

January 2025 Newsletter

Greene County Career Center (GCCC) is excited to announce that over 600 applications have been received for the 2025-2026 school year. While the priority consideration window officially closed on January 9th, there's still plenty of time for students to apply. However, applications submitted after this date will be considered after the first round of decisions. To ensure all prospective students have a chance to explore GCCC's diverse programs, the center will be hosting Greene Days on the first Wednesday of February, March, and April, offering an excellent opportunity for students to see firsthand what GCCC has to offer.

In addition to Greene Days, GCCC will be holding our highly anticipated Open House on February 27th from 4:30 to 6:30 PM. This event will provide a welcoming space for students and families to tour the facility, explore the various lab programs, and learn about the exciting career pathways available. Whether students are just starting to explore their options or have been accepted and are ready to take the next step in their educational journey, our Open House is the perfect chance to connect with staff and gain valuable insights into the opportunities at GCCC!

Baking Holiday Joy

Culinary Arts students partnered with Former First Lady Mrs. Hope Taft to bake over 500 cookies for the women at the Marysville Reformatory for Women, contributing to their holiday party. Despite the demands of the holiday season, this thoughtful collaboration highlights the power of community and compassion.

By sharing their time and skills, the students helped spread a touch of sweetness and hope, demonstrating that even small acts of kindness can bring joy and connection during the festive season.

Gingerbread Gives Back

GCCC recently hosted a Gingerbread House Contest, where students showcased their creativity by submitting beautifully crafted gingerbread houses for voting. To cast a vote, participants brought in donations, all of which were given to Family Promise of Greene County.

Contest winners and Criminal Justice Seniors, Ella Renkas (Fairborn) and Grace Bohm (Beavercreek) enjoyed their well-earned pizza party and had the opportunity to personally deliver the collected donations to Family Promise. A special thanks to Carissa Cox (Beavercreek) for assisting with the deliveries. Together, our students and staff demonstrated the true meaning of community and holiday giving!

SOCHE's 20 Under 20

Dylan Perry was honored with a prestigious 20 Under 20 award, sponsored by the Southwestern Ohio Council for Higher Education (SOCHE), in recognition of his exceptional accomplishments at Netdemics. This award celebrates young professionals under the age of 20 who have made significant contributions in their fields, and Dylan's innovative work and dedication have set him apart. His efforts at Netdemics have demonstrated remarkable skill, creativity, and a drive to excel, making a meaningful impact on his team and the broader community. Dylan's achievement highlights his bright future and the promise of continued success in his career.

Upcoming Dates

Happy School Board Recognition Month!
