ANNUAL ASBESTOS NOTIFICATION

All District 23 schools have been inspected for asbestos containing materials. The original AHERA management plan was conducted in 1988 and is on file at each school office as well as the District office. In addition, every three (3) years, a reinspection is conducted by an IDPH licensed asbestos inspector, these reports are on file as well. If you have any further questions, please contact the buildings & grounds department.
