3. Coordinating and monitoring the district’s compliance with Section 504 and Title II of the ADA, as well as state civil rights requirements regarding discrimination and harassment based on disability.
4. Overseeing prevention efforts to avoid Section 504 and ADA violations by necessary actions, including by not limited to, scheduling Section 504 meetings, implementing and monitoring Section 504 plans of accommodation and providing information to employees and supervisors.
5. Implementing the district’s discrimination complaint procedures with respect to allegations of Section 504/ADA violations, discrimination based on disability, and disability harassment; and
6. Investigating complaints alleging violations of Section 504/ADA, discrimination based on disability, and disability harassment.

The District’s procedure for resolution of complaints alleging violation of this policy is set forth in Policy 1700.

An individual with a disability should notify the Superintendent or building principal if they have a disability which will require special assistance or services and what services are required. This notification should occur as far as possible before the school-sponsored function, program, or meeting.
