and brothers will likely have the longest-lasting relationship with a sibling who has special needs or disabilities. During their lives, they will experience the unique joys and concerns their parents do, yet few will have the chance to talk about their experiences with other siblings who “get it”.

Brothers and sisters of children with special needs, disabilities and chronic illness have a group that’s just for them, Sibshops. Sibshops are peer support groups that offer a safe and engaging space for siblings to learn, have fun, meet and be supported by other children who understand what it’s like to have a sibling with special needs.
