

# MEET YOUR TEACHER

My name is Mr. Hodge and I am excited to have you in my class this school year. I believe you will find this class to be both, fun and challenging. I will work hard to help you succeed, and expect the same effort from you. Let's have a great school year!!

# THINGS I LOVE

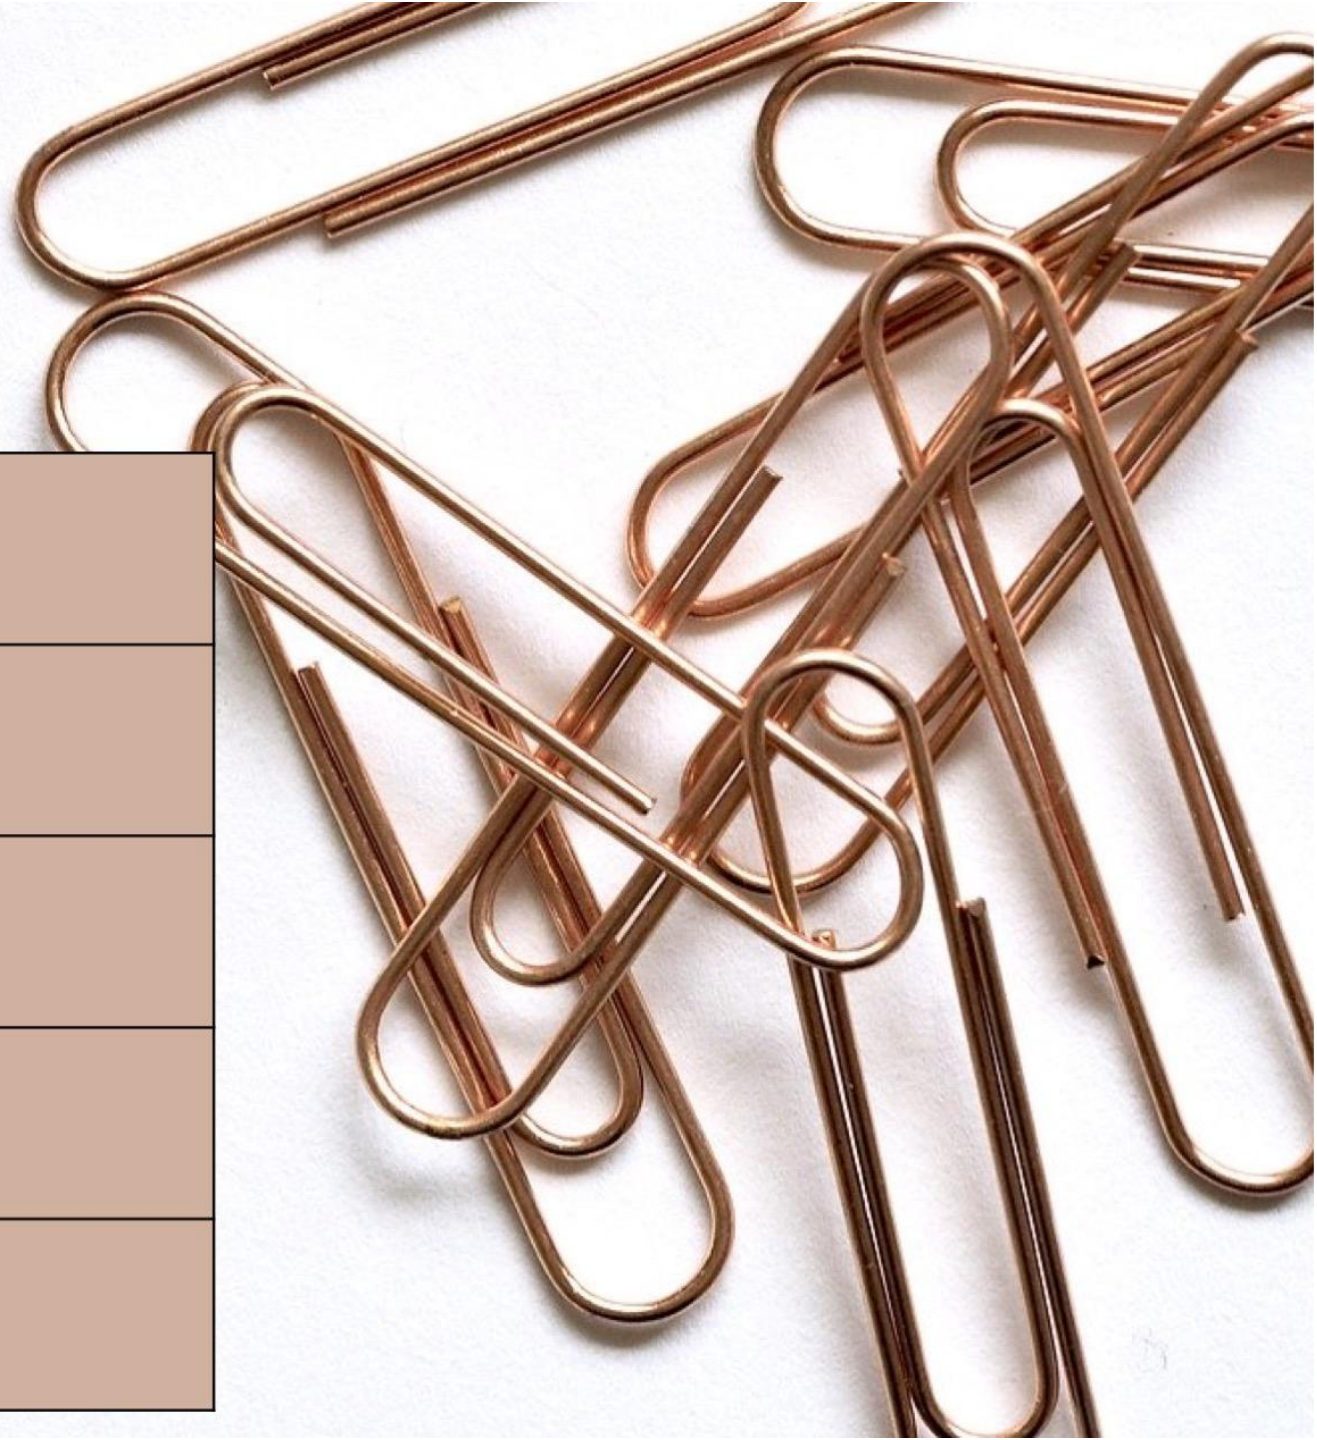

My favorite things are not things at all; they are my family. I love spending time with them, and simply enjoying life. We love to take trips, eat new foods, play lots of golf, and make memories together. I even kind of like our 2 dogs; ok I love them too!!
