# 6TH GRADE

# TEAM MARVEL

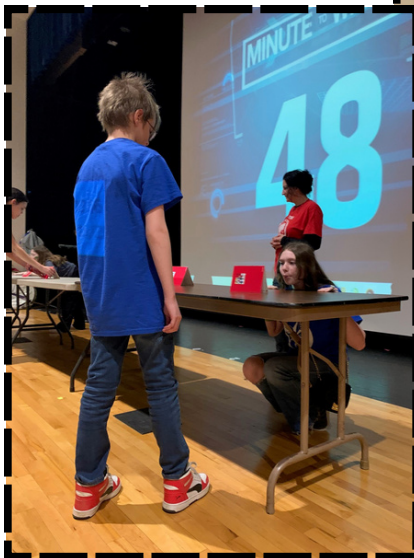

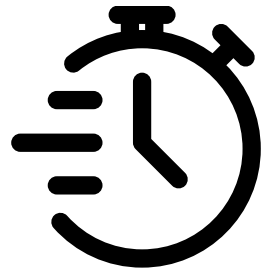

**Social Studies Team Marvel students are studying Ancient Egypt and have explored the mummification process, then "Mummified" Apples. We will be monitoring them for the next 3 weeks.**

**They also "Mummified" our class big bear for fun!**

# 6TH GRADE

## MINUTE TO WIN IT

# GREEN TEAM

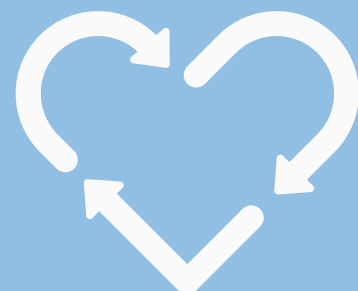

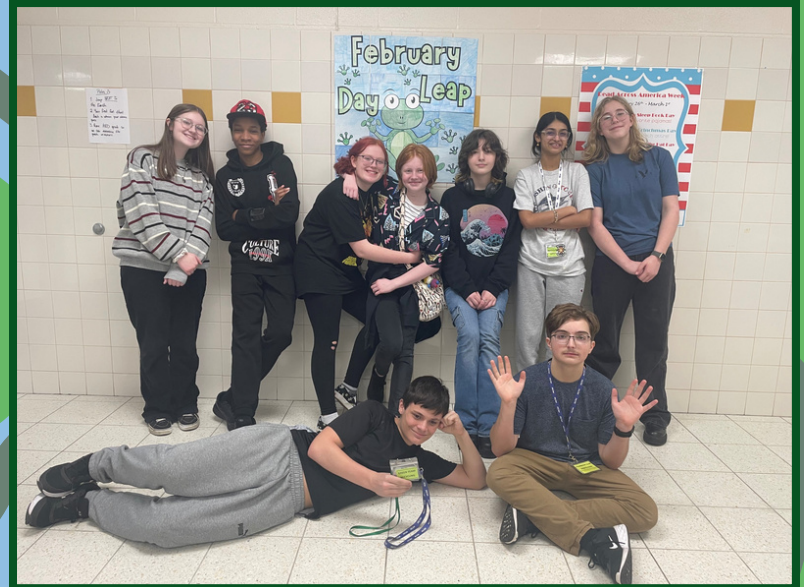

## ANNOUNCEMENTS

Due to PSSA Testing, Earth Day plans will be postponed until a later date, however, our 8th Grade GREEN TEAM has been busy recycling paper around the building throughout the school year to help save our Beautiful Trees! We have some Earth Day Green Team Club activities planned for after PSSA testing also so stay tuned!

### Celebrate by:

- Recycle more 😊
- Plant a tree!
- Go outside for a hike, walk, or picnic
- Just ENJOY NATURE with your family (try to be device-free!)
- GO GREEN! Small changes can make a BIG DIFFERENCE over time!
- work on using natural sunlight and turn off the lights when you're not using them
- wash your clothes in cold water
- turn the thermostat DOWN a bit in the winter and UP a bit in the summer
- use fans over AC when you can
- collect rainwater and use it to water your gardens and lawns

# Science Dept. Notice

The students are off from school this day and with the right eye protection should be able to view the eclipse safely from home

Eclipse information:

Monday, April 8

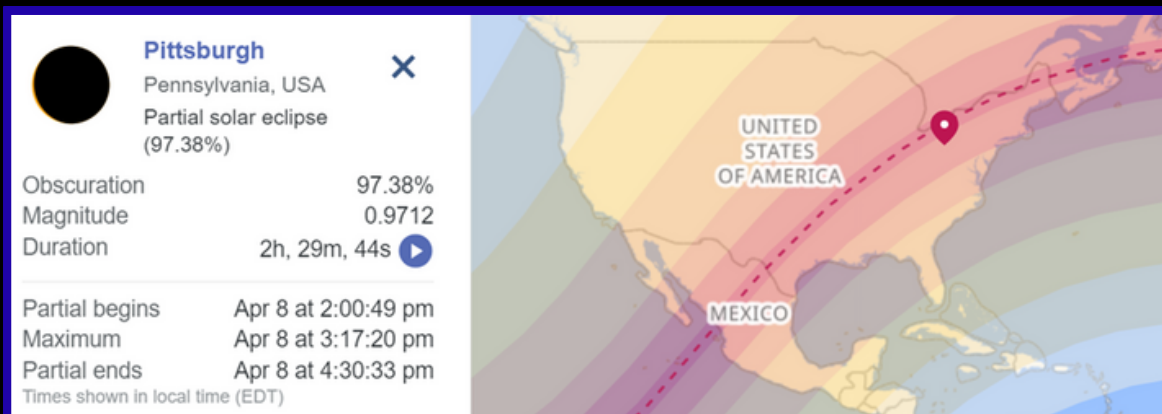

Pittsburgh (West Mifflin Area) will see a partial eclipse, but over 97% so it will almost look like the total!

Will begin at around 2pm

Full Eclipse at approx 3:17pm

Eclipse ends at 4:30pm

(\*see image below)

**\*\*ECLIPSE SAFETY TIPS\*\***- You cannot view the eclipse without proper solar-approved eclipse-viewing glasses! Regular sunglasses will not work! The sun's rays (while dimmed) will still severely damage your eyesight if you view the eclipse without proper eye protection!

Here is an example of a 6 pack of solar-eclipse viewing glasses from Amazon for only \$7.97!

Helpful Resources:
