**8500D - PROCEDURE FOR PROVIDING LUNCH TO STUDENTS**

It is the responsibility of the parents to provide for lunch for their children while at school. However, it is important to provide that children receive the nutrition they need to stay focused during the school day. This procedure shall apply in the event that a child neither has a lunch nor the funds to purchase a lunch.

Students will be furnished with a nutritious alternate lunch up to one (1) time per week.

Parents may also pay for school meals via the Internet through the District's Nutrition Services website.
