3 <u>Agenda</u>

4 5

The authority to set the board agenda lies with the Board Chair in consultation with board

members and the administration. The act of preparing the board meeting agendas can be
 delegated to the Superintendent.

8

Any topics requested by Board members or members of the public must first be approved by the
 Board Chair before being placed on the agenda. Citizens wishing to make brief comments about
 school programs or procedures will follow the public comment procedures in district policy.

12

13 The agenda also must include a "public comment" portion to allow members of the general

14 public to comment on any public matter under the jurisdiction of the District which is not

specifically listed on the agenda, except that no member of the public will be allowed to

16 comment on contested cases, other adjudicative proceedings, or personnel matters. The Board

17 Chairperson may place reasonable time limits on any "public comment" period to maintain and

ensure effective and efficient operations of the Board. The Board shall not take any action on

any matter discussed, unless the matter is specifically noticed on the agenda, and the public has
 been allowed opportunity to comment.

21

22 Copies of the agenda for the current Board meeting, minutes of the previous Board meeting, and

relevant supplementary information will be prepared and distributed to each trustee at least
 forty-eight (48) hours in advance of a Board meeting and will be available to any interested

citizen at the Superintendent's office forty-eight (48) hours before a Board meeting. An agenda

for other types of Board meetings will be prepared, if circumstances require an agenda.

27

28 Consent Agenda

29

30 To expedite business at its meetings, the Board may approve the use of a consent agenda, which

includes those items considered to be routine in nature. Any item that appears on the consent

32 agenda may be removed by a member of the Board. Any Board member who wishes to remove

an item from the consent agenda must give advance notice in a timely manner to the

34 Superintendent. Remaining items will be voted on by a single motion. The approved motion

will be recorded in the minutes, including a listing of all items appearing on the consent agenda.

3637 Minutes

38

39 Appropriate minutes of all meetings required to be open must be kept and must be available for

40 inspection by the public. If an audio recording of a meeting is made and designated as official,

41 the recording constitutes the office record of the meeting. If an official recording is made, a

42 written record of the meeting must also be made and must also include:

43

• Date, time, and place of the meeting;

1420 Page 1 of 3

1420 Page 2 of 3

- Presiding officer;Board members recorded as absent or present;
- Summary of discussion on all matters discussed (including those matters discussed
- during the "public comment" section), proposed, deliberated, or decided, and a record of any
 votes taken;
- 6 Detailed statement of all expenditures;
- 7 Purpose of recessing to closed session; and
- 8 Time of adjournment.
- 9

1

- 10
- 11 If the minutes are recorded and designated as the official record, a log or time stamp for each
- 12 main agenda item is required for the purpose of providing assistance to the public in accessing
- 13 that portion of the meeting.
- 14
- 15 Unofficial minutes shall be delivered to Board members in advance of the next regularly
- 16 scheduled meeting of the Board. Minutes need not be read publicly, provided that Board
- 17 members have had an opportunity to review them before adoption. A file of permanent minutes
- of Board meetings shall be maintained in the office of the Clerk, to be made available for
- 19 inspection upon request. A written copy shall be made available within five (5) working days
- 20 following approval by the Board.
- 21
- 22 <u>Quorum</u>
- 23
- No business shall be transacted at any meeting of the Board unless a quorum of its members is
- 25 present. A majority of the full membership of the Board shall constitute a quorum, whether the
- 26 individuals are present physically or electronically. A majority of the quorum may pass a
- resolution, except as provided in § 20-4-203(1), MCA, and § 20-4-401(4), MCA.
- 28
- 29 <u>Electronic Participation</u>
- 30
- 31 The Board may allow members to participate in meetings by telephone or other electronic
- 32 means. Board members may not simply vote electronically, but must be connected with the
- 33 meeting throughout the discussion of business.
- 34 If a Board member electronically joins the meeting after an item of business has been opened,
- the remotely located member shall not participate until the next item of business is opened. If the
- 36 Board allows a member to participate electronically, the member will be considered present and
- 37 will have his or her actual physical presence excused. The member shall be counted present for
- ³⁸ purposes of convening a quorum. The Clerk will document it in the minutes when members
- 39 participate in the meeting electronically.
- 40
- 41 Any Board member wishing to participate in a meeting electronically will notify the Board
- 42 chairperson and superintendent as early as possible. The superintendent will arrange for the
- 43 meeting to take place in a location with the appropriate equipment so that Board members
- 44 participating in the meeting electronically may interact and the public may observe or hear the

2 <u>Notice Regarding Public Comment</u>

- 3
- 4 Montana law requires school districts and other public agencies to include on the agenda for
- 5 public meetings an item allowing public comment on any public matter not otherwise
- 6 specifically listed on the agenda that is within the jurisdiction of the agency. The public comment
- 7 portion of the agenda is not the time designated to hear items that are specifically
- 8 listed/identified on the agenda.
- 9
- 10 For those individuals who desire to address the Board during the public comment portion of the
- meeting, if you haven't already done so, please sign your name to the sheet and indicate the
- 12 general topic on which you will be commenting. The Board Chairperson will call individuals to
- speak in the order listed on the sheet provided. Please state your name prior to beginning your
- 14 comment. There will be an opportunity for citizens who have not signed in to comment at the
- 15 conclusion of the comment period. The Board would like to remind everyone in attendance to
- avoid violations of individual rights of privacy when providing comment. The Board is not
- authorized to hear comments on contested cases or other adjudicative proceedings.
- 18
- 19 By law, the District cannot take any action on any matter discussed during the public comment
- 20 portion of the meeting as those matters are specifically noticed on the agenda. The Board may
- take a matter raised during the public comment period under consideration for inclusion on a
- 22 future agenda.
- 23
- In accordance with Montana law, citizens have the right to comment on an item that is
- specifically listed on the agenda. Citizens will be permitted to do so when the item comes up for
- discussion and action. The board chair will indicate when the public has the opportunity to
- 27 comment prior to board action on a particular agenda item.
- 28
- 29 The Board Chair has the authority to manage all public comment periods and will do so in

THE BOARD OF TRUSTEES

Abstentions From Voting 1 2

Section 20-3-323(2), MCA, requires the minutes of each Board meeting to include the voting 3

records of each trustee present. As a general rule trustees should vote on all issues, unless 4

casting a vote would be a violation of law. Under Montana law, instances in which it would be 5

unlawful or inappropriate for a trustee to cast a vote on a particular issue include, but are not 6 necessarily limited to, situations when the Board is considering hiring the relative of a trustee.

- 7
- 8 9

In addition, a trustee shall be allowed to abstain from voting to avoid the appearance of

10 impropriety or the appearance of a perceived conflict. If a trustee abstains from voting, the

abstention should be recorded in the minutes and may include an explanation of the reasons for 11

12 the abstention. The Board discourages abstentions, unless the reasons are substantiated as provided herein. 13

1 <u>Uniform Complaint Procedure</u>

2

The Board establishes this Uniform Complaint Procedure as a means to address complaints 3 arising within the District. This Uniform Complaint Procedure is intended to be used for all 4 complaints except those involving challenges to educational material and those governed by a 5 specific process in state or federal law that supersedes this process or collective bargaining 6 agreement. Matters covered by a collective bargaining agreement will be reviewed in accordance 7 with the terms of the applicable agreement. 8 9 The District requests all individuals to use this complaint procedure, when the individual 10 believes the Board or its employees or agents have violated the individual's rights under state or 11 federal law or Board policy. Complaints against a building administrator shall be filed with the 12 Superintendent. Complaints against the Superintendent or District administrator shall be filed 13 with the Board. 14 15 The District will endeavor to respond to and resolve complaints without resorting to this formal 16 complaint procedure and, when a complaint is filed, to address the complaint promptly and 17 equitably. The right of a person to prompt and equitable resolution of a complaint filed 18 hereunder will not be impaired by a person's pursuit of other remedies. Use of this complaint 19 procedure is not a prerequisite to pursuit of other remedies, and use of this complaint procedure 20 does not extend any filing deadline related to pursuit of other remedies. 21 22

- Deadlines requiring District action in this procedure may be extended for reasons related but not
 limited to the District's retention of legal counsel and District investigatory procedures.
- 25
- 26 Level 1: Informal
- 27

An individual with a complaint is first encouraged to discuss it with the appropriate employee or building administrator, with the objective of resolving the matter promptly and informally. An

exception is that a complaint of sexual harassment should be discussed directly with an

31 administrator not involved in the alleged harassment.

- 32
- 33 Level 2: Building Administrator
- 34

When a complaint has not been or cannot be resolved at Level 1, an individual may file a signed and dated written complaint stating: (1) the nature of the complaint; (2) a description of the event

or incident giving rise to the complaint, including any school personnel involved; and (3) the

remedy or resolution requested. This written complaint must be filed within thirty (30) calendar

39 days of the event or incident or from the date an individual could reasonably become aware of

40 such event or incident. The applicability of the deadline is subject to review by the

41 Superintendent to ensure the intent of this uniform complaint procedure is honored.

1700 Page 2 of 3

When a complaint alleges violation of Board policy or procedure, the building administrator will 1 investigate and attempt to resolve the complaint. The administrator will respond in writing to the 2 3 complaint, within thirty (30) calendar days of the administrator's receipt of the complaint. 4 If the complainant has reason to believe the administrator's decision was made in error, the 5 complainant may request, in writing, that the Superintendent review the administrator's decision. 6 (See Level 3.) This request must be submitted to the Superintendent within fifteen (15) calendar 7 days of the administrator's decision. 8 9 When a complaint alleges sexual harassment or a violation of Title IX of the Education 10 Amendments of 1972 (the Civil Rights Act), Title II of the Americans with Disabilities Act of 11 1990, or Section 504 of the Rehabilitation Act of 1973, the building administrator shall turn the 12 complaint over to the applicable District nondiscrimination coordinator. The coordinator shall 13 ensure an investigation is completed in accordance with the applicable procedure. In the case of a 14 sexual harassment or Title IX complaint, the applicable investigation and appeal procedure is 15 Policy 3225P or 5012P. In the case of a disability complaint, the coordinator shall complete an 16 investigation and file a report and recommendation with the Superintendent for decision. Appeal 17 of a decision in a disability complaint will be handled in accordance with this policy. 18 19 Level 3: Superintendent 20 21 If the complainant filed appeals the administrator's decision provided for in Level 2, the 22 Superintendent will review the complaint and the administrator's decision. The Superintendent 23 will respond in writing to the appeal, within thirty (30) calendar days of the Superintendent's 24

receipt of the written appeal. In responding to the appeal, the Superintendent may: (1) meet with

the parties involved in the complaint; (2) conduct a separate or supplementary investigation; (3)

engage an outside investigator or other District employees to assist with the appeal; and/or (4)

take other steps appropriate or helpful in resolving the complaint.

29

30 If the complainant has reason to believe the Superintendent's decision was made in error, the

complainant may request, in writing, that the Board consider an appeal of the Superintendent's

decision. (See Level 4.) This request must be submitted in writing to the Superintendent, within

- fifteen (15) calendar days of the Superintendent's written response to the complaint, for
- 34 transmission to the Board.
- 35

36 Level 4: The Board

37

³⁸ Upon written appeal of a complaint alleging a violation the individual's rights under state or

39 federal law or Board policy upon which the Board of Trustees has authority to remedy, the Board

- 40 may consider the Superintendent's decision in Level 2 or 3.
- 41 Upon receipt of written request for appeal, the Chair will either: (1) place the appeal on the
- 42 agenda of a regular or special Board meeting; or (2) appoint an appeals panel of not less than
- three (3) trustees to hear the appeal and make a recommendation to the Board, or (3) respond to
- the complaint with an explanation of why the appeal will not be heard by the Board of Trustees

1700 Page 3 of 3

in accordance with this policy. If the Chair appoints a panel to consider the appeal, the panel 1 will meet to consider the appeal and then make written recommendation to the full Board. The 2 3 Board will report its decision on the appeal, in writing, to all parties, within thirty (30) calendar days of the Board meeting at which the Board considered the appeal or the recommendation of 4 the panel. A decision of the Board is final, unless it is appealed pursuant to Montana law within 5 6 the period provided by law. 7 8 Cross Reference: 3210 – Equal Educational Opportunity and Nondiscrimination 9 5010 – Equal Employment Opportunity and Nondiscrimination 3225-3225P – Sexual Harassment of Students 10 5012-5012P – Sexual Harassment of Employees 11 12 Legal Reference: Title IX of the Education Amendments of 1972 (Civil Rights Act) 13 Title II of the Americans with Disabilities Act of 1990 14 § 504 of the Rehabilitation Act of 1973 15 16 Policy History: 17 Adoption on: February 2007 18 April 21, 2009, May 2021 19 Revised on: 20

1 Student Instruction

2

The School District has adopted the protocols outlined in this policy to ensure the delivery of education services to students onsite at the school and offsite at other locations using available resources. The District administration or designated personnel are authorized to implement this policy.

7 8

9

10

As outlined in District Policy 2100, and except for students determined by the School District to be proficient using School District assessments, the adopted calendar has a minimum number of 720 aggregate instructional hours for students in kindergarten through third grade; 1,080 hours

11 for students in fourth through eleventh grade; and 1,050 for students in twelfth grade.

12

13 The School District may satisfy the aggregate number of hours through any combination of

onsite, offsite, and online instruction. The District administration is directed to ensure that all

15 students are offered access to the complete range of educational programs and services for the

16 education program required by the accreditation standards adopted by the Montana Board of

- 17 Public Education.
- 18

19 For the purposes of this policy and the School District's calculation of ANB and "aggregate

20 hours of instruction" within the meaning of that term in Montana law, the term "instruction"

shall be construed as being synonymous with and in support of the broader goals of "learning"

and full development of educational potential as set forth in Article X, section 1 of the Montana

23 Constitution. Instruction includes innovative teaching strategies that focus on student

engagement for the purposes of developing a student's interests, passions, and strengths. The

term instruction shall include any directed, distributive, collaborative, and/or experiential

learning activity provided, supervised, guided, facilitated, work based, or coordinated by the

teacher of record in a given course that is done purposely to achieve content proficiency and

facilitate the learning and acquisition of knowledge, skills, and abilities by, and to otherwise

- 29 fulfill, the full educational potential of each child.
- 30

31 Staff shall calculate the number of hours students have received instruction as defined in this

32 policy through a combined calculation of services received onsite at the school or services

33 provided or accessed at offsite or online instructional settings including, but not limited to, any

combination of physical instructional packets, virtual or electronic based course meetings and

assignments, self-directed or parent-assisted learning opportunities, and other educational efforts

undertaken by the staff and students that can be given for grade or credit. Staff shall report

37 completed hours of instruction as defined in this policy to the supervising teacher, building

- 38 principal, or district administrator for final calculation.
- 39

40 In order to comply with the requirements of the calendar, District Policy, and Section 20-1-301

41 MCA, the District shall implement the instructional schedules and methods identified in this

- 42 policy.
- 43
- 44 Offsite Instruction

2	The Board of Trustees authorizes offsite instruction of students in a manner that satisfies the

9						
10	Offsite instruction is available to students:

17	4. Attending school in the nearest district offering offsite instruction that agrees to enroll the					
18	student when the student's district of residence does not provide offsite instruction in an

INSTRUCTION Grade Organization 1 2 3 The District maintains instructional levels for grades nine (9) through twelve (12). The grouping and housing of instructional levels in school facilities will be according to plans developed by 4 5 the Superintendent and approved by the Board. 6 7 Instructional programs will be coordinated between each grade. 8 9 A student will be assigned to an instructional group or to a classroom which will best serve the 10 needs of that individual while still considering the rights and needs of other students. Factors to be considered in classroom assignments are class size, peer relations, student/teacher relations, 11 12 instructional style of individual teachers, and any other variables that will affect the performance of the student. 13 14 15 Criteria for grouping will be based on learning goals and objectives addressed and the student's ability to achieve those purposes. 16 17 18 19 Definition of various schools 20 Legal Reference: § 20-6-501, MCA 21 22 Policy History:

1 Interscholastic Activities/Athletics

2

The District recognizes the value of a program of interscholastic activities/athletics as an integral 3 part of the total school experience. The program of interscholastic activities/athletics includes all 4 5 activities/athletics relating to competitive sport or intellectual contests, games or events, or exhibitions involving individual students or teams of students of this District, when such events 6 occur between schools outside this District. 7 8 Interscholastic activities/athletics enhance the quality of education through teaching character 9 education, sportsmanship, and ethical and socially responsible behavior. It is the responsibility of 10 our administration and activities/athletic staff to prove the educational worth of high school 11 interscholastic activities/athletics and to show that the lessons learned by participants in these 12 activities/athletics will reinforce and supplement the same goals as those of classroom teachers. 13 14 All activity/athletic programs will operate in compliance with District policy. All manuals, 15 handbooks, procedures, rules, or regulations, including subsequent changes, intended for use 16 within any activity/sport must be submitted to administration for review of compliance with 17 District policy prior to use. It is the responsibility of administration and activity/athletic 18 advisors/coaches to develop any such materials far enough in advance of the intended date of use 19 to allow for administrative review. 20 21 All facilities and equipment utilized in the interscholastic activity/athletic program, whether or 22 not the property of the District, will be inspected on a regular basis. Participants will be issued 23 24 equipment which has been properly maintained and fitted. 25

- 26 An activity/athletic advisor/coach must be properly trained and qualified for an assignment as
- described in the advisor/coach's job description. A manual which outlines the skills, techniques,
- and safety measures associated with an advising/coaching assignment will be developed and
- 29 maintained by administration and distributed to each activity/athletic advisor/coach. All
- 30 advisors/coaches will hold a current valid first aid certificate.
- 31

The Board recognizes that certain risks are associated with participation in interscholastic activities/athletics. While the District will strive to prevent injuries and accidents to students,

- activities/attiendes. while the District will strive to prevent injuries and accidents to students,
 each parent or guardian will be required to sign an "assumption of risk" statement indicating that
- the parents assume all risks for injuries resulting from such participation. This form is attached
- as **2151F1**. Each participant will be required to furnish evidence of physical fitness (physical
- form) prior to becoming a member of an athletic team sanctioned by the Montana
- 38
- 39 High School Association (MHSA). A participant will be free of injury and will have fully
- 40 recovered from illness before participating in any event.
- 41
- 42 Advisors/Coaches and/or trainers may not issue medicine of any type to students. This provision
- 43 does not preclude the advisor/coach and/or trainer from using approved first aid items.

1 Program Review

2

Administration and activities/athletics advisors/coaches must periodically, but not less than every 3 three years, fully review the activities/athletics program in alignment with the set of standards 4 5 listed below, utilizing the form attached as 2151F2. Every interscholastic activity/athletic program for which the school hires an advisor/coach and pays a stipend must be included in this 6 review. The full review must be presented to the Board at least every three years at the regularly 7 scheduled June Board meeting in the review year. Interim progress and plan presentations must 8 be made to the Board annually in non-review years at the regularly scheduled June meeting. The 9 full review and the interim presentations must include annual and cumulative demographic and 10 survey response data. 11 12

- 13 <u>Surveys</u>
- 14
- 15 Administration is required to survey participants, parents, and advisors/coaches to solicit
- 16 feedback on the quality of each program at the close of each activity/athletic season.
- 17 Administration must ensure that surveys are conducted in a manner that provides anonymity to
- 18 the respondents.
- 19

20 Survey participation is required. Parents and participants must acknowledge and accept this

- 21 responsibility prior to the student participating in any JHS interscholastic activity/athletic
- 22 program or sport. An acknowledgement form is attached as **2151F3**. Administration will
- 23 incorporate this acknowledgement/acceptance form in pre-season materials. Administration will
- 24 track survey participation.
- 25
- Survey templates are attached as **2151F4-5-6**. Survey items may not be removed except by
- approval of the Board. Survey items may be added at the discretion of administration in order to
- obtain more or better information relating to program standards and goals and improvement
- initiatives. Essay or free-form text survey questions may be used at the discretion of the
- 30 administration. Questions that would require a survey participant to give identifiable
- 31 information must not be used.
- 32
- 33 These review and survey processes are intended to be an evaluation of the activities/athletics
- 34 program and are not to be used as the sole evaluation of an advisor/coach. The Board recognizes
- 35 that supervision and evaluation of activity/athletic advisors/coaches rests with school
- administration. Data from the surveys associated with these policies may be used as a part of,
- but not as a substitute for, the regular advisor/coach evaluation process. In addition, the Districts
- recognizes that complaints about an advisor/coach should follow the Uniform Complaint
- 39 Procedure in Policy 1700.

The function of a coach is to educate students through participation in interscholastic 3 competition. An interscholastic program should be designed to enhance academic achievement 4 and should never interfere with opportunities for academic success. Each student should be 5 treated with the utmost respect, and his or her welfare should be considered in decisions by the 6 coach at all times. In all personal contact 12 • with students, officials, athletic directors, school administrators, the state high school 13 athletic association, the media, and the public, the coach shall strive to set an example of 14 the highest ethical and moral conduct. 15 The coach shall take an active role in the prevention of drug, alcohol, and tobacco abuse. 16 • The coach shall avoid the use of alcohol and tobacco products when in contact with 17 • players. 18 • The coach shall promote the entire interscholastic program of the school and direct his or 19 her program in harmony with the total school program. 20 The coach shall master the contest rules and shall teach them to his or her team members. 21 • The coach shall not seek an advantage by circumvention of the spirit or letter of the rules. 22 The coach shall exert his or her influence to enhance sportsmanship by spectators, both 23 • directly and by working closely with cheerleaders, pep club sponsors, booster clubs, and 24 administrators. 25 • The coach shall respect and support contest officials. 1 Family Engagement Policy

2

The Jefferson High School Board of Trustees believes that engaging parents/families in the 3 education process is essential to improved academic success for students. The Board recognizes 4 that a student's education is a responsibility shared by the district, parents, families and other 5 members of the community during the entire time a student attends school. The Board believes 6 that the district must create an environment that is conducive to learning and that strong, 7 comprehensive parent/family involvement is an important component. Parent/Family 8 9 involvement in education requires a cooperative effort with roles for the Office of Public Instruction (OPI), the district, parents/families and the community. 10 11 Parent/Family Involvement Goals and Plan 12 13 14 The Board of Trustees recognizes the importance of eliminating barriers that impede parent/family involvement, thereby facilitating an environment that encourages collaboration 15 with parents, families and other members of the community. Therefore, the district will develop 16 and implement a plan to facilitate parent/family involvement that shall include the following six 17 (6) goals; 18 19 20 1. Promote families to actively participate in the life of the school and feel welcomed, valued, and connected to each other, to school staff, and to what students are learning and 21 doing in class; 22 23 2. Promote families and school staff to engage in regular, two-way meaningful communication about student learning: 24 3. Promote families and school staff to continuously collaborate to support student learning 25 and healthy development both at home and at school and have regular opportunities to 26 strengthen their knowledge and skills to do so effectively; 27 4. Empower parents to be advocates for their own and other children, to ensure that students 28 are treated equitably and have access to learning opportunities that will support their 29 30 success: 5. Encourage families and school staff to be partners in decisions that affect children and 31 families and together inform, influence, and create policies, practices, and programs; and 32 6. Encourage families and school staff to collaborate with members of the community to 33 connect students, families, and staff to expand learning opportunities, community 34 services, and civic participation. 35 36 The district's plan for meeting these goals will: 37 38 39 1. Provide activities that will educate parents regarding the intellectual and developmental needs of their children at all age levels. This will include promoting cooperation between 40 the district and other agencies or school/community groups (such as parent-teacher 41 groups, Head Start, etc.) to furnish learning opportunities and disseminate information 42 regarding parenting skills and child/adolescent development. 43 44

2. Implement strategies to involve parents/families in the educational process, including:

For example, parents/family members should be given opportunities to provide input into district policies and volunteer time within the classrooms and school programs. 4. Provide professional development opportunities for teachers and staff to enhance their understanding of effective parent/family involvement strategies. 5. 1 <u>Title I Parent and Family Involvement</u>

- 2 3 The District endorses the parent involvement goals of Title I and encourages the regular participation of parents and family members of Title I eligible children in all aspects of the 4 5 program to establish the agency's expectations and objectives for meaningful parent and family involvement. The education of children is viewed as a cooperative effort among the parents, 6 7 family members, school, and community. In this policy the word "parent" also includes guardians and other family members involved in supervising the child's schools. 8 9 Pursuant to federal law the District will develop jointly with, agree upon with, and distribute to 10 parents of children participating in the Title I program a written parent and family involvement 11 policy. This may include meaningful consultation with employers, business leaders, and 12 philanthropic organizations, or individuals with expertise in effectively engaging parents and 13 family members in education. 14 15 At the required annual meeting of Title I parents and family members, parents and family 16 17 members will have opportunities to participate in the design, development, operation, and evaluation of the program for the next school year. Proposed activities to fulfill the requirements 18 necessary to address the requirements of parental-involvement goals shall be presented. 19 20 In addition to the required annual meeting, at least three (3) additional meetings shall be held at 21 various times of the day and/or evening for parents and family members of children participating 22 23 in the Title I program. These meetings shall be used to provide parents with: 24 1. 25 Information about programs provided under Title I; 26 2. A description and explanation of the curriculum in use, the forms of academic assessment 27 used to measure student progress, and the proficiency levels students are expected to 28 29 meet: 30 3. Opportunities to formulate suggestions and to participate, as appropriate, in decisions 31 relating to the education of their children; and 32 33 4. The opportunity to bring parent comments, if they are dissatisfied with the school's Title 34 I program, to the District level. 35 36 Title I funding, if sufficient, may be used to facilitate parent attendance at meetings, through 37 payment of transportation and childcare costs. 38 39 The parents and family members of children identified to participate in Title I programs shall 40 receive from the school 41 principal and Title I staff an explanation of the reasons supporting each child's selection for the 42 program, a set of objectives to be addressed, and a description of the services to be provided. 43

3 The District recognizes that the District and students may have a need for greater flexibility in the educational program due to funding, teacher availability, individual learning styles, health 4 5 conditions, employment responsibilities, lack of success in traditional school environments or a desire for students to accelerate their learning and work at the college level before leaving high 6 7 school. The District acknowledges that online learning solutions offered by the Montana Digital 8 Academy (MTDA) may fulfill these needs. 9 10 MTDA is authorized by Montana law to charge fees for students to access offered courses. The 11 District shall pay fees for students enrolled in an MTDA class that is required for graduation as specified in District policy or the student handbook or as determined by the Superintendent or 12 designee. The District may charge students a reasonable fee for an MTDA course or activity not 13 required for graduation. The Board of Trustees authorizes the Superintendent to waive the fee in 14 cases of financial hardship. Any courses the District does not pay for will not be included in the 15 ANB calculation in accordance with Policy 3121. 16 17 The Superintendent, and/or designees, shall be responsible for developing procedures for the 18 online learning program that address related topics that may include but are not limited to 19 specification and determination of graduation requirements and fee collection for classes that are 20 not required. 21 22 23 Further, the online learning solutions providers ensure that: 24 Online course providers are accredited by a nationally recognized accreditation

School Closure 1

2

The Superintendent may order closure of schools in the event of extreme weather or other

- 3 emergency, in compliance with established procedures for notifying parents, students, and staff. 4
- 5

The Board of Trustees is authorized to declare that a state of emergency exists within the

6 community. A declaration issued by the Board of Trustees is distinct from any declaration in 7

effect or previously issued by local, state, or federal authorities. An emergency declaration issued 8

9 by the Board of Trustees authorizes the School District to take extraordinary measures to protect

students and staff while delivering education services in a manner authorized by law. The 10

method and location of instruction and related educational services shall be implemented in a 11

12 manner that serves the needs of students, their families, and staff and preserves the School

- District's full entitlement of funding. 13
- 14

The trustees may order the emergency closure of schools for one school day each year, without 15

the need to reschedule the lost pupil instruction time when the closure is the result of an 16

emergency. The 1-school-day closure under this subsection is not subject to the reduction in 17

- 18 BASE aid pursuant to Section 20-9-805, MCA.
- 19

In the event of a declared emergency, the School District shall avail itself of all flexibilities 20

allowed by law, rule, or regulation and shall be otherwise governed by the school finance laws 21

and rules of the state of Montana. The School District shall comply with auditing requirements 22

and reserves the authority to assert its rights to manage school district funds or seek state and 23

federal funds in a manner consistent with the full flexibility available under all applicable laws. 24 25

If a declaration of emergency is declared by the Board of Trustees, it may later adopt a resolution 26 that a reasonable effort has been made to reschedule the pupil-instruction time lost because of the 27

unforeseen emergency. If the trustees adopt the resolution, the pupil-instruction time lost during 28

the closure need not be rescheduled to meet the minimum requirement for aggregate hours that a 29

school district must conduct during the school year in order to be entitled to full BASE aid. At 30

31 least 75% of the pupil-instruction time lost due to the unforeseen emergency must have been

made up before the trustees can declare that a reasonable effort has been made. 32

33

For the purposes of this and related policies, "reasonable effort" means the rescheduling or 34

extension of the school district's instructional calendar to make up at least 75% of the hours of 35

pupil instruction lost due to an unforeseen emergency through any combination of the following 36

The use of scheduled vacation days in the district's adopted school calendar;

1 School Closure

2

All students, parents, and school employees should assume that school will be in session and
 buses running as scheduled, unless there is official notification from the Superintendent to the

- 5 contrary. Such notice will be given via public media.
- 6

7 In the event extremely cold temperatures, wind chill factors, snow, wind, community disaster,

8 public health emergency, or other circumstances require a modification of the normal routine, the

9 Superintendent will make the modification decision prior to 6:00 a.m. and contact the public

radio stations for broadcast to the community and will initiate the emergency fan-out

- 11 communication procedure to all administrators.
- 12
- 13 The provisions of this procedure may be terminated, amended, or adjusted by the Board of
- Trustees in the event of circumstances requiring extended school closure due to a declaration of emergency.
- 16

17 Work Schedules and Responsibilities for School Closures

18

19 Superintendent

20

The Superintendent or Board of Trustees has authority to close schools. The Superintendent will be on duty throughout any existing or potential emergency situation, day or night. All orders of

23 doubtful origin should be confirmed with the Superintendent.

24

25 Central Administrative Personnel

26

27 Central administrative personnel will be expected to report for duty on their assigned shifts in the

event of any school closure, insofar as is safely possible, unless otherwise directed by the

29 Superintendent or designee. Additional hours may be required, especially of the maintenance

30 supervisor, business manager, and personnel director, depending on the nature of the emergency.

31 (delete: If it is absolutely impossible for a central administrator to report for duty, the

32 administrator may take the day as a personal leave day or vacation day, with the permission of

33 the Superintendent.)

34

35

36 Building-Level Administrators, Non-Teaching "Exempt" Personnel, and Key Support Staff

37

38 All building-level administrators and non-teaching "exempt" personnel will report for duty per

their normal shifts or as otherwise directed each day during the school closure, together with the

40 head custodian and at least one (1) secretary, insofar as is safely possible. The building

41 administrator will ascertain that the building has been adequately secured and that any child who

42 mistakenly reports to school is properly and safely cared for and returned home per District

43 policy. The administrator and this minimal support staff shall notify other staff and/or other

44 support employees of the situation and will respond to telephone questions. Staff will be advised

45 of schedule for the day by immediate supervisor.

12-Month Classified Employees

INSTRUCTION

1

2 3

In the event of school closure, 12-month classified personnel may report for duty or not report for duty, as directed by their immediate supervisor. Building secretaries and secretaries to key central administrative personnel who are required to be on duty are expected to report for duty. If a 12-month classified employee is unable to or does not report for duty, the employee will complete a leave request form to declare the day as personal leave, vacation, or leave without pay.

10 10- and 11-Month Classified Employees

11

Ten- and 11-month employees may report for duty or not report for duty as directed by their immediate supervisor. If such employees do not report for duty, they will complete a District

14 leave request form to declare the day as personal leave, vacation, or leave without pay.

15

16 Aides, Food Service Workers, and Other 9¹/₄-Month Classified Employees

17

These employees work only those days school is in session and are not expected to work when school is not in session. If school has been closed, 9¹/₄-month employees should not report for

19 school is not in session. If school has been closed, 9¼-month employees should not report for 20 duty unless otherwise directed by their immediate supervisor. 9¼-month employees will

- 21 complete a leave request form to declare the day as personal leave, vacation, or leave without
- 22 pay.

2324 Teachers (Teachers, Librarians, Psychologists, Counselors)

25

26 If schools are closed for weather or other emergency conditions, teachers are not expected to

27 report for duty unless directed otherwise. Teachers do not need to submit an absence form. In

cases of school closures, it is customary for the days to be made up at another time; thus teachers

29 will typically still fulfill their contract days.

Selection of Library Materials 1 2 The Districts' library has the primary objective of implementing and supporting the educational 3 program in the schools. It is the objective of the library to provide a wide range of materials on 4 all appropriate levels of difficulty, with diversity of appeal and the presentation of different 5 6 points of view. 7 8 The provision of a wide variety of library materials at all reading levels supports the District's 9 basic principle that the school in a free society assists all students to develop their talents fully so 10 that they become capable of contributing to the further good of that society. 11 In support of these objectives, the Board reaffirms the principles of intellectual freedom inherent 12 in the First Amendment of the Constitution of the United States and expressed in the School 13 Library Bill of Rights, endorsed by the American Association of School Librarians in 1969. 14 15 Although the Superintendent is responsible for selection of library materials, ultimate 16 responsibility rests with the Board. 17 18 The Board, acting through the Superintendent, thereby delegates authority for selection of library 19 materials to the principal in each of the schools. The principal further delegates that authority to 20 21 the librarian in the school. 22 (NOTE: BY STATUTE, THE SUPERINTENDENT HAS AUTHORITY AND IS 23 24 RESPONSIBLE FOR SELECTION OF LIBRARY MATERIALS, SUBJECT TO BOARD APPROVAL. INSTRUCTION 2310P Selection of Library Materials 1 2 Selection of library materials is a professional task conducted by the librarian with advice from 3 4 the appropriate staff members. In selecting library materials, the librarian will evaluate the 5 existing collection; assess curricula needs; examine materials, and consult reputable, 6 professionally prepared selection aids. 7 8 Weeding 9 10 When materials no longer meet criteria for selection, they will be weeded. Weeding is a necessary aspect of selection, since every library will contain works which may have answered a 11 12 need at the time of acquisition, but which, with the passage of time, have become obsolete, dated, unappealing, or worn out. 13 14 15 Discarded materials will be clearly stamped: 16 "WITHDRAWAL FROM JEFFERSON SCHOOL PUBLIC SCHOOL LIBRARY" 17 18 Materials will be discarded in compliance with § 20-6-604, MCA. When the decision to sell or 19 dispose of library materials is made, the Board will adopt a resolution to sell or otherwise 20 dispose of the material because it is or is about to become abandoned, obsolete, undesirable, or 21 unsuitable for the school purposes of the District. 1 Instructional Materials

2 3 The Board is legally responsible to approve and to provide the necessary instructional materials used in the District. Textbooks and instructional materials should provide quality learning 4 experiences for students and: 5 6 7 ٠ Enrich and support the curriculum; Stimulate growth in knowledge, literary appreciation, aesthetic value, and ethical 8 • 9 standards; Provide background information to enable students to make intelligent judgments; 10 • Present opposing sides of controversial issues: 11 • Be representative of the many religious, ethnic, and cultural groups and their 12 • contributions to our American heritage; 13 Depict in an accurate and unbiased way the cultural diversity and pluralistic nature of 14 • American society. 15 16 Basic instructional course material in the fundamental skill areas of language arts, mathematics, 17 science, and social studies should be reviewed at intervals not exceeding five (5) years. All 18 instructional materials must be sequential and must be compatible with previous and future 19 20 offerings. 21 22 Instructional materials may be made available for loan to students when the best interest of the District and student will be served by such a decision. Students will not be charged for normal 23 wear. They will be charged replacement cost, however, as well as for excessive wear, 24 unreasonable damage, or lost materials. Under no circumstances will it be necessary for staff to violate 13 copyright requirements in order to properly perform their duties. The District cannot be 14 responsible for any violations of the copyright law by its staff. 15 16 The display of dramatic performances, musical works, motion pictures, or television 17 programming to students may only occur for educational purposes under the following standards: 18 19 20 • During onsite instruction When viewed in a classroom or designated place of instruction 21 • • With a lawfully made copy or via an authorized account 22 • As a regular part of instruction and directly related to the curriculum 23 24 Employees should contact the administration with inquiries about accessing lawful copies of 25 materials or accounts to access materials available via online platforms to ensure compliance 26 27 with copyright laws. 28 Any staff member who is uncertain as to whether reproducing or using copyrighted material 29 complies with District procedures or is permissible under the law should consult the 30 Superintendent. Contests for Students Contests may be made available to students by outside organizations through the schools, subject to certain limitations. The administrator shall determine that the contest is not in conflict with nor will it diminish the primary educational aims of the schools and that it meets the needs and interests of students. The schools shall confine their participation to those national contests which are currently placed on the approved list published annually by the Committee on National Contests and activities of the National Association of Secondary School Principals. A state or local contest in which students participate shall be: 1. One that supplements and does not interfere with the regular school program. One that is beneficial to youth in education, civic, social, or ethical development. 2. 3. One that makes it possible for individual students to work out contributions by their own efforts and does not invite dishonest collaboration. 4. One whose subject is not commercial, controversial, sectarian, or concerned with propaganda. It must emphasize high moral standards, good citizenship, and intellectual competence. 5. One from which no contestant shall be excluded because of race, color, creed, sex, or payment of entry fee. 6. One which does not place an undue burden on students, teachers, or the school nor require frequent or lengthy absence of participants from the school. 7. One sponsored by an organization engaged in a creditable or acceptable enterprise, regardless of kind or amount of prizes offered. The contest or activity must not be used as a "front" for advertising a company name or product. Contests will not be allowed unless they further the educational goals of the District. **Policy History:** Adopted on: February 2007

Student Prayer and Discussion

Students may pray individually or in groups and may discuss their religious views with other students, as long as they are not disruptive or coercive. The right to engage in voluntary prayer does not include the right to have a captive audience listen, to harass other students, or to force

Statement of Policy

46 47

A student's right to participate in a commencement exercise of the graduating class at Jefferson 5 High School is an honor. As such, participation in this ceremony is reserved for those members 6 7 of the graduating class who have completed all state and local requirements for graduation before the date of the ceremony. Students who complete their requirements after the date of 8 9 commencement exercises will receive their diplomas at that time. 10 Organization and Content of Commencement Exercises 11 12 The school district will permit students to honor their American Indian heritage through the 13 display of culturally significant tribal regalia at commencement ceremonies. Any item that 14 promotes drug use, weapon use, threats of violence, sexual harassment, bullying, or other 15 intimidation, or violates another district policy, state, or federal law may not be worn during 16 graduation. 17 18 The school administration may invite graduating students to participate in high school graduation 19 exercises according to academic class standing or class officer status. Any student who, because 20 of academic class standing, is requested to participate may choose to decline the invitation. 21 22 The school administrators will censor any presentation or require any specific content but may 23 advise participants about appropriate language for the audience and occasion. Students selected 24 to participate may choose to deliver an address, poem, reading, song, musical presentation, 25 prayer, or any other pronouncement of their choosing. 26 27 The printed program for a commencement exercise will include the following paragraphs: 28 29 Any presentation by participants of graduation exercises is the private expression 30 31 of an individual participant and does not necessarily reflect any official position of the District, its Board, administration, or employees, nor does it necessarily indicate the 32 views of any other graduates. 33 The Board recognizes that at graduation time and throughout the course of the 34 educational process, there will be instances when religious values, religious practices, 35 and religious persons will have some interaction with the public schools and students. 36 37 The Board, while not endorsing any religion, recognizes the rights of individuals to have the freedom to express their individual political, social, or religious views. 38 39 40 Legal Reference: Art. 1 Work Based Learning Program

2

The Board recognizes that education should be making classroom experiences a meaningful process of learning about all practical aspects of life. The Board believes that the inclusion of career education in the basic curriculum will provide students with information about the many career opportunities available and will establish a relationship between what is taught in the classroom and the world of work.
Work-based learning must provide all participating students with on-the-job experience and training along with career and complimentary vocational/technical classroom instruction to

- 11 contribute to each student's employability. The students' classroom activities and on-the-job
- experiences must be planned and supervised by the school and the employer to ensure that both
- 13 activities contribute to the student's employability. Students enrolled in a work-based learning
- 14 program must receive credit for related classroom instruction and on-the-job training. In the
- absence of a proficiency model, the time requirement for students in work-based learning must
- 16 be converted and is equivalent to the time requirement for credit to be earned.
- 17

18 Students may submit a proposal for a tailored Work Based Learning program that divides their 19 time between instruction in school and specific learning at a job. Each proposed program will be

- planned by Work Based Learning coordinators and the employer (or employer groups) and shall
- be in accordance with state and federal laws and regulations governing employment of students
- 22 under age 18. The Work Based Learning coordinators will communicate with employers on a
- monthly basis and will visit work sites to determine if the placement is appropriate for student
 employment.
- 25
- 26 The particular program designed for each student shall be set forth in a written protocol approved
- by the student, his or her parents or guardians, the work-experience coordinator, and the
- employer. This shall stipulate the terms of employment and the provision for academic credit.
- 29
- The Work Based Learning coordinator shall make such arrangements as necessary with
- employers for evaluating the student's on-the-job performance and for keeping records of job
 attendance.
- 33

The employer or supervisor shall complete the District volunteer agreement form and satisfy a name-based and fingerprint criminal background check in accordance with District Policies 5120 and 5122. The employee and District shall also complete workers compensation insurance and general liability insurance requirements in accordance with the attached procedure in a manner

consistent with the Work Based Learning opportunity provided to the student.

In order to graduate from Jefferson High School, a student must complete twenty-one (21) 3 credits. Completion of a course at Jefferson High School will be defined as receiving a grade of 4 D- or higher and attendance to include not more than eight (8) absences per class per semester. 5 This attendance criteria is based on the theory that prompt and regular attendance in school is the 6 beginning of dependability in adult business, personal, and social life. Furthermore, regular 7 attendance is important, because valuable skills and information gained in the classroom may or 8 9 may not show up on tests or be reflected in an academic grade. The general welfare of all 10 students is best served by regular attendance. 11 1. A student will be allowed eight (8) absences per class, per semester. Any absence 12 beyond that number may mean a loss of credit in those subjects missed. 13 14 2. The ONLY absences that WILL NOT be used in calculating the attendance record are: 15 16 School-sponsored/Co-curricular Activities: Those that occur due to school-17 a. sponsored activities, since these are considered an 18 equivalent educational experience. These exemptions will apply to students 19 participating in sports events, cheerleading, music-related events, FFA trips, 20 academic field trips, and others deemed co-curricular. 21 22 23 b. Bereavement: a death of an immediate family (grandmother, grandfather, father, mother, sister, brother) and the associated activities when properly excused. 24 25 College visitations: Juniors and seniors are granted two (2) days of collegec. 26 organized college visitations per year. 27 28 d. Medical Illness: Illness or hospitalization verified by a doctor's statement. 29 30 Failure of a bus/Inclement Weather: Student's absence due to failure of a bus to 31 e. provide them transportation and/or road closure to the student's swellings. 32 33 3. Absences which will be counted in the eight-(8)-day limit will include such areas as: 34 family trips, work days, vacations, visiting friends or relatives, watching tournaments 35 36 when not an actual participant, hair, medical, dental, or photography appointments, skiing, hunting, court appearances, attending concerts, shopping, or any others not 37 mentioned which are unacceptable to the administration. 38 39 After the fourth (4th) and sixth (6th) and eighth (8th) absence from school/class, a letter or 4. 40 phone call to the parent or guardian will be made to notify them that their son/daughter is 41 42 approaching the maximum limit. 43 44 5. Students are expected to attend all assigned classes each day. Teachers shall keep a record of 3 absences and tardiness. Before the end of the school day, each school shall attempt to contact 4 every parent, guardian, or custodian whose childe is absent from school but who has not reported 5 the child as absent for the school day, to determine whether the parent, guardian, or custodian is 6 aware of the child's absence from school. 7 8 9 For the purpose of this policy "truant" or truancy" means the persistent non-attendance without excuse, as defined by this policy, for all or any part of a school day equivalent to the length of 10 one class period of a child required to attend a school under 20-5-13. "Habitual truancy" means 11 recorded unexcused absences of 9 or more days or 54 or more parts of a day, whichever is less, 12 13 in 1 school year. 14 The Jefferson High School district's definition of non-attendance without excuse is stated in the 15 Student Handbook. 16 17 The Jefferson High School district has appointed the principal as the attendance officer. 3125 Education of Homeless Children 1 2 Every child of a homeless individual and every homeless child are entitled to equal access to the 3 4 same free, appropriate public education as provided to other students. The District must assign and admit a child who is homeless to a District school regardless of residence and irrespective of 5 6 whether the homeless child is able to produce records normally required for enrollment. The 7 District may not require an out-of-District attendance agreement and tuition for a homeless child. 8 9 The Superintendent will review and revise as necessary rules or procedures that may be barriers to enrollment of homeless children and youths. In reviewing and revising such procedures, the 10 Superintendent will consider issues of transportation, immunization, residence, birth certificates, 11 12 school records, and other documentation. 13 Homeless students will have access to services comparable those offered to other students, 14 including but not limited to: 15 16 1. Transportation services; 17 18 2. Educational services for which a student meets eligibility criteria (e.g., Title I); 3. Educational programs for children with disabilities and limited English proficiency; 19 4. Programs in vocational and technical education; 20 5. Programs for gifted and talented students; and 21 School nutrition program. 22 6. 23 24 The Superintendent will give special attention to ensuring the enrollment and attendance of homeless children and youths not currently attending school. The Superintendent will appoint a 25 liaison for homeless children. 26 27 A "homeless individual" is defined as provided in the McKinney Homeless Assistance Act. 28 29 Anyone having a concern or complaint regarding placement or education of a homeless child 30 will first present it orally and informally to the District homeless liaison. To further ensure that 31 the District is removing barriers to the educational access and success of children and youths 32 who are homeless, and to ensure that Title 1 funding is expended in an appropriate manner, the 33 District has adopted the dispute resolution form at 3125F. 34 35 36 37 Cross Reference: 1700 Uniform Complaint Procedure 3125F McKinney-Vento Homeless Educational Assistance Dispute 38 **Resolution Form** 39 40 Legal Reference: McKinney Homeless Assistance Act 41 42 U.S.C. § 11431, et seq. 41 42 Sexual Harassment Grievance Procedure – Students The Board requires the following grievance process to be followed for the prompt and equitable resolution of student complaints alleging any action that would be prohibited as sexual harassment by Title IX. The Board directs the process to be published in accordance with all statutory and regulatory requirements. Definitions The following definitions apply for Title IX policies and procedures: "Actual knowledge": notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator or any official of the District who has authority to institute corrective measures on behalf of the District, or to any employee of an elementary or secondary school. "Education program or activity": includes locations, events, or circumstances over which the District exercised substantial control over both the individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment, and the context in which the sexual harassment occurs. "Complainant": an individual who is alleged to be the victim of conduct that could constitute sexual harassment. "Respondent": an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment. "Formal complaint": a document filed by a Complainant or signed by the title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation of sexual harassment. "Supportive measures": non-disciplinary, non-punitive, individualized services offered as appropriate, as reasonably available and without fee or charge to the Complainant or Respondent before or after the filing of a formal complaint or where no formal complaint has been filed. **District Requirements** When the District has actual knowledge of sexual harassment in an education program or activity of the District, the District will respond promptly in a manner that is not deliberately indifferent. When the harassment or discrimination on the basis of sex does not meet the definition of sexual harassment, the Title IX Coordinator will direct the individual to the applicable sex discrimination process, bullying and harassment policy, or public complaint procedure for investigation.

43 44

3225P Page 2 of 9

1 The district treats individuals who are alleged to be the victim (Complainant) and perpetrator

2 (Respondent) of conduct that could constitute sexual harassment equitably by offering supportive

3 measures. Supportive measures are designed to restore or preserve equal access to the District's

- education program or activity without unreasonably burdening the other party, including
 measures designed to protect the safety of all parties or the District's educational environment, or
- 5 measures designed to protect the safety of all parties or the District's educational environment, or 6 deter sexual harassment. Supportive measures may include counseling, extensions of deadlines
- or other course-related adjustments, modifications of work or class schedules, mutual restrictions

8 on contact between the parties, leaves of absence, increased security and monitoring of certain

9 areas of the District's property, campus escort services, changes in work locations, and other

- 10 similar measures.
- 11

12 The Title IX Coordinator is responsible for coordinating the effective implementation of

13 supportive measures. Upon the receipt of a complaint, the Title IX Coordinator must promptly

- 14 contact the Complainant to discuss the availability of supportive measures, consider the
- 15 Complainant's wishes with respect to supportive measures, inform the Complainant of the
- availability of supportive measures with or without the filing of a formal complaints, and explain

to the Complainant the process for filing a formal complaint. If the District does not provide the

18 Complainant with supportive measures, then the District must document the reasons why such a

- response was not clearly unreasonable in light of the known circumstances.
- 20

21 <u>Timelines</u>

22

The District has established reasonably prompt time frames for the conclusion of the grievance 23 process, including time frames for filing and resolving appeals and informal resolution processes. 24 The grievance process may be temporarily delayed or extended for good cause. Good cause may 25 include considerations such as the absence of a party, a party's advisor, or a witness; concurrent 26 law enforcement activity; or the need for language assistance or accommodation of disabilities. 27 In the event the grievance process is temporarily delayed for good cause, the District will provide 28 written notice to the Complainant and the Respondent of the delay or extension and the reasons 29 30 for the action.

- 31
- 32 Response to a Formal Complaint
- 33

At the time of filing a formal complaint, a Complainant must be participating in or attempting to participate in the education program or activity of the District with which the formal complaint is

participate in the education program or activity of the District with which the formal complation filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, by

electronic mail, or other means designated by the District.

38

39 The District must follow the formal complaint process before the imposition of any disciplinary

40 sanctions or other actions that are not supportive measures. However, nothing in this policy

41 precludes the District from removing a Respondent from the District's education program or

- 42 activity on an emergency basis, provided that the District undertakes an individualized safety and
- 43 risk analysis, determines that an immediate threat to the physical health or safety of any student
- 44 or other individual arising from the allegations of sexual harassment justifies removal, and

1	provides the Respondent with notice and an opportunity to challenge the decision immediately			
2	following the removal. A period of removal may include the opportunity for the student to

42 43 44		IX Coordinator also may dismiss the formal complaint or any allegations therein at any ig the investigation or hearing, if applicable, when any of the following apply:

- 1. A Complainant provides written notification to the Title IX Coordinator that the 1 Complainant would like to withdraw the formal complaint or any allegations therein; 2 3 2. The Respondent is no longer enrolled or employed by the District; or 4 5 3. Specific circumstances prevent the District from gathering evident sufficient to reach 6 a determination as to the formal complaint or allegations therein. 7 8 Upon dismissal, the Title IX Coordinator promptly sends written notice of the dismissal and the 9 reasons for dismissal simultaneously to both parties. The grievance process will close in the 10 event a notice of dismissal is provided to the parties. Support measure may continue following 11 dismissal. 12 13 **Evidence Review** 14 15 The District provides both parties an equal opportunity to inspect and review any evidence 16 obtained as part of the investigation so that each party can meaningfully respond to the evidence 17 prior to the conclusion of the investigation. The evidence provided by the District must include 18 evidence that is directly related to the allegations in the formal complaint, evidence upon which 19 the District does not intend to rely in reaching a determination regarding responsibility, and any 20 inculpatory or exculpatory evidence whether obtained from a party or other source. Prior to 21 completion of the investigative report, the Title IX Coordinator must send to each party and the 22 party's advisor, if any, the evidence subject to inspection and review in an electronic format or a 23 hard copy. The parties have 10 calendar days to submit a written response to the Title IX 24 Coordinator, which the investigator will consider prior to completion of the investigative report. 25 26 **Investigative Report** 27 28 The investigator must prepare an investigative report that fairly summarizes relevant evidence 29 30 and send the report to the title IX Coordinator. The Title IX Coordinator must send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for 31 their review and written response. The parties have 10 calendar days to submit a written response 32 33 to the Title IX Coordinator. 34 **Decision-Maker's Determination** 35 36 The investigative report is submitted to the decision-maker. The decision-maker cannot be the 37 same person(s) as the Title IX Coordinator or the investigator. The decision-maker cannot hold a 38 39 hearing or make a determination regarding responsibility until 10 calendar days from the date the Complainant and Respondent receive the investigator's report. 40 41 42 Prior to reaching a determination regarding responsibility, the decision-maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party 43
- 44 or witness, provide each party with the answers, and allow for additional, limited follow-up

questions from each party. Questions and evidence about the Complainant's sexual 1 predisposition or prior sexual behavior are not relevant, unless such questions and evidence 2 about the Complainant's prior sexual behavior are offered to prove that someone other than the 3 Respondent committed the conduct alleged by the Complainant, or if the questions and evidence 4 concern specific incidents of the Complainant's prior sexual behavior with respect to the 5 respondent and are offered to prove consent. Questions must be submitted to the Title IX 6 Coordinator within three calendar days from the date the Complainant and Respondent receive 7 8 the investigator's report. 9 The decision-maker must issue a written determination regarding responsibility based on a 10 preponderance of the evidence standard. The decision-maker's written determination must: 11 12 1. Identify the allegations potentially constituting sexual harassment; 13 14 2. Describe the procedural steps taken, including any notifications to the parties, 15 interviews with the parties and witnesses, site visits, methods used to gather evidence, 16 and hearings held; 17 18 3. Include the findings of fact supporting the determination; 19 20 4. Draw conclusions regarding the application of any District policies and/or code of 21 conduct rules to the facts; 22 23 5. Address each allegation and a resolution of the complaint including a determination 24 regarding responsibility, the rationale therefor, any recommended disciplinary 25 sanction(s) imposed on the Respondent, and whether remedies designed to restore or 26 preserve access to the educational program or activity will be provided by the District 27 to the Complainant; and 28 29 30 6. The procedures and permissible bases for the Complainant and/or Respondent to appeal the determination. 31 32 33 A copy of the written determination must be provided to both parties simultaneously, and generally will be provided within 60 calendar days from the District's receipt of a formal 34 complaint. 35 36 The determination regarding responsibility becomes final either on the date that the District 37 provides the parties with the written determination of the result of the appeal, if an appeal is 38 39 filed, or, if an appeal is not filed, the date on which an appeal would no longer be considered timely. 40 41 42 Where a determination of responsibility for sexual harassment has been made against the Respondent, the District will provide remedies to the Complainant that are designed to restore or 43 preserve equal access to the District's education program or activity. Such remedies may include 44

3225P Page 7 of 9

1	supportive measures; however, remedies need not be non-disciplinary or non-punitive and need				
2	not avoid burdening the Respondent. The Title IX Coordinator is responsible for effective				
3	implementation of any remedies. Following any determination of responsibility, the District may				
4	implement disciplinary sanctions in accordance with State or Federal law and/or the negotiated				
5	agreement. For students, the sanctions may include disciplinary action, up to and including				
6	permanent exclusion.				
7					
8	Appeals Appeals				
9					
10	Either the	Complainant or Respondent may appeal the decision-maker's determination regarding

12					
13	1.	Procedural irregularity that affected the outcome of the matter;			
14					
15	2.	New evidence that was not reasonably available at the time that could affect the			
16		outcome; and

18	3.	The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or			
19		bias for or against Complainants or Respondents generally or an individual			
20		Complainant or Respondent that affected the outcome.			
21					
22	The Distri	ct also may offer an appeal equally to both parties on additional bases.			
23					
24	The request to appeal must be made in writing to the Title IX Coordinator within seven calendar				
25	days after the date of the written determination. The appeal decision-maker must not have a				
26	conflict of interest or bias for or against Complainants or Respondents generally or an individual				
27	Complainant or Respondent and cannot be the Title IX Coordinator, the investigator, or the				
28	decision-maker from the original determination.				
29					
30	The appea	l decision-maker must notify the other party in writing when an appeal is filed and			
31	give both parties a reasonable equal opportunity to submit a written statement in support of, or				
32	challenging, the outcome. After reviewing the evidence, the appeal decision-maker must issue a				
33	written decision describing the result of the appeal and the rationale for the result. The decision

1 <u>Searches and Seizure</u>

2

The goal of search and seizure with respect to students is meeting the educational needs of 3 children and ensuring their security. The objective of any search and/or seizure is not the 4 5 eradication of crime in the community. Searches may be carried out to recover stolen property, to detect illegal substances or weapons or to uncover any matter reasonably believed to be a 6 threat to the maintenance of an orderly educational environment. The Board authorizes school 7 8 authorities to conduct reasonable searches of school property and equipment, as well as of students and their personal effects, to maintain order and security in the schools 9 10 The search of a student, by authorized school authorities, is reasonable if it is both: (1) justified 11 at its inception, and (2) reasonably related in scope to the circumstances which justified the 12 interference in the first place. 13 14 School authorities are authorized to utilize any reasonable means of conducting searches, 15 including but not limited to the following: 16 1. A "pat down" of the exterior of the student's clothing. 17 2. A search of the student's clothing including pockets; 18 3. A search of any container or object used by, belonging to or otherwise in the 19 possession or control of a student; and/or 20 4. Devices or tools identified in school district policy or the student handbook or 21 deemed necessary by the Superintendent or designee. 22 23 24 School Property and Equipment and Personal Effects of Students 25 School authorities may inspect and search school property and equipment owned or controlled 26 27 by the District (such as lockers, desks, and parking lots). 28 The Superintendent may request the assistance of law enforcement officials, including their use 29 30 of specially trained dogs, to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous 31 substances or material. The "pat down" or "search" of a student, if conducted, will be conducted 32 33 by a school official or employee of the same gender as the student being searched. 34 Students 35 36 School officials may search any individual student, his/her property, or district property under 37 his/her control when there is a reasonable suspicion that the search will uncover evidence that 38 he/she is violating the law, Board policy, administrative regulation, or other rules of the district 39 or the school. Reasonable suspicion shall be based on specific and objective facts that the search 40 will produce evidence related to the alleged violation. The types of student property that may be 41 searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, 42 student vehicles parked on district property, cellular phones, or other electronic communication 43 44 devices.

1 Students may not use, transport, carry, or possess illegal drugs or any weapons in their vehicles 2 on school property. While on school property, vehicles may be inspected at any time by staff, or 3 by contractors employed by the District utilizing trained dogs, for the presence of illegal drugs, 4 5 drug paraphernalia, or weapons. In the event the school has reason to believe that drugs, drug paraphernalia, or weapons are present, including by alert trained dogs, the student's vehicle will 6 be searched, and the student expressly consents to such a search. 7 8 Also, by parking in the school parking lots, the student consents to having his/her vehicle 9 searched if the school authorities have any other reasonable suspicion to believe that a violation 10 of school rules or policy has occurred. 11 12 Seizure of Property 13 14 When a search produces evidence that a student has violated or is violating either a law or 15 District policies or rules, such evidence may be seized and impounded by school authorities and 16 disciplinary action may be taken. As appropriate, such evidence may be transferred to law 17 enforcement authorities. 18 19 20 21 Legal Reference: Redding v. 11	
12	The procedure set forth below will be followed when a proposed punishment of a student is to

14	classes for at least one (1) day.
15

The Board, and only the Board, may expel a student from school and may do so only after
following due process procedures set forth below.

7 The Board will provide written notice to a student and parent or legal guardian of a hearing to 8 consider a recommendation for expulsion, which will be sent by registered or certified mail at 9 least five (5) school days before the date of the scheduled hearing. The notice will include time 10 and place of hearing, information describing the process to be used to conduct the hearing, and 11 notice that the Board intends to conduct the hearing in closed session unless a parent or legal 12 guardian waives the student's right to privacy.

13

Within the limitation that a hearing must be conducted during a period of student suspension, a hearing to consider expulsion may be rescheduled when a parent or legal guardian submits a

request showing good cause to the Superintendent at least two (2) school days before a hearing

date as originally scheduled. The Superintendent will determine if a request shows good cause

- 18 to reschedule a hearing.
- 19

20 At hearing the student may be represented by counsel, present witnesses and other evidence,

and cross-examine witnesses. The Board is not bound by formal rules of evidence in

conducting the hearing.

Each school shall maintain a record of any disciplinary action that is educationally related, with explanation, taken against the student. When the Board of Trustees takes disciplinary action against a student, the Board must keep a written record of the action taken, with detailed explanation, even if the disciplinary action is decided during a closed session. A disciplinary action that is educationally related is an action that results in the expulsion or out-of-school suspension of the student. This record must be maintained/destroyed consistent with Montana Local Government Records Schedule 7, and is subject to transfer to a local education agency,

accredited school, or nonpublic school pursuant to 20-1-213, MCA.

Discipline of Students With Disabilities

Code of Conduct Violations by Students With Disabilities, Resulting in Disciplinary Consequences of Ten (10) School Days or Less

3310P Page **2** of **8**

Beginning with the eleventh (11^{th}) day of disciplinary removals in a school year, the IEP Team must address behavioral issues. If the removal does not result in a change of placement, the IEP Team must meet within ten (10) business days of first removing the student for more than ten (10) school days in a school year, to develop a plan to conduct a functional behavioral assessment, if one was not conducted before the behavior that resulted in the removal. *Reg.* 300.520(b)(1)(i).

After the functional behavioral assessment is completed, the IEP Team meets as soon as practicable to develop a behavioral intervention plan to address the behavior and implement the plan. *Reg.* 300.520(b)(2).

If the student is assigned subsequent disciplinary removals in a school year for ten (10) days or less that do not result in a change of placement, the IEP Team members (including the parent) informally review the behavior intervention plan and its implementation to determine if modifications are necessary. *Reg.* 300.520(c)(2).

If the student's IEP already includes a behavior intervention plan, within ten (10) business days of first removing the student for more than ten (10) school days in a school year, the IEP Team must meet to review the behavior intervention plan and its implementation, and modify the plan and its implementation as necessary to address the behavior. *Reg.* 300.520(b)(1)(ii).

If one or more team members believe modifications are needed, the IEP Team must meet to modify the plan and its implementation to the extent the IEP Team deems necessary. Reg. 300.520(c)(2).

Code of Conduct Violations by Students With Disabilities for Which Recommended Disciplinary Consequences Would Result in Change of Placement for More Than Ten (10) School Days (Excluding Drug and Weapon Offenses)

Student violates code of conduct, and the recommended disciplinary consequence would result in a removal from the current educational placement for more than ten (10) consecutive school days (alternate placement, expulsion). This constitutes a change of placement. *Reg.* 300.519(a).

The recommended disciplinary consequence may be for a removal from the current educational placement for less than ten (10) consecutive school days, but may constitute a change of placement because the student has already been removed for disciplinary reasons for ten (10) or more school days in the current school year, and the length of each removal, their proximity to each other, and the total amount of time the student has been removed result in a change of placement. *Reg. 300.519(b)*.

3310P Page **3** of **8**

School personnel may remove from current educational placement for ten (10) school days or less (*Reg.* 300.520(a)(1)(i)) and recommend further discipline according to the code of conduct. (The ten-(10)-day-or-less alternative must be one equally applicable to non-disabled. See pp. 1-2 for educational services to be provided during a short removal.) If a criminal act has been committed, charges may be filed, and law enforcement authorities to whom the crime was reported must be provided special education and disciplinary records to the extent disclosure is permitted by FERPA. *Sec.* 1415(k)(9). *Reg.* 300.529.

At the time the decision is made to take this action, school personnel must notify parent of decision and provide procedural safeguards notice in *Reg. 300.504.* Sec. 1415(k)(4)(A)(i); *Reg. 300.523(a)(1).*

Within ten (10) business days, IEP Team and other qualified personnel must meet and review relationship between disability and the behavior subject to disciplinary action (manifestation determination review – MDR). Sec. 1415(k)(4)(A); Reg. 300.523(a)(2), (b). If there has been no previous functional behavioral assessment and creation of a behavior intervention plan, the IEP Team must develop an assessment plan. Reg. 300.520(b)(1)(i). As soon as practicable after the assessment, the IEP Team must meet again to develop and implement the behavior intervention plan. Reg. 300.520(b)(2). If the IEP contains a behavior intervention plan, the IEP Team reviews the plan and its implementation and modifies them as necessary to address the behavior. Reg. 300.520(b)(1)(ii).

For the MDR, the IEP Team must look at all information relevant to the behavior subject to discipline, such as evaluation and diagnostic results, including such results and other relevant information from the parent, observation of the student, and the student's IEP and placement. The misbehavior is not a manifestation of the disability, if the IEP Team finds that in relationship to the misbehavior subject to discipline:

- The IEP and placement were appropriate;
- Consistent with the content of the student's IEP and placement, special education services, supplementary aids, and behavior intervention strategies were actually provided;
- The disability did not impair the ability of the student to understand the impact and consequences of the misbehavior; and
- The disability did not impair the ability of the student to control the misbehavior.
- Sec. 1415(k)(4)(C); Reg. 300.523(c).

If the IEP Team determines any of the standards were not met, the misbehavior was a manifestation of the disability, and no punishment may be assessed. *Reg.* 300.523(d). If IEP Team identified deficiencies in IEP, placement, or implementation, it must take immediate steps to remedy. *Reg.* 300.523(f).

If the IEP Team determines the misbehavior was not а manifestation of the disability, regular disciplinary consequences may be applied to the student, except that the student must continue to be provided a free appropriate public education. Sec. 1415(k)(5)(A); Sec. 1412 (a)(1)(A); Reg. 300.121(a); Reg. 300.524(a). The campus must ensure that special education and disciplinary records are transmitted for consideration by the school district person making the final determination regarding the disciplinary action. Sec. 1415(k)(5)(B); Reg. 300.524(b).

Parent may appeal a finding that the misbehavior was not a manifestation of the disability. The hearing is expedited before a special education hearing officer, who applies the same standards as the IEP Team. Sec. 1415(k)(6); Reg. 300.525(a), (b).

Parent may appeal decision to place student in forty-five-(45)-day interim placement. The hearing is expedited before a special education hearing officer, who applies the standards regarding a dangerous student in *Reg. 300.521*. *Sec.* 1415(k)(6)(B)(ii); *Reg. 300.525(b)*(2).

When a parent requests a hearing in a drug or weapon case to challenge the interim alternative placement or the manifestation determination, student remains in interim placement until decision of hearing officer or forty-five (45) days expires, whichever comes first, unless the parent and school agree otherwise. *Reg.* 300.526(a). Then student returns to current placement (defined as placement prior to interim alternative educational setting). School can ask for expedited hearing before special education hearing officer to prevent this return, if the student is substantially likely to injure self or others. *Reg.* 300.526(b), (c). The hearing officer applies the standards in *Reg.* 300.121. *Reg.* 300.526(c). Hearing officer can order another placement for up to forty-five (45) days. *Reg.* 300.526(c)(3). This procedure may be repeated as necessary. *Sec.* 1415(k)(7); *Reg.* 300.526(c)(4).

The standard the educational services must meet is to enable the child to appropriately progress in the general curriculum and appropriately advance toward achieving the goals in the IEP. *Reg.* 300.121(d)(2)(i)(B); *Reg.* 300.524(a). The IEP Team must determine what services are necessary to meet this standard. *Reg.* 300.121(d)(3)(ii).

Drug and Weapon Offenses by Students With Disabilities

Student carries weapon to school, or possesses, uses, sells, or solicits sale of illegal or controlled substance on school property or at a school function.

Illegal drug – controlled substance. Excludes legally used and possessed prescription drugs. Sec. 1415(k)(10)(B); Reg. 300.520(d)(2).

Controlled substance – drug or substance in 21 U.S.C. § 812(c), Schedules I-V. Sec. 1415(k)(10)(A); Reg. 300.520 (d)(1).

Weapon – A firearm and more. Something used for or readily capable of causing death or serious bodily injury. Excludes pocket knife with blade of $2\frac{1}{2}$ inches or less. *Sec.* 1415(k)(10)(D); *Reg.* 300.520(d)(3).

3310P Page **4** of **8**

School personnel may remove from current educational placement for ten (10) school days or less, and recommend further discipline according to the code of conduct. Sec. 1415(k)(1)(A)(i); Reg. 300.520(a)(1)(i). (The ten-(10)-day-or-less alternative must be one equally applicable to non-disabled students. See pp. 1-2 for education services to be provided during a short removal.) If a criminal act has been committed, charges may be filed, and special education and disciplinary records will be transmitted to law enforcement authorities to whom the crime was reported, to the extent disclosure is permitted by FERPA. Sec. 1415(k)(9); Reg. 300.529.

At time decision is made to take this disciplinary action, school personnel must notify parent of decision and provide procedural safeguards notice in *Reg. 300.504*. Sec. 1415(k)(4)(A)(i); *Reg. 300.523(a)(1)*.

Within ten (10) business days, IEP Team must meet and may extend the removal by placing student in appropriate interim alternative educational setting applicable to non-disabled student for same amount of time non-disabled student would be assigned, but not more than forty-five (45) calendar days. Sec. 1415 (k)(1)(A)(ii) and (3)(A); Reg. 300.520(a)(2); Reg. 300.522(a). IEP Team must review the behavior intervention plan, if one exists, and its implementation and modify, as necessary, to address behavior. Reg. 300.520(b)(1)(ii). If there has been no previous functional behavioral assessment and creation of behavior intervention plan, IEP Team must develop assessment plan. Sec. 1415(k)(1)(B); Reg. 300.520(b)(1)(i). As soon as practicable after the assessment, the IEP Team must meet again to develop and implement the behavior intervention plan. Reg. 300.520(b)(2). The IEP Team and other qualified personnel must review the relationship between disability and the behavior subject to disciplinary action (manifestation determination review-MDR). Sec. 1415(k)(4)(A); Reg. 300.523 (a)(2)(b).

The forty-five-(45)-day alternative interim placement must:

- Enable student to progress in general curriculum, although in another setting;
- Enable student to continue to receive those services and modifications, including those described in the student's IEP, that will enable the student to meet the goals set out in that IEP; and
- Include services and modifications designed to address the drug or weapon offense so that it does not recur. Sec. 1415(k)(3)(B); Reg. 300.522; Reg. 300.121 (d)(2)(ii).

Comments to regulations: Students may be subject to multiple forty - five - (45) - day interim placements for separate drug and weapon offenses. The forty - five - (45) - day interim placement may be completed even if drug or weapon offense was manifestation of disability. If misbehavior was not a manifestation of disability, regular disciplinary consequence can be applied in addition to forty - five - (45) - day interim placement.

Students Dangerous to Self or Others

IDEA discipline procedures are followed for a non-drug or weapon offense, the penalty for which would result in expulsion or removal from the student's placement for more than ten (10) school days.

IEP Team meets, determines no manifestation and recommends discipline proceed. Parent disagrees and requests a due-process hearing. Stay put applies, and child stays in the current placement, unless school acts to change the placement. *Reg. 300.524*.

School requests hearing officer to change the placement during the pendency of the hearing because of the likelihood of injury to self or others. Sec. 1415(k)(2); Reg. 300.521.

- - -

Hearing officer holds expedited hearing to consider request. School has burden of proof to show by more than a preponderance of the evidence that maintaining the child in the current placement is substantially likely to result in injury to self or others. Sec. 1415(k)(2)(A), (10)(D); Reg. 300.521(a). Hearing officer must also:

- Consider the appropriateness of the current placement.
- Consider whether the school has made reasonable effort to minimize the risk of harm in the current placement, including the use of supplemental aids and services.
- Determine that the interim alternative setting proposed by the school personnel, in consultation with special education teacher:
 - Enables the student to participate in the general curriculum, although in another setting;
 - Enables the student to continue to receive those services and modifications, including those described in the student's current IEP, that will enable the student to meet the goals set out in the IEP; and
 - Include services and modification designed to address the behavior so that it does not recur.

Sec. 1415(k)(2); Reg. 300.521(b), (c), (d); Reg. 300.522(b); Reg. 300.121(d)(2)(ii)(B).

If all requirements are met, hearing officer may order a change of placement to the interim alternative educational setting for up to forty-five (45) days. Sec. 1415(k)(2); Reg. 300.521.

If parent appeals forty-five-(45)-day interim alternative placement by IEP Team in drug or weapon case, hearing officer applies these standards in expedited hearing. Sec. 1415(k)(6)(B)(ii); Reg. 300.525 (b)(2).

3310P Page **8** of **8**

Student returns to his or her current placement (the placement prior to the interim alternative educational setting) at end of forty-five (45) days, if no decision has been issued by hearing officer in pending due-process hearing. If school believes it would be dangerous for student to return to current placement while hearing is still pending, school may request another expedited hearing to again place student in forty-five-(45)-day interim placement while hearing officer holds same type of hearing initially held when hearing officer ordered first forty-five-(45)-day interim placement. Sec. 1415(k)(7); Reg. 300.526. Any subsequent forty-five-(45)-day interim setting must meet the standards in Reg. 300.522.

1 <u>Student Risk Assessments</u>

The District may establish a risk assessment team for students whose behavior may pose a risk to the safety of school staff or students.

5 6 Each team shall:

- 1. Provide guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a risk to the community, school, or self;
 - 2. Include persons with expertise in counseling, instruction, school administration, and law enforcement;
 - 3. Identify members of the school community who should be informed of behavior;
- Implement school board policies for the assessment of and intervention with students
 whose behavior poses a risk to the safety of school staff or students including response
 plans; and
 - 5. Utilize available forms and procedures.

- 17 All District employees, volunteers, and contractors are required to report any expressed risks or
- behavior that may represent a risk to the community, school, or self. In cases determined to be appropriate, teams shall follow established procedures for referrals to community services,
- 20 boards, or health care providers for evaluation or treatment when appropriate.
- 21

Upon a preliminary determination that a student poses a risk of violence or physical harm to self or others, a risk assessment team shall immediately report its determination to the superintendent

or designee. The superintendent or designee shall immediately attempt to notify the student's

25 parent or legal guardian. Nothing in this policy shall prevent a District employee from acting

- 26 immediately to address an imminent risk.
- 27

The superintendent may establish a committee charged with oversight of the risk assessment

- teams. An existing committee may be designated to assume the oversight responsibility;
- 30 however, any such team shall include individuals with expertise in human resources, education,
- 31 school administration, mental health, and law enforcement.
- 32

Regardless of risk assessment activities, disciplinary action and referral to law enforcement are to occur as required by school board policy and Montana law. The District may, in accordance with the provisions in Policy 3600P, release student records or information in connection with an emergency, without parental consent, if the knowledge of such information is necessary to protect the health or safety of the student or other persons.

5 It is the policy of Jefferson High School District to comply with the federal Gun Free Schools Act of 1994 and state law 20-5-202 (2), MCA, pertaining to students who bring a firearm to, or 6 possess a firearm at, any setting that is under the control and supervision of the school district.

7 8

The District does not allow students to possess firearms on District property or at any setting that 9

is under the control and supervision of the District. In accordance with 20-5-202 (3), MCA, a 10

- teacher, superintendent, or principal shall suspend immediately for good cause a student who is 11
- determined to have brought a firearm to, or possess a firearm at, any setting that is under the 12
- control and supervision of the school district. The Policy does not govern conduct in a student's 13
- home, a locked vehicle, a parking lot, or a commercial business when the student is participating 14
- in an online, remote, or distance-learning setting. In accordance with Montana law, a student 15
- who is determined to have brought a firearm to, or possess a firearm at, any setting that is under 16 the control and supervision of the school district must be expelled from school for a period of not
- 17 18 less than 1 year.
- 19

For the purposes of the firearms section of this policy, the term "firearm" means (A) any weapon 20

- (including a starter gun) which will, is designed to, or may be readily converted to expel a 21
- projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any 22

school administration to modify the requirement for expulsion of a student. 28

- 29
- 30 A decision to change the placement of a student with a disability who has been expelled pursuant to this section must be made in accordance with the Individuals with Disabilities Education Act.
- 31
- 32
- 33 Before holding a hearing to determine if a student has violated this Policy, the Board shall, in a
- clear and timely manner, notify the tudent if the student is an adult or notify the parent or 34

- 37 38
- Before expelling a student under this Policy, the Board shall hold a due process hearing that 39
- includes presentation of a summary of the information leading to the allegations and an 40
- opportunity for the student to respond to the allegations. The student may not be expelled unless 41

3311 Page 2 of 3

When a student subject to a hearing is found to have not violated this Policy, the student's school
record must be expunded of the incident.

3

The provisions of this Policy do not require the Board to expel a student who has brought a
firearm to school or possesses a firearm at school if the firearm is secured in a locked container

approved by the school district or in a locked motor vehicle the entire time the firearm is at

7 school, except while the firearm is in use for a school-sanctioned instructional activity.

8

9 <u>Possession of Weapons other than Firearms</u>

10

11 The District does not allow students to possess other weapons on District property or at any

12 setting that is under the control and supervision of the District. Any student found to have

13 possessed, used, or transferred a weapon on school property will be subject to discipline in

14 accordance with the District's discipline policy. For purpose of this section, "weapon" means

any object, device or instrument designed as a weapon or through its use is capable of

16 threatening or producing bodily harm or which may be used to inflict self-injury, including but

not limited to air guns; pellet guns; BB guns; fake (facsimile) weapons; all knives; blades; clubs;

18 metal knuckles; numchucks (also known as nunchucks); throwing stars; explosives; fireworks;

¹⁹ mace or other propellants; stun guns; ammunition; poisons; chains; arrows; and objects that have

- 20 been modified to serve as a weapon.
- 21

No student shall possess, use, or distribute any object, device, or instrument having the appearance of a weapon, and such objects, devices, or instruments shall be treated as weapons, including but not limited to weapons listed above which are broken or non-functional, look-alike guns, toy guns; and any object that is a facsimile of a real weapon. No person shall use articles

designed for other purposes (i.e., lasers or laser pointers, belts, combs pencils, files, scissors,

etc.) to inflict bodily harm and or intimidate, and such use will be treated as the possession and

- use of a weapon.
- 29

30 Definitions, Exceptions, and Referral to Law Enforcement

The District may refer to law enforcement for immediate prosecution any student who possesses,

carries, or stores a weapon in a school building as specified in Section 45-8-361, MCA. In

addition, the District will refer for possible prosecution a parent or guardian of any minor

violating this policy on grounds of allowing a minor to possess, carry, or store a weapon in a

Student-Athlete & Parent/Legal Guardian Concussion Statement

Because of the passage of the Dylan Steigers' Protection of Youth Athletes Act, schools are required to distribute information sheets for the purpose of informing and educating student-athletes and their parents of the nature and risk of concussion and head injury to student athletes, including the risks of continuing to play after concussion or head injury. Montana law requires that each year, before beginning practice for an organized activity, a student-athlete and the student-athlete's parent(s)/legal guardian(s) must be given an information sheet, and both parties must sign and return a form acknowledging receipt of the information to an official designated by the school or school district prior to the student-athletes participation during the designated school year. The law further states that a student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from play at the time of injury and may not return to play until the student-athlete has received a written clearance from a licensed health care provider.

Student-Athlete Name:

This form must be completed for each student-athlete, even if there are multiple student-athletes in each household.

WHAT IS A CONCUSSION?

A concussion is a brain injury that:

- Is caused by a bump or blow to the head
- Can change the way your brain normally works
- Can occur during practices or games in any sport
- Can happen even if you haven't been knocked out
- Can be serious even if you've just been "dinged"

WHAT ARE THE SYMPTOMS OF A CONCUSSION?

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light
- Bothered by noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion
- Does not "feel right"

WHAT SHOULD I DO IF I THINK I HAVE A CONCUSSION?

• Tell your coaches and your parents.

Never ignore a bump or blow to the head even if you feel fine. Also, tell your coach if one of your teammates might have a concussion. • Get a medical checkup. A doctor or health care professional can tell you if you have a concussion and when you are OK to return to play.

• Give yourself time to get better. If you have had a concussion, your brain needs time to heal. While your brain is still healing, you are much more likely to have a second concussion. Second or later concussions can cause damage to your brain. It is important to rest until you get approval from a doctor or health care professional to return to play.

HOW CAN I PREVENT A CONCUSSION?

Every sport is different, but there are steps you can take to protect yourself.

• Follow your coach's rules for safety and he rules of the sport.

• Practice good sportsmanship at all times.

• Use the proper sports equipment, including personal protective equipment (such as helmets, padding, shin guards, and eye and mouth guards). In order for equipment to protect you, it must be:

> The right equipment for the game,

position, or activity

- > Worn correctly and fit well
- > Used every time you play

Remember, when in doubt, sit them out!

A Fact Sheet for **PARENTS**

WHAT IS A CONCUSSION?

A concussion is a brain injury. Concussions are caused by a bump or blow to the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

You can't see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF A CONCUSSION? Signs Observed by Parents or Guardians

If your child has experienced a bump or blow to the head during a game or practice, look for any of the following signs and symptoms of a concussion:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

Symptoms Reported by Athlete

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Does not "feel right"

HOW CAN YOU HELP YOUR CHILD PREVENT A CONCUSSION?

Every sport is different, but there are steps your children can take to protect themselves from concussion.

• Ensure that they follow their coach's rules for safety and the rules of the sport.

• Encourage them to practice good sportsmanship at all times.

• Make sure they wear the right protective equipment for their activity (such as helmets, padding, shin guards, and eye and mouth guards). Protective equipment should fit properly, be well maintained, and be worn consistently and correctly.

• Learn the signs and symptoms of a concussion.

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

1. Seek medical attention right away. A health care professional will be able to decide how serious the concussion is and when it is safe for your child to return to sports.

2. Keep your child out of play. Concussions take time to heal. Don't let your child return to play until a health care professional says it's OK. Children who return to play too soon—while the brain is still healing—risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.

3. Tell your child's coach about any recent concussion. Coaches should know if your child had a recent concussion in ANY sport. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell the coach.

Remember, when in doubt, sit them out! It's better to miss one game than the whole season.

Be Prepared

A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth. Even a "ding," "getting your bell rung," or what seems to be mild bump or blow to the head can be serious. Concussions can occur in any sport or recreation activity. So, all coaches, parents, and athletes need to learn concussion signs and symptoms and what to do if a concussion occurs.

1 <u>Communicable Diseases</u>

2 *Note*: For purposes of this policy, the term "communicable disease" refers to the diseases 3 identified in 16.28.202, ARM, Reportable Diseases, with the exception of common colds and flu. 4 5 In all proceedings related to this policy, the District will respect a student's right to privacy. All 6 applicable district policies and handbook provision governing confidentiality of student medical 7 information remain in full effect. 8 9 Although the District is required to provide educational services to all school-age children who 10 reside within its boundaries, it may deny attendance at school to any child diagnosed as having a 11 communicable disease that could make a child's attendance harmful to the welfare of other 12 students. The District also may deny attendance to a child with suppressed immunity in order to 13 protect the welfare of that child when others in a school have an infectious disease, which, 14 although not normally life threatening, could be life threatening to a child with suppressed 15 immunity. 16 17 The District shall provide soap, and disposable towels or other hand-drying devices shall be 18 available at all handwashing sinks. Common-use cloth towels are prohibited. Sanitary napkin 19 disposal shall be provided for girls of age ten or older and in teachers' toilet rooms and nurses' 20 toilet rooms. The District shall provide either sanitary napkin dispensers in the girls', nurses', 21 and teachers' toilet rooms or some other readily available on-site access to sanitary napkins. 22 23 The Board recognizes that communicable diseases that may afflict students range from common 24 childhood diseases, acute and short-term in nature, to chronic, life-threatening diseases such as 25 human immunodeficiency virus (HIV) infection. The District will rely on advice of the public 26 health and medical communities in assessing the risk of transmission of various communicable 27 28 diseases to determine how best to protect the health of both students and staff. 29 30 The District shall manage common communicable diseases in accordance with DPHHS 31 guidelines and communicable diseases control rules. If a student develops symptoms of any reportable communicable or infectious illness as defined while at school, the responsible school 32 officials shall do the following: 33 34 (a) Isolate the student immediately from other students or staff; and 35 (b) Inform the parent or guardian as soon as possible about the illness and request him or 36 37 her to pick up the student; and (c) Consult with a physician, other qualified medical professional, or the local county 38 health authority to determine if the case should be reported to the local health officer. 39 40 Students who express feelings of illness at school may be referred to a school nurse or other 41 responsible person designated by the Board and may be sent home as soon as a parent or person 42 designated on a student's emergency medical authorization form has been notified. The District 43 may temporarily exclude from onsite school attendance a student who exhibits symptoms of a 44 45 communicable disease that is readily transmitted in a school setting. Offsite instruction will be

When information is received by a staff member or a volunteer that a student is afflicted with a 5 6 serious communicable disease, the staff member or volunteer will promptly notify a school nurse or other responsible person designated by the Board to determine appropriate measures to be 7 taken to protect student and staff health and safety. A school nurse or other responsible person 8 9 designated by the Board, after consultation with and on advice of public health officials, shall determine which additional staff members, if any, have need to know of the affected student's 10 condition. 11 12 Only those persons with direct responsibility for the care of a student or for determining 13 appropriate educational accommodation will be informed of the specific nature of a condition, if 14 it is determined that such individuals need to know this information. 15 16 The District may notify parents of other children attending a school that their children have been 17 exposed to a communicable disease without identifying the particular student who has the 18 19 disease. 20 Healthy Hand Hygiene Behavior 21 22 All students, staff, and others present in any school building shall engage in hand hygiene at the 23 following times, which include but are not limited to: 24 25 (a) Arrival to the facility and after breaks (b) Before and after preparing, eating, or handling food or drinks 26 (c) Before and after administering medication or screening temperature 27 (d) After coming in contact with bodily fluid 28 (e) After recess 29 (f) After handling garbage 30 31 (g) After assisting students with handwashing (h) After use of the restroom 32 33 34 Hand hygiene includes but is not limited to washing hands with soap and water for at least 20 seconds. If hands are not visibly dirty, alcohol-based hand sanitizers with at least 60% alcohol 35 can be used if soap and water are not readily available. 36 37 Staff members shall supervise children when they use hand sanitizer and soap to prevent 38 ingestion. 3431 **Emergency Treatment** The Board recognizes that schools are responsible for providing first aid or emergency treatment to a student in case of sudden illness or injury; however, further medical attention is the responsibility of a parent or guardian. The District requires that every parent or guardian provide a telephone number where a parent or designee of a parent may be reached in case of an emergency. When a student is injured, staff will provide immediate care and attention until relieved by a superior, a nurse, or a doctor. The District will employ its normal procedures to address medical emergencies without regard to the existence of a do not resuscitate (DNR) request. A principal or designated staff member will call a parent or parental designee so that the parent may arrange for care or treatment of an injured student. When a student develops symptoms of illness while at school, a responsible school official will do the following: Isolate the student from other children to a room or area segregated for that purpose; Inform a parent or guardian as soon as possible about the illness and request a parent or guardian to pick up the child; and Report each case of suspected communicable disease the same day by telephone to a local health authority or as soon as possible thereafter if a health authority cannot be reached the same day. When a parent or guardian cannot be reached, and it is the judgment of a principal or other person in charge that immediate medical attention is required, an injured student may be taken directly to a hospital. Once located, a parent or a guardian is responsible for continuing treatment or for making other arrangements. Removal of Student During School Day

- 1 2
- 3 The Board recognizes its responsibility for the proper care of students during a school day. In
- 4 accordance with District procedures, only a duly authorized person may remove a student from
- 5 school grounds, any school building, or school function during a school day. A person seeking
- 6 to remove a student from school must present evidence satisfactory to a principal of having
- 7 proper authority to remove a student. A teacher should not excuse a student from class to confer

7. A recognition that money given to a school cannot be earmarked for any particular 1 expense. Booster organizations may make recommendations, but cash or other valuable 2 3 consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members 4 of both genders will supersede an organizations recommendation.1 5 6 8. A recognition that the School District reserves the right to reject any and all donations. 7 8 9 Permission to use one of the above-mentioned names, logos or imagery may be suspended by the administration and rescinded by the Board for failure to comply with this policy. Authorization 10 11 to use one of the above-mentioned names, logos, or imagery does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions 12 of any parent or booster organization, regardless of whether it was recognized and/or permitted 13 to use any of the above-mentioned names or logos.² The Superintendent shall designate an 14 administrative staff member to serve as the liaison to parent or booster organization. The liaison 15 will serve as a resource person and provide information about school programs, resources, 16 policies, problems, concerns, and emerging issues. Building staff may be encouraged to 17 participate in the organizations. 18 19 Individual Boosters or Donors 20 21 Individual boosters or donors not covered by the bylaws of an organization governed by this 22 policy may still assist in school operations. The Board encourages the involvement of local 23 communities in school activities and operations. In order for the School District to comply with 24 the federal law, state law and MHSA By-Laws, Rules and Regulations, individual boosters or 25 donors must honor the following provisions: 26 27 1. The individual must have prior approval must be granted by the Board for use of the 28 District's name, logo, or imagery. 29 30 2. The individual must comply with Board policies and administrative procedures when 31 submitting donations. 32

¹ The School District may not accept booster organization assistance that creates vast gender differences or a school board may face claims that it has violated Title IX. Title IX's focus is on equal funding opportunities, equal facility availability, similar travel and transportation treatment, comparable coaching, and comparable publicity (34 C.F.R. Part 106).

² Booster organizations present potential liabilities to a school district beyond loss of funds, because they seldom are properly organized (they generally are not incorporated or otherwise legally recognized), carry no insurance, raise and handle large sums of money, and organization members hold themselves out as agents of the school (after all, no funds could be raised but for the school connection). A disclaimer, such as the one presented here, may not be sufficient. A district may take several actions, after discussion with its attorney, to minimize liability, such as adding a requirement to item 6 above that the organization: (1) operate under the school's authority (activity accounts); or (2) be properly organized and demonstrate fiscal responsibility by being a 501(c)(3) organization, obtaining a bond, and/or arranging regular audits. Ultimately, the best way to minimize liability is to be sure that the district's errors-and-omissions insurance covers parent organizations and booster organizations.

1 INSURANCE REQUIREMENTS FOR FACILITY USE APPLICATION/PERMIT

- 2 The District may, in the sole discretion of the Superintendent or the Board of Trustees, require
- a User of District facilities to provide proof of insurance coverage for the event. In determining
- 4 whether to require such insurance, the Superintendent or Board will consider such factors as
- 5 whether the event is being held for commercial purposes and/or if there is a probability of
- 6 damage or injury to school property and any other factors having to do with the facility and its
- 7 contents or individuals using the facility.
- 8
- 9 When required by the District, the User of the facility shall provide the School District with a
- 10 certificate of insurance. Said certificate shall name the School District as an additional insured.
- 11 Such certificate shall show coverage for comprehensive general liability insurance for injuries
- to or death of any person or damage to or loss of property arising out of or in any way resulting
- from the use of the facility. Said insurance shall provide for amounts not less than \$1,000,000
- 14 for bodily injury or death to any one person,
- \$1,000,000 for all bodily injuries and death resulting from any one accident and \$1,000,000 for
 property damage in any one accident
- 17 or the policy may provide a combined single limit for bodily injury and property damage of
- 18 \$1,000,000. Said certificate shall also contain information regarding the coverage for
- 19 worker's compensation or self insured status as per Montana insurance guidelines. Said
- 20 certificate shall contain a provision that the insurer not cancel or refuse to renew without
- 21 giving the School District written notice at least 10 days before the effective date of the
- 22 cancellation or non-renewal.
- 23

In an effort to give guidance to administration and the community regarding when separate insurance might be required, the Board has compiled the following examples. This is not a definitive list and these decisions will be made by administration or the Board on a case by case basis.

Before removing a student from school, the police 12 shall sign a release form in which they assume full responsibility for the student. 13 14 15 B. Law enforcement personnel should not be allowed to roam about the school until the student is found. 1	<u>Sexual Harassment Grievance Procedure – Employees</u>
2 3	The Board requires the following grievance process to be followed for the prompt and equitable
3 4	resolution of employee complaints alleging any action that would be prohibited as sexual
5	harassment by Title IX. The Board directs the process to be published in accordance with all
6	statutory and regulatory requirements.
7	statatory and regulatory requirements.
8	Definitions
9	
10	The following definitions apply for Title IX policies and procedures:
11	
12	"Actual knowledge": notice of sexual harassment or allegations of sexual harassment to the
13	District's Title IX Coordinator or any official of the District who has authority to institute
14	corrective measures on behalf of the District or to any employee of an elementary or secondary
15	school.
16	
17	"Education program or activity": includes locations, events, or circumstances over which the
18	District exercised substantial control over both the individual who has been reported to be the
19	perpetrator of conduct that could constitute sexual harassment and the context in which the
20	sexual harassment occurs.
21	
22	"Complainant": an individual who is alleged to be the victim of conduct that could constitute
23	sexual harassment.
24	
25	"Respondent": an individual who has been reported to be the perpetrator of conduct that could
26	constitute sexual harassment.
27	
28	"Formal complaint": a document filed by a Complainant or signed by the title IX Coordinator
29	alleging sexual harassment against a Respondent and requesting that the District investigate the
30	allegation of sexual harassment.
31	"Sum ative macaunes" non dissiplinant, non munitive individualized continue offered as
32	"Supportive measures": non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or
33 34	Respondent before or after the filing of a formal complaint or where no formal complaint has
34 35	been filed.
36	been med.
30 37	District Requirements
38	
39	When the District has actual knowledge of sexual harassment in an education program or activity
40	of the District, the District will respond promptly in a manner that is not deliberately indifferent.
41	When the harassment or discrimination on the basis of sex does not meet the definition of sexual
42	harassment, the Title IX Coordinator will direct the individual to the applicable sex
43	discrimination process, bullying and harassment policy, or public complaint procedure for

investigation.

1

2 The District treats individuals who are alleged to be the victim (Complainant) and perpetrator (Respondent) of conduct that could constitute sexual harassment equitably by offering supportive 3 measures. Supportive measures are designed to restore or preserve equal access to the District's 4 5 e3ducation program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or 6 deter sexual harassment. Supportive measures may include counseling, extensions of deadlines 7 8 or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, leaves of absence, increased security and monitoring of certain 9 areas of the District's property, campus escort services, changes in work locations, and other 10 similar measures. 11

12

The Title IX Coordinator is responsible for coordinating the effective implementation of 13

- supportive measures. Upon the receipt of a complaint, the Title IX Coordinator must promptly 14
- contact the Complainant to discuss the availability of supportive measures, consider the 15
- Complainant's wishes with respect to supportive measures, inform the Complainant of the 16
- availability of supportive measures with or without the filing of a formal complaint, and explain 17
- to the Complainant the process for filing a formal complaint. If the District does not provide the 18
- Complainant with supportive measures, then the District must document the reasons why such a 19
- response was not clearly unreasonable in light of the known circumstances. 20
- 21
- Timelines 22

23

- The district has established reasonably prompt time frames for the conclusion of the grievance 24
- process, including time frames for filing and resolving appeals and informal resolution processes. 25
- The grievance process may be temporarily delayed or extended for good cause. Good cause may 26
- include considerations such as the absence of a party, a party's advisor, or a witness; concurrent 27
- law enforcement activity; or the need for language assistance or accommodation of disabilities. 28
- In the event the grievance process is temporarily delayed for good cause, the District will provide 29 30 written notice to the Complainant and the Respondent of the delay or extension and the reasons
- for the action. 31
- 32
- 33 Response to a Formal Complaint
- 34
- At the time of filing a formal complaint, a Complainant must be participating in or attempting to 35
- 36 participate in the education program or activity of the District with which the formal complaint is
- filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, by 37
- electronic mail, or other means designated by the District. 38
- 39
- The District must follow the formal complain process before the imposition of any disciplinary 40
- sanctions or other actions that are not supportive measures. However, nothing in this policy 41
- precludes the District from placing a non-student employee Respondent on administrative leave 42
- during the pendency of the grievance process. The District may also remove a student 43
- 44 Respondent alleged to have harassed an employee Complainant from the education setting. The

PERSONNEL

- student may receive instruction in an offsite capacity during the period of removal. This 1
- provision may not be construed to modify any rights under the Individuals with Disabilities 2
- Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities 3 4 Act.
- 5

18

19

20 21

22

23 24

- Upon receipt of a formal complaint, the District must provide written notice to the known parties 6 7 including:
- 8 1. Notice of the allegations of sexual harassment, including information about the 9 identities of the parties involved in the incident, the conduct allegedly constituting 10 sexual harassment, the date and location of the alleged incident, and any sufficient 11 details known at the time. Such notice must be provided with sufficient time to 12 prepare a response before any initial interview; 13 14 2. An explanation of the District's investigation procedures, including any informal 15 resolution process; 16 17
 - 3. A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made by the decision-maker at the conclusion of the investigation;
 - 4. Notice to the parties that they may have an advisor of their choice who may be, but is not required to be, an attorney and may inspect and review any evident; and
- 5. Notice to the parties of any provision in the District's code of conduct or policy that 25 prohibits knowingly making false statements or knowingly submitting false 26 information. 27
- 28 If, in the course of an investigation, the District decides to investigate allegations about the 29 30 Complainant or Respondent that are not included in the notice initially provided, notice of the additional allegations must be provided to known parties. 31
- 32
- 33 The District may consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, 34 or by one party against the other party, where the allegations of sexual harassment arise out of 35 36 the same facts or circumstances.
- 37 Investigation of a Formal Complaint 38
- When investigating a formal complaint and throughout the grievance process, the District must: 40
- 41

39

- 42
- 1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the District and not the parties;
- 43 44

1	2.	Provide an equal opportunity for the parties to present witnesses and evidence;			
2					
3	3.	Not restrict either party's ability to discuss the allegations under investigation or to			
4		gather and present relevant evidence;			
5					
6	4.	Allow the parties to be accompanied with an advisor of the party's choice who may			
7		be, but is not required to be, an attorney. The District may establish restrictions			
8		regarding the extent to which the advisor may participate in the proceedings, as long			
9		as the restrictions apply equally to both parties;			
10					
11	5.	Provide written notice of the date, time, location, participants, and purpose of any			
12		interview or meeting at which a party is expected to participate with sufficient time			
13		for the party to prepare to participate;			
14		is merendy is prepare to participate,			
15	6.	Provide the parties equal access to review all the evidence collected which is directly			
16		related to the allegations raised in a formal complaint and comply with the review			
17		periods outlined in this process;			
18					
19	7.	Objectively evaluate all relevant evidence without relying on sex stereotypes;			
20					
21	8.	Ensure that Title IX Coordinators, investigators, decision-makers, and individuals			
22		who facilitate an informal resolution process do not have a conflict of interest or bias			
23		for or against Complainants or Respondents generally or an individual Complainant			
24		or Respondent;			
25					
26	9.	Not make creditability determinations based on the individual's status as			
27		Complainant, Respondent, or witness; and			
28					
29	10.	Not use questions or evidence that constitute or seek disclosure of privileged			
30		information unless waived.			
31					
32	Dismissal	of Formal Complaints			
33					
34	If the cond	luct alleged in the formal complaint would not constitute sexual harassment even if			
35		d not occur in the district's education program or activity, or did not occur against a			
36		he United States, then the District must dismiss the formal complaint with regard to			
37		ct for purposes of sexual harassment under this policy.			
38					
39	The Title I	X Coordinator also may dismiss the formal complaint or any allegations therein at any			
40	time durin	g the investigation or hearing, if applicable, when any of the following apply:			
41					
42	1.	a Complainant provides written notification to the Title IX Coordinator that the			
43		Complainant would like to withdraw the formal complaint or any allegations therein;			
44					

- 2. the Respondent is no longer enrolled or employed by the District; or
- 3 4

1 2

- 3. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.
- 5 Upon dismissal, the Title IX Coordinator promptly sends written notice of the dismissal and the 6 reasons for dismissal simultaneously to both parties. The grievance process will close in the 7 8 event a notice of dismissal is provided to the parties. Support measures may continue following dismissal. 9
- 10
- Evidence Review 11
- 12
- The District provides both parties an equal opportunity to inspect and review any evidence 13
- obtained as part of the investigation so that each party can meaningfully respond to the evidence 14
- prior to the conclusion of the investigation. The evidence provided by the District must include 15
- evidence that is directly related to the allegations in the formal complaint, evidence upon which 16
- the District does not intend to rely in reaching a determination regarding responsibility, and any 17
- inculpatory or exculpatory evidence whether obtained from a party or other source. Prior to 18
- completion of the investigative report, the Title IX Coordinator must send to each party and the 19
- party's advisor, if any, the evidence subject to inspection and review in an electronic format or a 20
- hard copy. The parties have 10 calendar days to submit a written response to the Title IX 21
- Coordinator, which the investigator will consider prior to completion of the investigative report. 22
- 23
- 24 **Investigative Report**
- 25

The investigator must prepare an investigative report that fairly summarizes relevant evidence 26

and send the report to the Title IX Coordinator. The Title IX Coordinator must send to each party 27

- and the party's advisor, if any, the investigative report in an electronic format or a hard copy for 28
- their review and written response. The parties have 10 calendar days to submit a written response 29
- 30 to the Title IX Coordinator.
- 31
- **Decision-Maker's Determination** 32
- 33

- The investigative report is submitted to the decision-maker. The decision-maker cannot be the 34 same person(s) as the Title IX Coordinator or the investigator. The decision-maker cannot hold a 35
- 36 hearing or make a determination regarding responsibility until 10 calendar days from the date the
- Complainant and Respondent receive the investigator's report. 37
- 38
- 39 Prior to reaching a determination regarding responsibility, the decision-maker must afford each
- party the opportunity to submit written, relevant questions that a party wants asked of any party 40
- or witness, provide each party with the answers, and allow for additional, limited follow-up 41
- questions from each party. Questions and evidence about the Complainant's sexual 42
- predisposition or prior sexual behavior are not relevant, unless such questions and evidence 43
- about the Complainant's prior sexual behavior are offered to prove that someone other than the 44

Applicant Rights and Consent to Fingerprint

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal
 justice purpose (such as an application for employment or a license, an immigration or naturalization matter,
 security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification⁸ by Jefferson High School that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.
 - If you have a criminal history record, the officials making a determination of your suitability for employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
 - The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or
 complete the record (or decline to do so) before the officials deny you the employment, license, or other
 benefit based on information in the criminal history record.⁹
- You have the right to expect that officials receiving the results of the criminal history record check will use it only
 for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive
 order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.¹⁰
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at http://www.fbi.gov/services/cjis/identity-history-summary-checks.
- 29

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency.

- If a change, correction, or update needs to be made to a Montana criminal history record, or if you need additional
 information or assistance, please contact Montana Criminal Records and Identification Services at
- 39 <u>DOJCRISS@mt.gov</u> or 406-444-3625.

termination of probationary employment. If the employee is retained, the employee will be 25

designated as one of the following types of employees depending on the factors noted. 26

27

Designation 1: If, before the probationary period concludes, the employee is placed on a written 28

employment contract, the employment contract shall be a written contract of employment for a 29

31 MCA. The employee will have no expectation of continued employment beyond the current

contract term, and in the absence of Board action to offer a subsequent contract, the employment 32

will automatically conclude at the conclusion of the contract term. 33

34

Designation 2: If, after the probationary period concludes, the employee is not placed on a 35

written employment contract for a specific term, the employee's service to the District will be 36

3 Certified staff may use sick leave for those instances listed in the current collective bargaining agreement. Classified staff may use sick leave for illness; injury; medical disability; maternity-4 5 related disability, including prenatal care, birth, miscarriage, or abortion; quarantine resulting from exposure to contagious disease; medical, dental, or eye examination or treatment; necessary 6 7 care of or attendance to an immediate family member or, at the District's discretion, another relative for the above reasons until other attendants can reasonably be obtained, and death or 8 9 funeral attendance for an immediate family member. Leave without pay may be granted to employees upon the death of persons not included in this list. 10 11 Accrual and Use of Sick Leave Credits 12 13 14 Certified employees will accrue and may use their sick leave credits according to the current collective bargaining agreement. 15 16

17 Classified employees serving in positions that are permanent full-time, seasonal full-time, or permanent part-time are eligible to earn sick leave credits, which will accrue from the first day of 18 employment. A classified employee must be employed continuously for a qualifying period of 19 ninety (90) calendar days in order to use sick leave. Unless there is a break in service, an 20 employee only serves the qualifying period once. After a break in service, an employee must 21 again complete the qualifying period to use sick leave. Sick leave may not be taken in advance 22 23 nor may leave be taken retroactively. A seasonal classified employee may carry over accrued sick leave credits to the next season if management has a continuing need for the employee or, 24

alternatively, may be paid a lump sum for accrued sick leave credits when the season ends, in
 accordance with ARM 2.21.141.

27

28 Employees, whether classified or certified, simultaneously employed in two (2) or more

29 positions, will accrue sick leave credits in each position according to the number of hours

30 worked or a proration of the contract (in the case of certified) worked. Leave credits will be used

31 only from the position in which the credits were earned and with approval of the supervisor or

32 appropriate authority for that position. Hours in a pay status paid at the regular rate will be used

to calculate leave accrual. Sick leave credits will not accrue for those hours exceeding forty (40)
 hours in a work week, which are paid as overtime hours or recorded as compensatory time. A

full-time employee will not earn less than nor more than the full-time sick leave accrual rate

- 36 provided classified employees.
- 37

38 When an employee who has not worked the qualifying period for use of sick leave takes an

approved continuous leave of absence without pay in excess of fifteen (15) working days, the

amount of time an employee is on leave of absence will not count toward completion of the

41 qualifying period. The approved leave of absence exceeding fifteen (15) working days is not a

42 break in service, and the employee will not lose any accrued sick leave credits nor lose credit for

43 time earned toward the qualifying period. An approved continuous leave of absence without pay

44 of fifteen (15) working days or less will be counted as time earned toward the ninety-(90)-day

45 qualifying period.

1	
2	Calculation of Sick Leave Credits
3	
4	Certified employees will earn sick leave credits at the rate stated in the current collective
5	bargaining agreement.
6	
7	Full-time classified employees will earn sick leave credits at the rate of twelve (12) working days
8 9	for each year of service. Sick leave credits will be prorated for part-time employees who have worked the qualifying period. The payroll office will refine this data by keeping records per
10	hour worked.
11	
12	Sick Leave Banks
13	
14 15	Donation of sick leave credits to and use of sick leave credits in the sick leave bank are governed by terms of the current collective bargaining agreement.
16	by terms of the current concerive barganning agreement.
17	Lump-Sum Payment on Termination of Classified Employees
18	Dump Sum Pulyment on Permination of Clussified Employees
19	When a classified employee terminates employment with the District, the employee is entitled to
20	cash compensation for one-fourth $(\frac{1}{4})$ of the employee's accrued and unused sick leave credits,
21	provided the employee has worked the qualifying period. The value of unused sick leave is
22	computed based on the employee's salary rate at the time of termination.
23	
24	Industrial Accident
25	
26	An employee who is injured in an industrial accident may be eligible for workers' compensation
27	benefits. Use of sick leave must be coordinated with receipt of workers' compensation benefits
28	on a case-by-case basis, by contacting the Montana Schools Group Workers' Compensation Risk
29	Retention Program (WCRRP).
30	
31	Sick Leave Substituted for Annual Leave
32	
33	A classified employee who qualifies for use of sick leave while taking approved annual vacation
34	leave, may be allowed to substitute accrued sick leave credits for annual leave credits. Medical
35	certification of the illness or disability may be required.

13	that is taken for a family reason as described in (a) above.
14 15	c. Accumulated sick leave will be utilized concurrently with FMLA leave, whenever the FMLA leave is taken for reasons which qualify for sick leave benefits pursuant to District
16	policy or an applicable collective bargaining agreement.
17	d. Whenever appropriate workers' compensation absences shall be designated FMLA leave.
18	e. Service member FMLA runs concurrent with other leave entitlements provided under federal,
19	state and local law.
20	
21	When Both Spouses are District Employees
22	
23	When spouses work for the same employer and each spouse is eligible to take FMLA leave, the
24	FLMA limits the combined amount of leave they may take for some, but not all, FMLA-
25	qualifying leave reasons.
26 27	For purposes of FMLA leave, spouse means a husband or wife as defined or recognized in the
27 28	state where the individual was married and includes individuals in a common law or same-sex
28 29	marriage. Spouse also includes a husband or wife in a marriage that was validly entered into
29 30	outside of the United States, if the marriage could have been entered into in at least one state.
31	outside of the office states, if the marriage could have been entered into in a reast one state.
32	Eligible spouses who work for the same employer are limited to a combined total of 12
33	workweeks of leave in a 12-month period for the following FMLA-qualifying reasons:
34	
35	• The birth of a son or daughter and bonding with the newborn child,
36	• The placement of a son or daughter with the employee for adoption or foster care
37	and bonding with the newly-placed child, and
38	• The care of a parent with a serious health condition.
39	
40	Eligible spouses who work for the same employer are also limited to a combined total of 26
41	workweeks of leave in a single 12-month period to care for a covered servicemember with a
42	serious injury or illness (commonly referred to as "military caregiver leave") if each spouse is a
43	parent, spouse, son or daughter, or next of kin of the servicemember. When spouses take military
44	caregiver leave as well as other FMLA leave in the same leave year, each spouse is subject to the
45	combined limitations for the reasons for leave listed above.

1			
2	The limitation on the amount of leave for spouses working for the same employer does not apply		
3	to FMLA leave taken for some qualifying reasons. Eligible spouses who work for the same		
4	employer are each entitled to up to 12 workweeks of FMLA leave in a 12-month period, without		
5	regard to the amount of leave their spouses use, for the following FMLA-qualifying leave		
6	reasons:		
7			
8	• The care of a spouse or son or daughter with a serious health condition;		
9	• A serious health condition that makes the employee unable to perform the		
10	essential functions of her or her job; and		
11	• Any qualifying exigency arising out of the fact that the employee's spouse, son,		
12	daughter, or parent is a military member on "covered active duty".		
13			
14			
15	Employee Notice Requirement		
16			
17	The employee must follow the employer's standard notice and procedural policies for taking FMLA.		
18	Employer Notice Decivirement (20 C E D \$825 200)		
19 20	Employer Notice Requirement (29 C.F.R. §825.300)		
20 21	Employers are required to provide employees with notice explaining the FMLA through a poster and		
21	either a handbook or information upon hire. If an employee requests FMLA leave, an employer must		
22	provide notice to the employee within five (5) business days of whether the employee meets the		
24	FMLA eligibility requirements. If an employee is not eligible to take FMLA, the employer must		
25	provide a reason. The employer must also provide a rights and responsibilities notice outlining		
26	expectations and obligations relating to FMLA leave. If FMLA leave is approved by the employer, it		
27	must provide the employee with a designation notice stating the amount of leave that will be counted		
28	against an employee's FMLA entitlement.		
29			
30	Notice for Leave Due to Active Duty of Family Member		
31			
32	In any case in which the necessity for leave is foreseeable, whether because the spouse, or a son,		
33	daughter, or parent, of the employee is on active duty, or because of notification of an impending call		
34	or order to active duty in support of a contingency operation, the employee shall provide such notice		
35	to the employer as is reasonable and practicable.		
36			
37	Requests		
38			
39	A sick leave request form is to be completed whenever an employee is absent from work for		
40	more than three (3) days or when an employee has need to be absent from work for continuing		
41	treatment by (or under the supervision of) a health care provider.		
42			
43	An employer may require that a request for leave be supported by a certification issued at such		
44	time and in such manner as the Secretary may by regulation prescribe. If the Secretary issues a		
45	regulation requiring such certification, the employee shall provide, in a timely manner, a copy of		
10	and contification to the analogue		

such certification to the employer.

1 2

Medical Certification

3 The District will require medical certification to support a request for leave or any other absence 4 5 because of a serious health condition (at employee expense) and may require second or third opinions (at the employer's expense) and a fitness-for-duty report or return-to-work statement. 6

- 7
 - Intermittent/Reduced Leave
- 8 9

FMLA leave may be taken "intermittently or on a reduced leave schedule" under certain 10

circumstances. Where leave is taken because of birth or placement of a child for adoption or 11

foster care, an employee may take leave intermittently or on a reduced leave schedule only with 12

District approval. Where FMLA leave is taken to care for a sick family member or for an 13

employee's own serious health condition, leave may be taken intermittently or on a reduced 14

leave schedule when medically necessary. An employee may be reassigned to accommodate 15 intermittent or reduced leave. When an employee takes intermittent leave or leave on a reduced

- 16 leave schedule, increments will be limited to the shortest period of time that the District's 17
- 18 payroll.
- 19
- 20 Insurance
- 21

An employee out on FMLA leave is entitled to continued participation in the appropriate group 22

health plan, but it is incumbent upon the employee to continue paying the usual premiums 23

- throughout the leave period. An employee's eligibility to maintain health insurance coverage 24
- will lapse if the premium payment is more than thirty (30) days late. The District will mail 25

notice of delinquency at least fifteen (15) days before coverage will cease. 26

- 27
- Return 28

29 30 Upon return from FMLA leave, reasonable effort shall be made to place the employee in the

original or equivalent position with equivalent pay, benefits, and other employment terms. 31 32

- 33 Recordkeeping
- 34

Employees, supervisors, and building administrators will forward requests, forms, and other 35 material to payroll to facilitate proper recordkeeping. 36

- 37
- 38 Summer Vacation
- 39

The period during the summer vacation or other scheduled breaks (i.e., Christmas) an employee 40

would not have been required to work will not count against that employee's FMLA leave 41 entitlement.

- 2 The following procedures will be used when an employee has a long-term illness or temporary
- 3 disability, including maternity:
- 4 5 1. When any illness or temporarily disabling condition is "prolonged," an employee will be 6 asked by the administration to produce a written statement from a physician, stating that 7 the employee is temporarily disabled and is unable to perform the duties of his/her 8 position until such a time. 9 10 2. In the case of any extended illness, procedures for assessing the probable duration of the temporary disability will vary. The School District's maternity leave policy covers employees who are not eligible for FMLA 3 leave at Policy 5328. Maternity leave includes only continuous absence immediately prior to 4 adoption, delivery, absence for delivery, and absence for post-delivery recovery, or continuous 5 absence immediately prior to and in the aftermath of miscarriage or other pregnancy-related 6 complications. 7 8 9 The School District shall not refuse to grant an employee a reasonable leave of absence for pregnancy or require that an employee take a mandatory maternity leave for an unreasonable 10 length of time. The School District has determined that maternity leave shall not exceed 12 11 weeks unless mandated otherwise by the employee's physician. Employees will be required to 12 use appropriate accumulated paid leave concurrently while on FMLA leave. 13 14 The School District shall not deny to the employee who is disabled as a result of pregnancy any 15 compensation to which the employee is entitled as a result of the accumulation of disability or 16 leave benefits accrued pursuant to plans maintained by the employer, provided that the employer 17 may require disability as a result of pregnancy to be verified by medical certification that the 18 employee is not able to perform employment duties. 19 20 21 An employee who has signified her intent to return at the end of her maternity leave of absence 22 23 shall be reinstated to her original job or an equivalent position with equivalent pay and 24 accumulated seniority, retirement, fringe benefits, and other service credits. 25 The School District will review requests for Paternity Leave in accordance with any applicable 26 policy or collective bargaining agreement provision governing use of leave for family purposes. 27 28 § 49-2-310. All classified employees, except those in a temporary status, serving more than six (6) months, 1 are eligible to earn vacation leave credits retroactive to the date of employment. Leave credits 2 may not be advanced nor may leave be taken retroactively. A seasonal employee's accrued 3 vacation leave credits may be carried over to the next season, if management has a continuing 4 need for the employee, or paid out as a lump-sum payment to the employee when the season 5 ends (generally in June). The employee may request a lump-sum payment at the end of each 6 7 season. 8 9 Vacation is earned according to the following schedule: 10 **RATE-EARNED SCHEDULE** 11 12 Years of Working Days 13 Credit per Year Employment 14 1 day - 10 years 15 15 10 - 15 years 18 16 15 - 20 years 21 17 20 years on 24 18 19 20 Time as an elected state, county, or city official, as a school teacher, or as an independent contractor, does not count toward the rate earned. For purposes of this paragraph, an employee 21 of the District or the university system is eligible to have school district or university 22 employment time count toward the rate-earned schedule, if that employee was eligible for 23 24 annual leave in the position held with the school district or university system. 25 26 Maximum Accrual of Vacation Leave 27 28 All full-time and part-time employees serving in permanent and seasonal positions may 29 accumulate two (2) times the total number of annual leave credits they are eligible to earn per year, according to the rate-earned schedule. 30 31 Sick Leave Bank 32 33 An employee may contribute accumulated vacation leave to the sick leave bank provided for in 34 2-18-618, MCA. Donation of vacation leave credits to and use of vacation leave credits in the 35 sick leave bank are governed by terms of the current collective bargaining agreement. 36 37 Annual Pay-Out 38 39 40 The District will, subject to the terms of a collective bargaining agreement, provide cash compensation in January of each year for unused vacation leave in lieu of the accumulation of 41 vacation leave. 42

1	Compensatory Time and Overtime for Classified Employees
2	<u></u>
3 4	Non-exempt classified employees who work more than forty (40) hours in a given workweek may receive overtime pay of one and one-half $(1\frac{1}{2})$ times the normal hourly rate, unless the
5	District and the employee agree to the provision of compensation time at a rate of one and one-
6	half $(1\frac{1}{2})$ times all hours worked in excess of forty (40) hours in any workweek. The
7 8	Superintendent must approve any overtime work of a classified employee.
9	Under Montana law and the Federal Fair Labor Standards Act, a classified employee may not
10 11	volunteer to work without pay in an assignment similar to his or her regular work.
12 13	A non-exempt employee who works overtime without authorization may be subject to disciplinary action.
14	disciplinary action.
15 16	Blended Time
17 18	Classified Employees working two or more jobs for the District at different rates of pay shall be paid overtime at a weighted average of the differing wages. This shall be determined by dividing the total
19 20 21 22	regular remuneration for all hours worked by the number of hours worked in that week to arrive at the weighted average. One half that rate is then multiplied times the number of hours worked over 40 to arrive at the overtime compensation due.
23 24 25 26 27 28	Example: Employee works one job at 30 hrs./week at 10.00 /hr. The same employee works a different job at 20 hrs./week at 12.00 /hr. (Same district). The employee would get 300.00 per week for the 30 hr/week job ($10.00X30$) and 240.00 per week for the 20 hr./week job ($12.00X20$). A total of 540.00 (regular remuneration). Divide 540.00 by 50 (total hours worked) = 10.8 /hr (weighted average). One-half that rate ($10.80/2 = 5.40$) is multiplied by 10 (number of hours over 40). 54.00 is the amount of overtime compensation due the employee based on the "blended time".
 29 30 31 32 33 34 35 36 27 	NOTE: Please be advised that comp time is not required. If a district adopts a comp time policy, there are basically two (2) types of employees: 1) Those who are covered before the policy was adopted need to be treated on a case-by-case basis, and the agreement to allow comp time must be entered into before the work is performed. 2) Those hired after the policy is in place – the Department of Labor has determined that the employee agreed to the policy. Some experts have said comp time is a credit card, not a savings account. The employee has broad latitude to decide when the time will be taken.

1 Paraprofessional Paraprofessionals

2 3 Paraprofessionals, as defined in the appropriate job descriptions, are under the supervision of a principal and a teacher to whom the principal may have delegated responsibility for close 4 direction. The nature of the work accomplished by paraprofessionals will encompass a variety of 5 tasks that may be inclusive of "limited instructional duties." 6 7 Paraprofessionals are employed by the District mainly to assist the teacher. A paraprofessional 8 9 is an extension of the teacher, who legally has the direct control and supervision of the classroom or playground and responsibility for control and the welfare of the students. 10 11 12 It is the responsibility of each principal and teacher to provide adequate training for a 13 paraprofessional. This training should take into account the unique situations in which a 14 paraprofessional works and should be designed to cover the general contingencies that might be 15 expected to pertain to that situation. During the first thirty (30) days of employment, the 16 supervising teacher or administrator shall continue to assess the skills and ability of the 17 18 paraprofessional to assist in reading, writing, and mathematics instruction. 19 The Superintendent shall develop and implement procedures for an annual evaluation of 20 teachers' aides/paraprofessionals. Evaluation results shall be a factor in future employment 21 decisions. 22 23 If the school receives Title I funds, the District shall notify parents of students attending the 24 25 school annually that they may request the District to provide information regarding the professional qualifications of their child's paraprofessionals, if applicable. 26 27 20 U.S.C. § 6319 28 Legal Reference: Qualifications for teachers and paraprofessionals 29 Policy History: 30

3 Note:

4 5 (1) Any school district offering a group "health care plan" for its employees is affected by HIPAA. School districts offering health plans that are self-insured will be entirely responsible 6 for compliance with HIPAA, despite a third party administrator managing the plan. School 7 8 districts may also be subject to HIPAA as a "health care provider" by either having a schoolbased health center or a school nurse. School-based health centers staffed and serviced by a 9 hospital or local health department are responsible for complying with HIPAA if there is a 10 sharing of records containing health information. For those districts providing the services of a 11 school nurse, HIPAA regulations issued in 2000 commented that an "educational institution that 12 employs a school nurse is subject to [the] regulations as a health care provider if the school 13 nurse or the school engaged in a HIPAA transaction." This transaction occurs when a school 14 nurse submits a claim electronically. 15 16 (2) Any personally identifiable health information contained in an "education record" under 17 FERPA is subject to FERPA, not HIPAA. 18 19 20 Background 21 Health Insurance Portability and Accountability Act of 1996 (HIPAA) 22 23 The District's group health plan is a Covered Entity under the Health Insurance Portability and 24 Accountability Act of 1996 (HIPAA) and its implementing regulations, the Standards for the 25 Privacy of Individually Identifiable Information. In order to comply with HIPAA and its related 26 regulations, the District has implemented the following HIPAA Privacy Policy: 27 28 29 **The HIPAA Privacy Rule** 30 HIPAA required the federal government to adopt national standards for *electronic health care* 31 transactions. At the same time, Congress recognized that advances in electronic technology 32 could erode the privacy of health information and determined there was a need for national 33 privacy standards. As a result HIPAA included provisions which mandated the adoption of 34 federal privacy standards for individually identifiable health information. 35 36 The standards found in the Privacy Rule are designed to protect and guard against the misuse of 37 individually identifiable health information, with particular concern regarding employers using 38 39 an employee's (or dependent's) health information from the group health plan to make adverse employment-related decisions. The Privacy Rule states that verbal, written, or electronic 40 information that can be used to connect a person's name or identity with medical, treatment, or 41 health history information is Protected Health Information (PHI) under the HIPAA Privacy Rule. 42 43 44 Under the HIPAA Privacy Rule:

1						
2	1.	Individuals have a right to access and copy their health record to the extent allowed by				
3		HIPAA.				
4						
5	2.	Individuals have the right to request an amendment to their health record. The plan may				
6		deny an individual's request under certain circumstances specified in the HIPAA Privacy				
7		Rule.				
8						
9	3.	Individuals have the right to an accounting of disclosures of their health record for				
10	5.	reasons other than treatment, payment, or healthcare operations.				
11						
12	4.	PHI, including health, medical, and claims records, can be used and disclosed without				
13		authorization for specific, limited purposes (treatment, payment, or operations of the				
14		group health plan). A valid authorization from the individual must be provided for use or				
15		disclosure for other than those purposes.				
16						
17	5.	Safeguards are required to protect the privacy of health information.

26	The D	istrict Clerk has been designated Privacy Officer. The Privacy Officer will oversee all				
27		ng activities related to the development, implementation, maintenance of, and adherence to

20 29	information in compliance with HIPAA, other applicable federal and state laws, and the					
30		ct's privacy practices.				
31	DIStill	et s privacy practices.				
32	As rec	juired for a Covered Entity under HIPAA, the plan has developed these internal privacy				
33	policies and procedures to assure that PHI is protected and that access to and use and disclosure					
34	-	I are restricted in a manner consistent with HIPAA's privacy protections. The policies and				
35	procedures recognize routine and recurring disclosures for treatment, payment, and healthcare

38 39		participants are entitled to receive a copy of the plan's policies and procedures upon

40 41	reques	J.

provide only the minimum PHI necessary for the stated purpose and, as required under the

PERSONNEL

Page 3 of 5

Privacy Rule, will provide PHI only to individuals with a legitimate need to know for plan 1 2 operations purposes.

3

The District has distributed a notice of privacy practices to plan participants. The notice informs 4 plan participants of their rights and the District's privacy practices related to the use and

- 5 disclosure of PHI. A copy of this notice may be obtained by contacting the Privacy Officer. 6
- 7

8 The District has reviewed how PHI is used and disclosed by the plan and has limited disclosure

- of that information to employees who have a legitimate need to know or possess the PHI for 9
- healthcare operations and functions. The District will make reasonable efforts to use de-10
- identified information whenever possible in the operations of the plan and will only use the 11 minimum PHI necessary for the stated purpose.
- 12 13

Some of the District's employees need access to PHI in order to properly perform the functions 14

of their jobs. The District has identified these employees and has given them training in the 15

important aspects of the HIPAA Privacy Rule, the privacy policy, and procedures. New 16

employees who will have access to PHI will receive training on the HIPAA Privacy Rule and 17

related policies and procedures as soon as reasonably possible after they are employed. 18

Employees who improperly use or disclose PHI or misuse their access to that information may 19

- be subject to discipline, as deemed appropriate. 20
- 21

In the event the group health plan must disclose PHI in the course of performing necessary plan 22 23 operations functions or as required by law or a governmental agency, the District has developed a system to record those disclosures and requests for disclosures. An individual may request a 24 list of disclosures of his or her PHI made by the plan for other than treatment or claims payment 25 purposes. All requests for an accounting of PHI disclosures must be made in writing, and the 26 plan may impose fees for the cost of production of this information. Requests will be responded 27 to within sixty (60) days. If the plan is not able to provide the requested information within sixty 28 (60) days, a written notice of delay will be sent to the requesting individual, with the reasons for 29 30 the delay and an estimated time for response.

31

In order to comply with the new privacy regulations, the plan has implemented compliant 32

communication procedures. Except for its use in legitimate healthcare operations, written 33

permission will be required in order for the District to disclose PHI to or discuss it with a third 34

- 35 party.
- 36

The HIPAA Privacy Rule prohibits the District from disclosing medical information without the 37

patient's written permission other than for treatment, payment, or healthcare operations purposes. 38 39 An authorization signed by the patient and designating specified individuals to whom the District

may disclose specified medical information must be on file, before the plan can discuss a 40

patient's medical information with a third party (such as a spouse, parent, group health plan 41 representative, or other individual).

42 43

44 The District has taken the following steps to ensure PHI is safeguarded:

Page 4 of 5

1					
2	• The District has implemented policies and procedures to designate who has and who does				
3	not have authorized access to PHI.				
4 5	• Documents containing PHI are kept in a restricted/locked area.				
6	Documents containing i in ale repoint a resultered notice area.				
7	• Computer files with PHI are password protected and have firewalls making unauthorized				
8 9	access difficult.				
10	• Copies of PHI will be destroyed when information is no longer needed, unless it is				
11	required by law to be retained for a specified period of time.				
12	The District will get anomative to take accouncils an economic to mitigate any homeful offects				
13 14	• The District will act promptly to take reasonable measures to mitigate any harmful effects known to the group health plan, due to a use or disclosure of PHI in violation of the				
15	plan's policies, procedures, or requirements of the HIPAA Privacy Rule.				
16					
17	• The District will appropriately discipline employees who violate the District's group				
18 19	health plan's policies, procedures, or the HIPAA Privacy Rule, up to and including termination of employment if warranted by the circumstances.				
20	termination of employment if warranted by the encambrances.				
21	The District has received signed assurances from the plan's business associates that they				
22	understand the HIPAA Privacy Rule, applicable regulations, and the Privacy Policy and will				
23 24	safeguard PHI just as the plan would.				
2 4 25	The contract claims payor and certain other entities outside the group health plan require access				
26	on occasion to PHI, if they are business associates of the group health plan and in that role need				
27	to use, exchange, or disclose PHI from the group health plan. The plan requires these entities to				
28	sign an agreement stating they understand HIPAA's privacy requirements and will abide by				
29 30	those rules just as the group health plan does, to protect the PHI to which they have access. For example the plan engages a certified public accountant to audit the plan annually and to make				
31	sure payments are made in compliance with the Plan Document. In order for the CPA to				
32	complete an audit, the auditor reviews a sample of the claims for accuracy.				
33					
34 35	The District will ensure health information will not be used in making employment and compensation decisions. The HIPAA Privacy Rule and other applicable laws expressly prohibit				
35 36	an employer from making adverse employment decisions (demotions, terminations, etc.) based				
37	on health information received from the group health plan. To the extent possible, the District				
38	has separated the plan operations functions from the employment functions and has safeguards in				
39	place to prevent PHI from the plan from going to or being used by an employee's supervisor,				
40	manager, or superior to make employment-related decisions.

IV. DEFINITIONS

- A. Fund balance---means the arithmetic difference between the assets and liabilities reported in a school district fund.
- B. Committed fund balance—amounts constrained to specific purposes by the District itself,
 using its highest level of decision-making authority; to be reported as committed,
- amounts cannot be used for any other purpose unless the District takes the same highest level action to remove or change the constraint
- C. Assigned fund balance—amounts a school district *intends* to use for a specific purpose;
 intent can be expressed by the District or by an official to which the Board of Trustees
 delegates the authority
- D. *Nonspendable fund balance*—amounts that are not in a spendable form (such as inventory) or are required to be maintained intact (such as the corpus of an endowment fund)
- E. *Restricted fund balance*—amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation
- F. Unassigned fund balance—amounts that are available for any purpose; these amounts are

29	in compliance	with the four re	easons stated above, w	vithin 2 full school fiscal years after the funds
30	are transferred, must be transferred back to the originating fund from which the revenue was

Bus Routes and Schedules 1 2 The Superintendent's designee is responsible for scheduling bus transportation, including 3 4 determination of routes and bus stops. Such routes are subject to approval of the county transportation committee. The purpose of bus scheduling and routing is to achieve maximum 5 6 service with a minimum fleet of buses consistent with providing safe and reasonably equal 7 service to all bus students. 8 In order to operate the transportation system as safely and efficiently as possible, the following 9 10 factors shall be considered in establishing bus routes: 11 A school bus route shall be established with due consideration of the sum total of local 12 1. conditions affecting the safety, economic soundness, and convenience of its operation, 13 including road conditions, condition of bridges and culverts, hazardous crossings, 14 presence of railroad tracks and arterial highways, extreme weather conditions and 15 variations, length of route, number of families and children to be serviced, availability of 16 turn-around points, capacity of bus, and related factors. 17 18 2. The District may extend a bus route across another transportation service area, if it is 19 20 necessary in order to provide transportation to students in the District's own transportation service area. A district may not transport students from outside its 21 transportation service area. 22 23 24 3. School bus drivers are encouraged to make recommendations in regard to establishing or changing routes. 25 26 27 5. Parents should be referred to the Superintendent for any request of change in routes, stops, or schedules. 28 29 The Board reserves the right to change, alter, add, or delete any route at any time such changes 30 are deemed in the best interest of the District, subject to approval by the county transportation 31 committee. 32 33 34 **Bus Stops** 35 Buses should stop only at designated places approved by school authorities. Exceptions should 36 37 be made only in cases of emergency and inclement weather conditions. 38 39 Bus stops shall be chosen with safety in mind. Points shall be selected where motorists approaching from either direction will have a clear view of the bus for a distance of at least three 40 hundred (300) to five hundred (500) feet. 41 42 8110 43 page 2 of 3 44 45 School loading and unloading zones are to be established and marked to provide safe and orderly 46

16	Responsibilities - Parents
17	-
18 19 20	The interest and assistance of each parent is a valued asset to the transportation program. Parents' efforts toward making each bus trip a safe and pleasant experience are requested and appreciated. The following suggestions are only three of the many ways parents can assist:
21 22 23	1. Ensure that students are at the bus stop in sufficient time to efficiently meet the bus.
23 24 25	2. Properly prepare children for weather conditions.
23 26 27 28	3. Encourage school bus safety at home. Caution children regarding safe behavior and conduct while riding the school bus.
29	<u>Safety</u>
30 31 32	The Superintendent will develop written rules establishing procedures for bus safety and emergency exit drills and for student conduct while riding buses.
33 34 35 36	If the bus and driver are present, the driver is responsible for the safety of his/her passengers, particularly for those who must cross a roadway prior to loading or after leaving the bus. Except in emergencies, no bus driver shall order or allow a student to board or disembark at other than

Transportation of Students With Disabilities 1 2 3 Transportation shall be provided as a related service, when a student with a disability requires 4 special transportation in order to benefit from special education or to have access to an 5 appropriate education placement. Transportation is defined as: 6 7 Travel to and from school and between schools; (a) 8 9 (b) Travel in and around school buildings or to those activities that are a regular part of the 10 student's instructional program; 11 Specialized equipment (such as special or adapted buses, lifts, and ramps) if required to 12 (c) provide special transportation for a student with disabilities. 13 14 15 The Evaluation Team that develops the disabled student's Individualized Education Program will determine, on an individual basis, when a student with a disability requires this related service. 16 Such recommendations must be specified on the student's IEP. Only those children with 17 18 disabilities who qualify for transportation as a related service under the provisions of the IDEA shall be entitled to special transportation. All other children with disabilities in the District have 19 20 access to the District's regular transportation system under policies and procedures applicable to 21 all District students. Utilizing the District's regular transportation service shall be viewed as a "least restrictive environment." 22 23 24 Mode of Transportation 25 One of the contracted buses will be the preferred mode of transportation. Exceptions may be 26 made in situations where buses are prohibited from entering certain subdivisions due to 27 inadequate turning space, or when distance from school may seriously impact bus scheduling. In 28 29 such situations other arrangements, such as an individual transportation contract, may be 30 arranged with parents. 2

For purpose of this policy, "disaster means the occurrence or imminent threat of damage, injury,
or loss of life or property".

5

6 The Board recognizes that safety and health standards should be incorporated into all aspects of

7 the operation of the District. Rules for safety and prevention of accidents will be posted in

8 compliance with Montana Safety Culture Act and the Montana Safety Act. Injuries and

9 accidents will be reported to the District office.

10

11 The board of trustees has identified the following local hazards that exists within the boundaries

12 of its school district: Fire, Earthquake, Avalanche, High Winds, Tornadoes, Intruders, Firearms,

13 Flooding, etc.

14

15 The Superintendent **or** building principal shall design and incorporate drills in its school safety

16 or emergency operations plan to address the above stated hazards. The trustees will certify to the

17 office of public instruction that a school safety or emergency operations plan has been adopted.

18 This plan and procedures will be discussed and distributed to each teacher at the beginning of

19 each school year. There will be at least eight (8) disaster drills a year in a school. All teachers

20 will discuss safety drill procedures with their class at the beginning of each year and will have

them posted in a place next to the exit door. The drills must be held at different hours of the day or evening to avoid distinction between drills and actual disasters. A record will be kept of all

fire drills.

24

25 The trustees shall review the school safety or emergency operations plan at its regular June

26 meeting and update the plan as determined necessary by the trustees based on changing

27 circumstances pertaining to school safety. Once the trustees have made the certification to the

Office of Public Instruction, the trustees may transfer funds pursuant to Section 2, 20-1-401,

29 MCA to make improvements to school safety and security.

1 Service Animal Allowance Procedure

2

The School District will honor requests for service animals by students or staff in accordance 3 with the applicable Section 504 or Special Education policy adopted by the Board of Trustees. 4 The following procedures have been developed which will help guide the administration when a 5 request for the use of a service animal has been presented by an individual with a disability. 6 7 8 Inquiries: The administration shall not ask about the nature or extent of a person's disability, but 9 may make two inquiries to determine whether an animal qualifies as a service animal. The administration may ask if the animal is required because of a disability and what work or task the 10 animal has been trained to perform. The administration shall not require documentation, such as 11 proof that the animal has been certified, trained, or licensed as a service animal. Generally, the 12 administration may not make these inquiries about a service animal when it is readily apparent 13 that an animal is trained to do work or perform tasks for an individual with a disability (*e.g.*, the 14 dog is observed guiding an individual who is blind or has low vision, pulling a person's 15 wheelchair, or providing assistance with stability or balance to an individual with an observable 16 17 mobility disability). 18 *Exclusions:* The administration may ask the individual to remove the service animal from the 19 premises if the animal is out of control and the handler does not take effective action to control 20 it, or if the animal is not housebroken. If the administration properly excludes the service animal, 21 it shall give the individual the opportunity to participate in the service, program, or activity 22 23 without having the service animal on the premises. 24 Surcharges: The administration shall not ask or require the individual to pay a surcharge, even if 25 people who are accompanied by pets are required to pay fees, or to comply with other 26 requirements generally not applicable to people without pets. If the District normally charges 27 individuals for the damage they cause, the individual may be charged for damage caused by his 28 or her service animal. 29 30 *Miniature horses assessment factors:* In determining whether reasonable modifications can be 31 made to allow a miniature horse into a specific facility, the District shall consider: 32 33 34 • The type, size, and weight of the miniature horse • Whether the miniature horse is housebroken, and 35 • Whether the miniature horse's presence in a specific facility compromises legitimate 36 safety requirements that are necessary for safe operation. 37 38 Legal Reference: 39 40 41 Policy History:

1 2	The District supports the use of therapy dogs and other therapy animals by teachers or other qualified school personnel ("Owner") for the benefit of its students, subject to the conditions of this policy.
3 4 5	Therapy Animals
5 6 7 8 9	Therapy dogs and other therapy animals are family pets that are trained and registered or certified through therapy organizations. They are only half of the therapy team. The handler is the other half. Therapy teams enter the school by invitation or prior approval.
10 11 12 13	A therapy animal is not a service animal, and unlike a service animal, a therapy animal does not assist a person with a disability with activities of daily living, nor does it accompany a person with a disability at all times. Therapy animals do not have legal rights.
14 15	Requirements of Therapy Animals and User/Owners
16 17 18	Individuals with disabilities using therapy or companion animals are responsible for their animals at all times and must comply with the following requirements:
19 20	Request: An Owner must submit a written request to the Superintendent. The request must be renewed each school year or whenever a different therapy animal will be used.
21 22 23 24 25	Registration, Training and Certification: The Owner must register the therapy animal and provide documentation of the registration, certification, and training to the Superintendent. The registration and certification must remain current at all times.
25 26 27 28 29	Health and Vaccination: The therapy animal must be clean, well groomed, in good health, house broken, and immunized against diseases common to dogs. The Owner must submit proof of current licensure from the local licensing authority and proof of the therapy animal's current vaccinations and immunizations from a licensed veterinarian.
30 31 32 33	Control: A therapy animal must be under the control of the "Owner", at all times, through the use of a leash or other tether unless the use of a leash or other tether would interfere with the therapy animals' safe, effective performance of its work or tasks.
34 35 36 37	Identification: The therapy animals must wear appropriate visible identification that identifies in writing that the animal is a therapy animal.
37 38 39 40	Behavior: The Owner must take responsibility for the behavior of the animal in private and public places, and for due care and diligence in the use of the animal on school district property.
41 42 43	Health and Safety: The therapy animal must not pose a health and safety risk to any student, employee, or other person at the school.
44 45 46 47 48	Supervision and Care of Therapy Animals: The Owner is solely responsible for the supervision and care of the therapy dog, including any feeding, exercising, and clean-up while the animal is in the school building or on school property. The school district is not responsible for providing any care, supervision, or assistance for a therapy animal.

8426 Page 2 of 2

1 2	Authorized Areas: The Owner shall only allow the therapy animal to be in areas in school buildings or on school property that are authorized by the school administrators.
3	
4	Insurance: The Owner must submit a copy of an insurance policy that provides liability coverage for the
5	therapy animal while on school property.
6	
7	Exclusion or Removal from School. A therapy animal may be excluded from school property and
8	buildings if a school administrator determines that:
9	(1) A handler does not have control of the therapy animal;
10	(2) The therapy animal is not house broken;
11	(3) The therapy animal presents a direct and immediate threat to others in the school; or
12	(4) The animal's presence otherwise interferes with the educational process.
13	
14	The Owner shall be required to remove the therapy animal from school premises immediately upon such a
15	determination.
16	Allergic Reactions. If any student or school employee assigned to a classroom in which a therapy animal
17	is permitted, and suffers an allergic reaction to the therapy animal, the Owner of the animal will be
18 19	required to remove the animal to a different location designated by an administrator.
20	required to remove the animal to a different location designated by an administrator.
20	Damages to School Property and Injuries: The Owner of a therapy animal is solely responsible and
22	liable for any damage to school property or injury to personnel, students, or others caused by the therapy
23	animal.
24	
25	Therapy Animals in Training; This policy shall also be applicable to therapy animals in training that are
26	accompanied by a bona fide trainer.
