 - LEAP Whole Group Testing

Note from Administration

As we enter the final 9-weeks of the school year, we would like to encourage all our students to finish the year strong. Once we return from Spring Break, we will begin our last push towards testing. During this time, teachers will be reviewing past material as well as covering new material that will be crucial to our students' success on state testing. We ask that each student be in attendance and ready to work and learn so they will have the best opportunity to be successful on this year's LEAP test.

End of year events are in the planning stages. Please follow our social media or contact us for finalized dates in the upcoming weeks. Thank you for trusting us with your child's education and for being a vital part of our school's community and family...

We only move forward together...It's gonna be an AWESOME year!!!
