

WEST MIFFLIN AREA ALUMNI ASSOCIATION

For More Information

Lance Maha ('85)
WMAAA President
lmaha@wmasd.org

West Mifflin is more than the place where we went to school. It is where friendships were formed, traditions were shared, and the foundation for so many futures began.

The West Mifflin Area Alumni Association brings Titans together across generations to strengthen connections, celebrate our alumni, preserve the history and traditions of our district, and create opportunities for today's students.

Whether you graduated five years ago or fifty years ago, you remain an important part of the West Mifflin story.
