13. **The Superintendent recommends approval of the following resolution:**

The Superintendent recommends that the Board approve the Owner-Consultant Agreement with Patriot Engineering and Environmental, Inc. (Patriot) for geotechnical investigation services for the Parking Lot Project (Project) in a not-to-exceed amount of \$3,450.

Background:

1. The Board will soon be undertaking the Parking Lot Project.
2. Prior to Work beginning on the Project, geotechnical investigation services are needed.
3. After determining the fee for these services would be less than \$50,000 and reviewing the Board’s design professional qualifications file, the Superintendent solicited a proposal for geotechnical investigation services from Patriot as the most qualified firm, negotiated a fee, and prepared an agreement with Patriot, which includes total compensation in an amount not to exceed \$3,450.
4. The Superintendent recommends that Patriot be selected as the consultant to provide geotechnical investigation services for the Project and further that the agreement with Patriot be approved.

The Greene County Joint Vocational School District Board of Education resolves as follows:

1. Based upon the recommendation of the Superintendent, the Board selects Patriot as the most qualified consultant to provide geotechnical investigation services, approves the owner-consultant agreement in the not-to-exceed amount of \$3,450, and authorizes the execution of the agreement by the Superintendent and Treasurer on behalf of the Board.

14. **The Superintendent recommends approval of the following resolution:**

**SELECTING THE CONTRACTOR FOR THE PARKING LOT PROJECT AND AUTHORIZING THE AGREEMENT WITH THE CONTRACTOR**

The Superintendent recommends BlueScope Construction, Inc. (“BlueScope”) as the contractor who is in the best interest of the Greene County Joint Vocational School District Board of Education (the “Board”) for the Parking Lot Project (the “Project”) and requests authority to negotiate an agreement with BlueScope based upon its proposal and to execute the agreement at the satisfactory conclusion of negotiations.

Rationale:

1. The Project is not subject to the bidding statute, R.C. 3313.46, because the scope of the Project falls outside the parameters of that statute, as it is not a “school building” as defined in Ohio Administrative Code Section 4101:1-2-01.
2. The Superintendent, working with other administrators and legal counsel, reviewed and evaluated BlueScope’s submitted proposal and determined that it was in the best interest of the Board.
3. The Superintendent recommends that the Board select BlueScope as the contractor who is in the best interest of the Board for the Project.
4. The Superintendent requests authority to negotiate an agreement with BlueScope for the Project and to execute the agreement at the satisfactory conclusion of negotiations in an amount not to exceed \$550,000.00.

The Greene County Joint Vocational School District Board of Education resolves as follows:

1. Based upon the recommendation of the Superintendent, the Board selects BlueScope as the contractor who is in the best interest of the Board for the Project.
2. The Board authorizes the Superintendent to work with legal counsel to negotiate an agreement with BlueScope for the Project, based upon BlueScope’s proposal, and execute the agreement at the satisfactory conclusion of the negotiations in an amount not to exceed \$550,000.00.
