Adult Career Center Student Support Services

LCJVS wants you to succeed in your educational endeavors. We understand that being a student is only one part of your life and often barriers present themselves that make it difficult to make it to class or continue your education. Examples include transportation, child care, unemployment, referral to counseling, the stress of schoolwork, drug or alcohol abuse, learning challenges, legal issues, domestic violence or the need for food, clothing, medical/dental services, etc.

We want to help!

Confidential case management and referral to in-house and community resources are available through the Adult Career Center. Please contact me at 440-774-1051, ext. 22279 if you desire assistance.
