

Greetings,

In case you haven't seen it, people can go to vaccinenm.org/kids to register their children for the vaccine once it has been finally approved sometime soon.

The long version of the website is: <https://goodtimes.vaccinenm.org/dependents/>

The site allows parents to register, download consent forms and so on.

Do you need additional help?

Individuals who have questions or would like support with the registration process – including New Mexicans who do not have internet access – **can dial 1-855-600-3453, press option 0 for vaccine questions, and then option 3 for tech support.** The call center is open every day from 8 AM to 5 PM.

Looking for your COVID vaccine record/card? Go here: vaxviewnm.org

Please let me know if you have any questions and I would be happy to direct you to an answer or to good sources of information.

Thanks,
