Substitutes

The Board will regularly approve a list of acceptable substitutes for classified and certified staff that meet the guidelines as prescribed in this policy. Appearance on the substitute list authorizes the administration to call upon a substitute to temporarily work for the District, but does not guarantee employment.

All substitute employees will be required to undergo fingerprint and background checks. All substitute employees are subject to District Policies during their term of service to the District. All substitute employees shall abide by student and staff confidentiality standards during their term of service to the District.

Substitute Certified Staff

The Board authorizes the use of substitute teachers that appear on the list to replace teachers who are temporarily absent. The principal shall arrange for the substitute to work for the absent teacher. Under no condition is a teacher to select or arrange for their own substitute. A substitute teacher may be employed to carry on a teacher's duties not to exceed 35 consecutive teaching days.

If the absence of the regular, licensed, or authorized teacher continues for more than 35 consecutive teaching days, the Board of Trustees shall place a licensed teacher under contract or seek an emergency authorization of employment.

The Board annually, at the regular July Board meeting, establishes an hourly rate of pay for substitute teachers. No fringe benefits are given to substitute teachers.

Substitutes for Classified Staff

The Board authorizes the use of substitute employees that appear on the list to replace classified employees who are temporarily absent. The principal shall arrange for the substitute to work for the absent employee. Under no condition is an employee to select or arrange for their own substitute.

Substitutes for classified positions will be paid by the hour. When a classified employee is called upon to substitute for a teacher, the teacher sub rate shall apply unless the classified rate of pay is higher.
