E. Personnel - The provider will assure that licensed personnel perform professional responsibilities as scheduled. The provider agrees that all personnel or individuals providing services will be protected by Worker's Compensation, Professional Liability Insurance and other coverages as required by law. All personnel working with students must complete a fingerprint based criminal background check within ten (10) days of the start of the contract. Fingerprint reports will be at the contractor's expense.

F. Professional Development - Expenses and financial compensation for ongoing professional development training for contractor personnel will be the responsibility of the contractor. The district may occasionally provide in-house training.

Fingerprints and Background Checks

Fingerprints and Background Checks Per Section 1 Section 22-10-3.3 NMSA 1978 (being Laws 1997, Chapter 238, Section 1) New Mexico Statutes and State Board of Education Rules require that all applicants who have been offered employment, contractors, and contractor's employees with unsupervised access to students be fingerprinted in order to establish positive identification for a state and federal criminal background check. Central Consolidated School District will also require said applicants or prospective contractors to pay for the cost of obtaining the fingerprints and background check. Employment or contract may be denied under the Criminal Offender Employment Act if the 26 background check reveals a history of convictions of felonies or misdemeanors, or other information (supported by independent evidence) that could establish unfitness for working in proximity to children and youth. Records and any related information shall be privileged and shall not be disclosed to a person not directly involved in the employment decision regarding the applicant or contractor.

If your proposal is accepted and a contract is awarded, contractor(s) must complete the fingerprinting process prior to serving CCSD students. Ongoing contractor(s) and/or contractor's staff/employees who will have unsupervised access working in proximity to students will be required to complete the fingerprinting process every two (2) years.

Fingerprinting process is conducted with the CCSD Human Resources Department. Candidates must bring picture identification, a Visa or MasterCard Debit/Credit card, or a cashier's check or money order in the payable to Central Consolidated School District in the amount of \$44.00. Cash and personal checks are not acceptable. The CCSD Human Resources Department will forward the cards and funds to the State and the Federal Bureau of Investigation.
