

Little Flower Men's Club

1264 Arch Terrace Saint Louis, MO 63117

July 16, 2026

Calling All Golfers and Loyal Supporters of Little Flower!

It is my great honor to have been re-elected this year's tournament chairman of the 41st annual Little Flower Stinger Open, and I would like to cordially invite YOU to "Drive Out" and "Chip In" at our golf tournament on Saturday, September 26th, 2026 at the Norman K Probst Memorial Golf Course at Forest Park.

For more than four decades, the Stinger Open has brought together generations of Little Flower families, alumni, parishioners, neighbors, and friends for a day that's about far more than golf. It's about reconnecting with old friends, sharing stories, making a few new memories, making fun of others' golf swings, and celebrating the community that so many of us were fortunate enough to call home.

The Stinger Open remains the primary fundraiser for the Little Flower Men's Club. The Men's Club continues to work hard to support parish events and, perhaps just as importantly these days, to keep our Little Flower community connected.

As always there will be an A & B flight, a skins game, etc. Invite your family and friends, especially Little Flower alums! To register for the tournament and/or the Awards Dinner, please respond to me with your team information and payment by September 12th.

If you would like to sponsor a hole, please fill out and return the enclosed donation form. Promotional items are also welcome.

On behalf of the children of the former Little Flower School and the entire Little Flower community, we thank you for "Driving Out" and "Chipping In" and look forward to seeing you on the 26th!

Sincerely,

M Joseph Bult II
Tournament Chairman

Tournament Committee:

Leo Bub, Matt Giljum, Dan Koontz, Lance Reinagel (Chairman Emeritus)
