From the corner of 26th & Ashland | Principal's Update | Mr. Patrick Coleman

## Lorain HS - November Parent Newsletter 11/14/20 - So much to be thankful for!

Dear Families!

After what has been a rather different first semester than any of us have experienced previously, I'd like to use this space to focus on expressing my thanks to you as parents and caregivers for your continued support and understanding as we've navigated all of the challenges presented during our first semester together. While there obviously continue to be many challenges for our schools to face and overcome, I have been so impressed as our Lorain High School community has pulled together (from afar!) to help ensure that we overcome these obstacles, together.

I hope you'll join me in thanking our faculty, both teachers and support staff, for their hard work, care and relentless effort in ensuring that all students, despite the current challenges, are able to have access to great learning experiences, maximizing their potential.

I'd also like to thank the vast majority of our students, who have demonstrated so much resilience and determination over this first semester. You have done a fantastic job in managing these circumstances, keep up the amazing work!

Lastly, I want to thank the voters and the "Citizens for Lorain Schools Committee" for their tireless support of our children. To echo the sentiments shared by our Lorain School Board President Mark Ballard, shared at our last board meeting, "when times get hard, Lorain steps up".

Yes we do!

### *Parent-Teacher Conferences - 11/18/20 1*

Fall conferences will be held virtually on November 18th, from 2:30 pm - 8:30 pm. Teachers will be available during this window, with the exception of 5:00 pm - 6:00 pm, staff will take a dinner break at this time. [This link contains an alphabetical list of our teachers, with email addresses and a zoom link that they will use for their sessions.](#) We ask that you email the teachers in advance in order to schedule a time that works for you. From there, you'll simply click on the zoom link provided at the appropriate time. We are asking that teachers schedule ten minute time slots with each parent. You can "drop in" as well, however you might need to wait a bit if you do. Lastly, we ask that you please use your first and last name when you are prompted to enter a name.

Parent Teacher conferences are a wonderful opportunity for our teachers to learn from you with respect to how we can best support your students, and for you to get up to date information about their progress in class, as well as get answers to any questions that you might have.

We are looking forward to virtually meeting all of you on Wednesday night!

### *ACT Support!*

Seniors who want to improve their ACT score have the opportunity to do so twice this semester. The first is on Saturday, October 24th and the second on Saturday, December 12th. The test sites for October are Amherst Middle School and Avon Lake High School. We do not at this time however, have the waivers that make it free/"in the Mail".

Even though many colleges are "waiving" the ACT/SAT as an admission requirement for next year, these test scores will be used to determine merit scholarships. Schools will also be asking for letter of recommendation and essays in order to determine your worthiness if you choose not to submit test

scores. So, start thinking about who you will ask and thinking about the elements of "your story" for the essay part.

Colleges are also beginning to accept applications and the FAFSA becomes available on October 1. If you need help selecting a major, determining colleges to apply for or ACT registration, text at 440-308-7851 or email at [dnewman@collegenowgc.org](mailto:dnewman@collegenowgc.org). Remember, HE IS ON YOUR SIDE!

### *Athletic News! Seth Wilson signs with West Virginia!*

Lorain High standout senior guard Seth Wilson signed his national letter of intent to continue his basketball career at West Virginia University. Seth is a returning starter on last year's District Championship team where he averaged 13 points and 7 rebounds per game. He was named 1st Team All-Lake Erie League and 1st Team All-Lorain County. Seth also excels in the classroom where he is an honors student. His accolades over his career include:

- Starter as a freshmen for St. Vincent-St. Mary where the team won the state championship. During that season Seth scored the 2nd most points by a freshmen player in school history (most points was by LeBron James).
- 3rd Team All-NE District
- 2-time European Cup Champion (15u and 16u)
- European Cup MVP
- All-Ohio Nike Classic MVP
- Top 10 Point Guard in the Adidas Gauntlet

### *Covid Testing on Thursdays moved to Southview Middle School*

To be able to participate in Winter sports activities all athletes in grades 7-12 must have completed a Covid-19 exam. Starting next week, testing sites will be:

- Tuesdays in the parking lot outside of the fieldhouse at the stadium from 9am-3pm.
- Thursdays in the gym at Southview Middle School from 9am-3pm.

Any student that plans on participating in a Winter sport must be tested each week on either Tuesday or Thursday. If an athlete does NOT test on either Tuesday or Thursday of a given week then that athlete is not permitted to participate until they test the following week AND we get their results back.

*For any questions, please call the LCS athletic department (440.830.4008) or visit [lorainathletics.org](http://lorainathletics.org).*

### *Student Support Team Structure at LHS*

**Student Support Teams** - Often in large comprehensive high schools, Assistant Principals, Guidance Counselors and in many instances Social Workers, serve students according to their current grade level. This results in students being re-assigned a new Assistant Principal, Counselor, etc.. at the start of each school year. We believe that the relationships that we develop with our students and families are as important as any other aspect of our work. To this end, we are going to be servicing students by alphabetical breakdown, whereas an Assistant Principal, a Guidance Counselor, and a Social Worker will serve as the leadership foundation for each of these *Student Support Teams*. Your child's Student Support Team assignment will remain consistent for their four years at Lorain High. This means students and families won't need to rebuild relationships with new AP's, Counselors and Social Workers each year. Additionally, our teams will sharpen their synergy and collaborative approach to supporting kids and families, as they develop deeper professional relationships over time. [Click on this link to view our Student Support Team breakdown](#),

## *Daily Bell Schedule - Attendance Guidelines*

We are facilitating synchronous (live) instruction on Mondays, Wednesdays, and Fridays. On these days students will follow an amended bell schedule ([linked here](#)) and will engage in live instruction with their teachers via a web conferencing application known as Zoom. Students need to attend these virtual classes on these days or they will be marked absent. Tuesdays and Thursdays will be asynchronous (work at your own pace) days. On “asynch” days, teachers will be available for extra support via office hours, and students will have the time and space to progress on assignments and projects. For more information on how each day will be structured, [click here!](#)

***\*\*It is a violation of Ohio Revised Code/Child Labor laws for students to be scheduled for work during school hours. In alignment with the law, working during school hours is not permitted.\*\****

*Open with Care - Phase 2!*

**Phase 2 Planning** - We have begun internally planning for a potential return to school for our students. At this point we have hosted building level work group for four weeks. These work group sessions have focused on developing mitigation strategies and creating a schedule that supports students in both a hybrid and remote setting. Additionally, our district level Phase II work group has also met weekly. These meetings have focused on balancing the needs of the different grade bands (Elementary, Middle, and High) and working to develop district wide practices that support each grade band.
