January 10th&17th

Poetry Club

January 11th

No School for Students

January 16th

No School for Students

January 27th

2-Hour Early Dismissal

Congratulations to Ms. Zebrowski

Arconic Foundation has partnered with United Way of Southwestern Pennsylvania to provide middle and high school students with the resources they need to improve their ability to learn and participate in school and inspire them to enroll in, engage with and aspire to careers in STEM. Arconic Foundation's support will be leveraged in a very focused effort to dramatically improve the lives of students struggling to attend school, meet testing standards, and achieve academic success. The School Champion program offers up to 10 public schools within Allegheny County the opportunity to receive STEM related equipment, supplies or training opportunities valued at up to \$5,000 for the 2022-2023 school year.

The West Mifflin Area Middle School has been awarded a grant of over \$3,000 and includes robotic equipment, consumable and non-consumable materials for the STEM lab, maker space resources, and staff training.

PTA Meeting Dates

- September 19th
- October 17th
- November 11th
