

Learn How to File the FAFSA

Do you need help with filing the Free application for Federal Student Aid (FAFSA®)? Join us as we walk you through how to file the 2021-22 FAFSA. The FAFSA is used by students to apply for financial aid such as grants, work study and student loans. You will be able to ask our Higher Education Access Partners questions about the FAFSA during this interactive webinar.

Following the presentation, students and families can call 1-800-722-8289 to speak with an expert and receive one-on-one assistance with any financial aid questions. **The phone number will only be available from 7:30 – 8:30 PM the night of the presentation.**
