

ADMINISTRATION

1 Professional Growth and Development

2

3 The Board recognizes that training and study for administrators contribute to skill development
4 necessary to better serve the District's needs. In December each year the Superintendent should
5 develop and present to the Board at the regular December Board meeting an administrative in-
6 service program based on the needs of the District, as well as the needs of individual
7 administrators.

8

9 Administrative staff are encouraged to be members of and participate in professional
10 associations which have as their purposes the upgrading of school administration and the
11 continued improvement of education in general.
