- **Learning Labs are Here:** Learning labs are here for the 24-25 school year. Learning lab is available to students during 4th period, 7th period and before school. Stop by during your lunch, study hall or release. This is an opportunity to get extra help on assignments outside of your regular class period. Students, you must bring questions, assignments, class materials, or notes which you would like extra support on to the learning lab. Labs are available in math and science. For a full schedule of lab offerings, please see the signs posted around school, ask your teacher, or check your avoneagles gmail. If you wish to go to learning lab during your lunch, sign out a commons hall pass near the athletic office and head straight to get your lunch. You do not need to wait for your color to be called, or if you pack your lunch, you can report directly to the learning lab.
