

PowerSchool

New User Interface

A New Look with New Features

The screenshot displays the PowerSchool SIS interface. The top navigation bar includes the PowerSchool SIS logo, a search bar, and utility icons for MBA Support, a star, a mail icon, a notification bell with 24 alerts, a help icon, and a user profile icon labeled 'SR'. The main content area is titled 'Start Page' and features a 'District Search' button. Below this is a search filter for 'Students' with a dropdown menu set to 'All'. A list of grade levels is shown: -3, PK3, PK4, K, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, F, M, All. There are links for 'Stored Searches', 'Stored Selections', 'View Field List', 'Advanced', and 'MultiSelect'. The 'Current Student Selection (0)' section shows a message: 'There are no search results.' Below this are buttons for 'Select By Hand', 'Select Action', and a dropdown arrow. A 'Daily Bulletin - Wednesday, June 14, 2023' section shows 'No bulletin items were found for this date.' A 'Legend' section shows 'Icons' and 'Date Entry'. On the right, the 'Quick Data' section features an 'Incident Count' line chart. The chart shows incident counts for each month from July to June, with a peak of 5 in April and 2 in June. A horizontal blue line represents the 'Average' at 0. A 'View Incidents' link is located below the chart. The left sidebar contains navigation icons for People, Attendance, Health, School Enrollment, Courses and Programs, Data and Reporting, District Management, and System Management.

Modern Design Allowing for Easier Navigation

Reorganization of the Navigation Information Architecture creates a more intuitive task-based menu structure for seamless navigation and reduced onboarding time.

The screenshot displays the PowerSchool SIS interface with a reorganized navigation menu. The left sidebar contains the following categories and sub-items:

- People
 - Students
 - Staff
 - Contacts
- Attendance
- Health
- School Enrollment
- Courses and Programs
- Data and Reporting
- District Management
- System Management

The main content area is organized into four columns of task-based options:

- Student Searches**
 - Search by GPA
 - Search for Attachments
 - Search for Students** (highlighted)
 - Search Log Entries
 - Digital Equity & Learning Preference Search
- Student Account Management**
 - Assign IDs and Passwords
 - Assign New Student Numbers
 - Change Student Field Values
 - Mass Create Family Links
- Student Administration**
 - All Incidents
 - Mass Assign Counselor
 - Mass Graduation Plan Selection
 - Print Mailing Labels
- Student Reports**
 - Custom Student List
 - Export Using Template
 - Graduation Plan Progress Report
 - Graduation Plan Progress Summary
 - Historic Graduation Plan Progress Report
 - Print a Student Report
 - Quick Student Export
 - Student Schedule Report

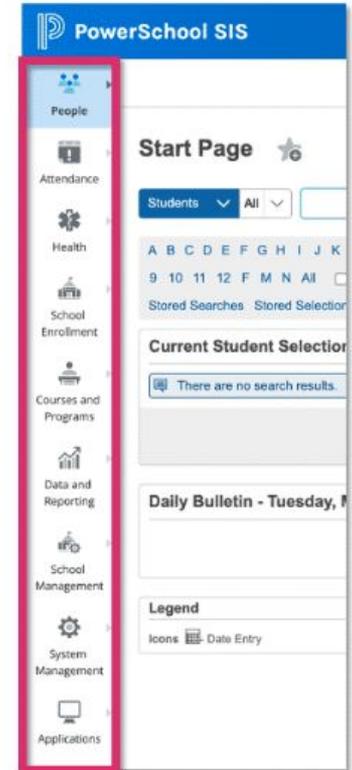

On the right side, there is a search bar, a "Blur Students Data" checkbox, and a "District Search" button. Below these are several data entry fields and buttons, including "Select By Hand", "Select Action", and a "Quick Data" sidebar with a line graph showing data for July, August, and September.

Reorganization of the Navigation Information Architecture creates a more intuitive task-based menu structure for seamless navigation and reduced onboarding time.

Using Main Menu Tools

- **People** – Searches, management, reports for students, staff, and contacts
- **Attendance** – Attendance management and reports
- **Health** – Health dashboards
- **School Enrollment** – Enroll, re-enroll, transfer, fees
- **Courses and Programs** – Mass register, course fees, master course schedule
- **Data and Reporting** – Importing, exporting, data management
- **School Management** – Setup for grading, attendance, courses, teacher applications, user access
- **System Management** – System reports, security
- **Applications** – PowerScheduler, PowerLunch, other systems

Reorganization of the Navigation Information Architecture creates a more intuitive task-based menu structure for seamless navigation and reduced onboarding time.

Locating Frequently Viewed Pages

Here are some navigation paths for tools you have likely used frequently. Notice that in some cases, the names of the pages have also been updated.

Classic Task	Enhanced UI Path
Teacher Schedules	Select People , choose Staff , and then Teacher Schedules
Attendance Dashboard	Select Attendance and then Meeting Attendance (or Daily Attendance)
Enroll New Student	Select School Enrollment and then Enroll New Student
Enrollment Summary	Select School Enrollment and then Enrollment Summary
Master Schedule	Select Courses and Programs and then Master Course Schedule
Quick Export	Select Data and Reporting , choose Exports and then select Quick Staff Export or Quick Student Export

Reorganization of the Navigation Information Architecture creates a more intuitive task-based menu structure for seamless navigation and reduced onboarding time.

Favorites provides a space for organizing personalized categories and frequently used pages to create workflows and mini dashboards.

The screenshot displays the PowerSchool SIS interface. The top navigation bar includes the PowerSchool SIS logo, a search bar, and user information (MBA Support, SR). The left sidebar contains navigation icons for People, Attendance, Health, School Enrollment, Courses and Programs, Data and Reporting, District Management, and System Management. The main content area is titled "Start Page" and features a "District Search" button, a filter dropdown set to "Students", and a "Current Selection" section showing "Selection changed to (1)". Below this is a table for "Current Student Selection (1)" with columns for Student, Student Number, Grade Level, Date of Birth, School, and Homeroom. The table contains one entry for Mickey Kyle Mouse. A "Daily Bulletin" section for Wednesday, June 14, 2023, shows no items. A "Legend" section is also visible. On the right, a "Quick Data" section displays an "Incident Count" line chart with data points for each month from July to June. The chart shows a peak of 5 incidents in April and 2 in June. A "View Incidents" link is provided below the chart. The "Favorites" sidebar on the far right lists categories like Compliance, System Management, and Student Profile, with a "Demographics" item highlighted by a yellow arrow. At the bottom of the sidebar are "Manage Favorites" and "Favorite Current Page" options.

Differentiation between registration for courses and enrollments into schools.

This screenshot shows the 'Courses and Programs' menu in a software interface. The left sidebar contains navigation options: Health, School Enrollment, Courses and Programs (highlighted), Data and Reporting, and District Management. The main content area displays a list of options:

- All Student Programs
- Invalid Requests
- Mass Assign Student Programs
- Mass Register
- Mass Remote and Summer School Registration
- Master Course Schedule

At the bottom of the menu, there are 'Icons' and 'Date Entry' options. The background shows a grid with columns labeled -3, PK3, PK4, K, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 and a date 'ay, June 14, 2'.

This screenshot shows the 'School Enrollment' menu in a software interface. The left sidebar contains navigation options: Attendance, Health, School Enrollment (highlighted), Courses and Programs, and Data and Reporting. The main content area displays a dropdown menu with the following options:

- Enroll New Student
- Enrollment Summary
- Mass Re-enroll in School
- Mass Transfer Out of School
- Next School Indicators
- Provisional Enrollment
- Set Next School Indicator
- Set Summer School Indicator

At the top of the dropdown menu, there are filters for 'Students' (highlighted in red) and 'All'. The background shows a grid with columns labeled 5, 6, 7 and a date 'ay, Jun'.
