scheduled times
Freshmen & Juniors work remotely using Canvas

All remote classes will be conducted using Microsoft Teams. Classes will be recorded and posted to Canvas for students to view if they are absent (for future reference). Students are expected to follow procedures for remote classes attached.

Remote academic classes will run 30-45 minutes. Remote lab classes will run 45-90 minutes. Students must be online during their scheduled times.

Attendance will be taken in remote classes. Students who do not attend will be marked absent. Please note, JVS policies regarding attendance and truancy still apply.

Procedures for Remote Classes

All Remote Classes will be held via Microsoft Teams. All classes will be recorded and posted to Canvas in case of absences.

Students will be expected to be in their classes at the scheduled times. Attendance will be taken in all classes, with students who are not in attendance marked absent in Powerschool. JVS policies regarding attendance and truancy apply to synchronous learning.

Students are expected to follow the JVS Code of Conduct in all remote classes. Inappropriate or disruptive behavior will be subject to discipline.

Students do not have to be in JVS Dress Code during synchronous classes, but they must be dressed appropriately for school.

Students do not have to have their camera turned on through the entire class, but must turn it on for attendance purposes if requested to do so by the teacher.

Students must mute/unmute their microphone when requested to do so by the teacher.

Students may not post inappropriate messages/signs/symbols in the remote learning environment.

Individual classroom rules apply for all synchronous classes.

Students are responsible for all work assigned in synchronous classes as well as on independent study days.
