## TITLE ONE READING

“The more that you  
read, the more things  
you will know. The more  
that you learn, the  
more places you’ll go.”

-Dr. Seuss

## WHAT IS TITLE 1?

Title 1 is one of the nation's largest Federal Programs through which school districts receive federal funding to provide supplemental instruction for students based upon academic need. The goal is to increase performance and academic achievement in the area of language arts. Schools are identified as Title 1 based on the economic level of the families who attend. The number of students receiving free and reduced lunch qualify a school to receive Title 1 funding. Our Title 1 program is designed to help students in grades K-6 improve their achievement in reading by providing tiered instruction and intervention resources that are tied to raising the student's achievement.

## HOW CAN PARENTS GET INVOLVED?

Your involvement is an integral part of your child's education! By taking an active role in our school, parents show their children that they are valued and that education is important. Below you will find a variety of ways that you can be involved in the education of your child.

- Read to and with your child daily.
- Attend open houses, PTSO meetings, and parent involvement activities.
- Attend parent/teacher conferences.
- Volunteer in your child's classroom.
- Communicate regularly with your child's teacher.

## PARENT'S RIGHT-TO-KNOW NOTICE

In accordance with federal legislation, the No Child Left Behind Act (NCLB), school districts that receive Title 1 federal funds are required to notify parents of their right to request information regarding the professional qualifications for their child's teacher including degrees and certifications held and whether the teacher is certified in the area he/she is teaching. If you wish for more information regarding your child's educators, please contact your child's school principal.
