## Group Insurance Certificate

We agree to pay benefits subject to the provisions, definition, limitations and conditions of the master policy. The master policy (herein called the Policy) is a contract issued by MedMutual Life Insurance Company to Your Employer (herein called the Policyholder). If the terms and provisions of the Certificate of Coverage (issued to You) are different from the Policy (issued to the Policyholder), the Policy will govern. Your coverage may be canceled or changed in whole or in part under the terms and provisions of the Policy.

This is Your certificate of coverage as long as You are eligible for insurance. It is not a contract or a part of one. Your benefits are described in plain English, but a few terms and provisions are written as required by insurance law. This is not a summary plan description or an Employee Retirement Income Security Act (ERISA) Plan Document by itself. However, it may be attached to a document prepared by Your group that is called a summary plan description.

### PLEASE READ CAREFULLY

If You have any questions, please contact the Benefits Administrator at Your place of employment or write to Us. We will assist You in any way We can to help You understand Your benefits.

## DEFINITIONS

**This section explains the meaning of special words and phrases used in this Certificate. To help recognize these special words and phrases, the first letter of each word, or each word in the phrase, is capitalized wherever it appears.**

**Accident or Accidental** means a sudden, unexpected event that was not reasonably foreseeable and occurs independently of disease, illness or bodily infirmity.

**Actively at Work or Active Work** means that You are:

1. performing the Material and Substantial Duties of Your occupation; and
2. working the number of hours set forth in the Application; and
3. paid full-time or part-time earnings from the Policyholder.

The worksite must be at the Policyholder's usual place of business or at a location the Policyholder has authorized You to work. You are not considered Actively at Work when You are off work or lose time due to Sickness, Injury, Leave of Absence, strike or lay-off. Paid days off will count as Actively at Work if You were fully capable of performing the Material and Substantial Duties of Your regular occupation during the paid days off, provided You were Actively at Work on the last working day prior to the paid days off. You will be considered Actively at Work on each day of a regular paid vacation or on a regular non-working day provided You were Actively at Work on the last working day prior to paid vacation. If You are receiving paid days off as part of a severance agreement, You are not considered to be Actively at Work.

**Application** means the document which sets forth the eligible classes, the amounts of insurance, and other relevant information pertaining to the plan of insurance for which the Policyholder applied. The Application is attached to and forms a part of the Policy, and shall include any subsequent amendments to the Application.

**Base Annual Earnings/Base Annual Salary**, means the gross annual compensation prior to before-tax payroll deductions, if any,

1. which You earn from Your occupation with the Policyholder; and
2. which was used in the calculation and remittance of premium.

It does not include salary from overtime, bonuses or any other form of extra pay. If Your salary is based in whole or in part on commissions, Base Annual Salary will include the amount paid in commissions. Commissions will be the lesser of the average annual commissions received during the immediately preceding 12 calendar month period of employment with the Policyholder or the average annual commissions received during the period of actual employment with the Policyholder, if employed less than 12 months.

**Basic Weekly Wage** means the gross weekly compensation prior to before-tax payroll deductions, if any,

1. which You earn from Your occupation with the Policyholder; and
2. which was used in the calculation and remittance of premium.

It does not include compensation from overtime, bonuses or any other form of extra pay. If Your compensation is based in whole or in part on commissions, Basic Weekly Wage will include the weekly average paid in commissions.

**Base Annual Earnings/Base Annual Salary**, if You are a Partner means Your annual net taxable income derived from the partnership during the calendar year prior to the date of Your loss, as reported on the partnership federal income tax return as the "net Salary (loss) from self-employment." If You also received a W-2 from the partnership during the year, Your base annual salary is the sum of Your gross annual compensation and the net salary from self-employment.

If You were not a partner during the calendar year prior to the date of loss, Base Annual Salary means Your annual compensation (excluding dividends, capital gains, and return of capital) from the partnership prior to the date of Your loss, determined in accordance with the terms of the applicable partnership agreement. In the event of a disagreement between Us and the claimant, an adjustment will be made, if warranted, after Your subsequent federal income tax return is submitted to Us.

No benefits are payable when any of the above calculations result in an amount less than zero.

**Basic Weekly Wage**, if You are a Partner means Your Base Annual Salary derived from the Policyholder for the calendar year prior to the date of Your loss, divided by the number of weeks included in the partnership taxable year.

If You were not a partner during the calendar year prior to the date of loss, Basic Weekly Wage means Your average weekly compensation (excluding dividends, capital gains, and return of capital) from the partnership prior to the date of Your loss, determined in accordance with the terms of the applicable partnership agreement. In the event of a disagreement between Us and the claimant, an adjustment will be made, if warranted, after Your subsequent federal income tax return is submitted to Us.

No benefits are payable when any of the above calculations result in an amount less than zero.

**Base Annual Earnings/Base Annual Salary** if You are a Sole Proprietor or Shareholder in a Subchapter S Corporation or a member in a Limited Liability Company, Your annual net taxable income (excluding dividends, capital gains, and return of capital) derived from the Policyholder for the calendar year prior to the date of Your loss, as reported on Your federal income tax return. Your annual net taxable income equals A minus B, where:

A = Your annual taxable income derived from the Policyholder for the prior calendar year (excluding dividends, capital gains, and return of capital), as reported on Your federal income tax return; and

B = Your annual deductible work expenses attributable to Your work for the Policyholder during the prior calendar year, as reported on Your federal income tax return.

If You were not a sole proprietor or shareholder in a Subchapter S corporation or a member in a Limited Liability Company during the calendar year prior to the date of Your loss, Base Annual Salary means Your annual net taxable income derived from the Policyholder for the period You were a sole proprietor or shareholder in a Subchapter S corporation or a member in a Limited Liability Company prior to the date of Your loss. Your annual net taxable income will be based on the taxable income derived from the Policyholder for the period of Your work as a sole proprietor or shareholder in a Subchapter S corporation or a member in a Limited Liability Company for the Policyholder, taking into account Your deductible work expenses attributable to Your work for the Policyholder during the same period. If You also received a W-2 from the entity during the year, Your base annual salary is the sum of Your gross annual compensation and the net salary from self-employment.

No benefits are payable when any of the above calculations result in an amount less than zero.

**Basic Weekly Wage** if You are a Sole Proprietor or Shareholder in a Subchapter S Corporation or a member in a Limited Liability Company, means Your Base Annual Salary derived from the Policyholder for the calendar year prior to the date of Your loss, as reported on Your federal income tax return divided by the number of weeks included in the taxable year.

If You were not a sole proprietor or shareholder in a Subchapter S corporation or a member in a Limited Liability Company during the calendar year prior to the date of Your loss, Basic Weekly Wage means Your average weekly net taxable income derived from the Policyholder on the Application for the period You were a sole proprietor or shareholder in a Subchapter S corporation or a member in a Limited Liability Company prior to the date of Your loss. Your average weekly net taxable income will be based on the taxable income derived from the Policyholder on the Application for the period of Your work as a sole proprietor or shareholder in a Subchapter S corporation or a member in a Limited Liability Company for the Policyholder, taking into account Your deductible work expenses attributable to Your work for the Policyholder during the same period.

No benefits are payable when any of the above calculations result in an amount less than zero.

## ELIGIBILITY AND EFFECTIVE DATE PROVISIONS

### Eligibility

All Employees who belong to an eligible class and work the minimum number of hours as set forth by the Policyholder on the Application are eligible for group insurance. An Employee must be Actively at Work for His insurance coverage to become effective.

We agree to waive the Actively at Work provision for Life Insurance and Accidental Death & Dismemberment Insurance on a premium paying basis, for You if:

1. You are not disabled; and
2. You are on lay-off, Leave of Absence, or sabbatical leave; and
3. You were being covered by an extension of benefits provision under the prior carrier's policy on the day immediately preceding the Policy effective date; and
4. You are no longer eligible for coverage under the prior carrier's policy.

Life Insurance and Accidental Death & Dismemberment Insurance will continue under this provision for the balance of the time provided for under the prior carrier's policy, but not to exceed a total of 3 months.

### Effective Date of Coverage (Noncontributory Benefits)

If You are Actively at Work, You will become insured for Noncontributory benefits under the Policy on the day following completion of the Waiting Period, if any, set forth in the Application by the Policyholder, provided the Policyholder has paid any premium the Policyholder is obligated to pay.

If You waive all or a portion of Your Noncontributory coverage and choose to enroll at a later date, You will be considered a Late Applicant and must furnish evidence of insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the evidence is satisfactory and We provide written notice of approval.

### Effective Date of Coverage (Contributory Benefits)

You may apply for Contributory insurance coverage. Your coverage will become effective as follows, provided You are Actively at Work on that date:

1. If Your enrollment form is signed on or before the end of the Waiting Period, if any, as stated in the Application, the coverage will become effective on the day following completion of the Waiting Period.
2. If Your enrollment form is signed after the end of the Waiting Period, but within 31 days following the completion of the Waiting Period, the coverage will become effective the date You sign the enrollment form.
3. If Your enrollment form is signed following this 31 day period, You will be considered a Late Applicant and must furnish evidence of insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the evidence is satisfactory and We provide written notice of approval.

### Deferred Effective Date

You must be Actively at Work on the date Your initial coverage is scheduled to begin. If:

1. You are absent from Active Work on the date such coverage would otherwise become effective; and
2. Your absence is caused by an Injury, Sickness or layoff,

the effective date of any initial coverage or increased coverage will be deferred until the first day You return to Active Work. You will be considered Actively at Work if You were actually at work on the day immediately preceding:

1. a weekend (except for one or both of these days if they are scheduled work days);
2. a holiday (except when such holiday is a scheduled work day);
3. a paid vacation;
4. any nonscheduled work day.

### **Evidence of Insurability**

Evidence of insurability is required:

1. when the amount of insurance exceeds the non-medical maximum, as shown in the Schedule of Benefits; or
2. if You enroll for Yourself, Your spouse, and/or Your Dependents for contributory coverage more than 31 days after Your initial date of eligibility; or
3. if You have waived all or a portion of Your Noncontributory coverage and enroll at a later date; or
4. if You elect an increase in coverage.; or
5. for any life insurance increase of \$50,000 or more resulting from an increase in salary, in excess of a benefit amount previously approved based upon satisfactory evidence of insurability.

### **Effective Date if We Require Evidence of Insurability**

If You are required to submit evidence of insurability satisfactory to Us, insurance in the amount for which We require such evidence will become effective on the date We determine that the evidence is satisfactory and We provide written notice of approval.

### **Effective Date of Changes in Amount of Benefit**

Any change in the amount of Your benefits, including Your insured Dependents, caused by a change in class, change in salary, age reduction or amendment to the Policy will become effective on the effective date of change. If the change results in an increase in the amount of insurance, You must be Actively at Work on that date. If You are not Actively at Work, the increase will take effect on the day You are again Actively at Work.

### **Reinstatements**

If Your coverage terminates due to termination of employment and You return to active work within six months, We will not apply a new hire eligibility Waiting Period or require evidence of insurability if You enroll within 31 days.

## GROUP TERM LIFE INSURANCE BENEFIT

THIS BENEFIT ONLY APPLIES TO YOU IF IT IS SHOWN ON YOUR SCHEDULE OF BENEFITS, YOU HAVE ELECTED GROUP TERM LIFE INSURANCE AND YOU HAVE PAID OR AGREE TO PAY THE APPLICABLE PREMIUM.

### Benefit Payment

We will pay Your beneficiary the amount of life insurance in force as of the date of Your death provided You are insured under the Policy on the date of death.

Settlement will be made upon receipt of Proof of death or not later than two (2) months after receipt of such Proof.

We will determine the amount of insurance payable based upon the Schedule of Benefits.

### Beneficiary

Your beneficiary designation must be made on a form which We provide or on a form accepted by Us. If two or more beneficiaries are named, payment of proceeds will be apportioned equally unless You have specified otherwise. The Policyholder may not be named as beneficiary.

Unless You provided otherwise, if a beneficiary dies before You, We will divide that beneficiary's share equally between any remaining named beneficiaries.

If no named beneficiary survives You or if You do not designate a beneficiary, We will pay the amount of insurance:

1. to Your spouse, if living; if not,
2. in equal shares to Your then living natural or adopted child(ren), if any; if none,
3. in equal shares to Your father and mother, if living; if not,
4. to Your estate.

If a beneficiary is a minor, or is not able to give a valid release for any payment of benefits made, We will not make payment until a claim is made by the person or entity which, by court order, has been granted control of the estate of such beneficiary. This provision does not prevent Us from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law.

If any benefits under this provision are to be paid to Your estate, We may pay an amount not greater than \$2,000 to any person We consider to be equitably entitled by reason of having incurred funeral or other expenses incident to Your death. Any and all payments made by Us shall fully discharge Us in the amount of such payment.

### Change of Beneficiary

You may change Your beneficiary at any time by completing a change request form, or a form accepted by Us, and sending it to the Policyholder. Your written request for change of beneficiary will not be effective until it is recorded by the Policyholder. After the change request has been received, the change will take effect on the later of the date You signed the change request form or the date You specifically requested. A change submitted electronically will take effect on the later of the date We received the electronic submission or the date specifically requested. If You die before the change has been recorded, We will not alter any payment that We have already made. Any prior payment shall fully discharge Us from further liability in that amount.

## Conversion of Life Insurance

### Conversion if Eligibility Terminates:

You may convert to an individual policy of life insurance if Your life insurance, or a portion of it, ceases because:

1. You are no longer employed by the Policyholder; or
2. You are no longer in a class which is eligible for life insurance.

In either of these situations, You may convert all or any portion of Your life insurance which was in force at the date of termination.

### Conversion if Policy is Terminated or Amended:

You may also convert to an individual policy of life insurance if Your life insurance ceases because:

1. the Policy terminates; or
2. life insurance benefits under the Policy cease; or
3. the Policy is amended making You ineligible for life insurance.

However, in any of these situations, You must have been insured under the Policyholder's plan of insurance for at least five (5) years. The amount of insurance converted in any of these situations will be the lesser of:

1. the amount of life insurance in force, less any amount for which You become eligible under this or any other group policy within 31 days after the date Your life insurance ceased; or
2. \$10,000.

### Conditions for Conversion:

We must receive written application and the first premium for the individual life insurance policy within 31 days after insurance under the Policy ceases. No evidence of insurability will be required.

The individual policy will be a policy of whole life insurance. It will not contain disability benefits, Accidental Death & Dismemberment benefits or any other supplemental benefits.

The premium for the individual policy will be based on:

1. Our current rates based upon the attained age on Your nearest birthday; and
2. the amount of the individual policy.

If application is made for an individual policy, the coverage under the individual policy will be effective on the first day following the 31 day period during which You could apply for conversion.

If You die during a period when You would have been entitled to have an individual policy issued and You die before such an individual policy became effective, We will pay the beneficiary the greatest amount of group term life insurance for which an individual policy could have been issued as defined above, provided the death occurred during the 31 day period within which You could have made application.

If life insurance benefits are paid under the Policy, payment will not be made under the converted policy, and premiums paid for the converted policy will be refunded.

### Notice:

If the Policyholder fails to notify You at least 15 days prior to the date insurance under the Policy would cease, You shall have an additional period within which to elect conversion coverage; but nothing herein shall be construed to continue any insurance beyond the period provided for in the Policy. The additional election period shall expire 15 days immediately after the Policyholder gives You notice, but in no event shall it extend beyond 60 days immediately after the expiration of the 31-day period explained above.

## Waiver of Premium

We will continue Your life insurance benefit under the Policy without the further payment of life insurance premium if You become Totally Disabled, provided:

1. You are insured under the Policy and are Actively at Work on or after the effective date of the Policy; and
2. You are under the age of 60; and
3. You provide Us with satisfactory written Proof of Total Disability within 12 months after the date You became Totally Disabled; and
4. Your Total Disability has continued without interruption for at least 6 months; and
5. Your Total Disability is not caused by an intentionally self-inflicted injury (whether sane or insane); and
6. Your Total Disability does not occur as a result of the commission of, or attempt by You to commit a felony; and
7. Your Total Disability does not result from You driving a Motorized Vehicle while Intoxicated; and
8. Your Total Disability does not result from You riding in a Motorized Vehicle driven by a driver who was Intoxicated; and
9. You are still Totally Disabled when You submit the Proof of disability; and
10. all required premium has been paid.

The premium will be waived from the date We receive satisfactory written Proof of Total Disability. Premium will continue to be waived provided You:

1. remain Totally Disabled; and
2. provide satisfactory written Proof of continuing Total Disability upon request.

You are responsible for obtaining initial and continuing Proof of Total Disability.

You will be covered for the amount of life insurance in force as of the date Total Disability commenced. The amount of life insurance continued in force will be subject to any reduction in benefits as a result of age or amendment to the Policy. This life insurance coverage will continue without the payment of premium until the Insured is no longer Totally Disabled or reaches age 65, whichever occurs first.

We may require You to submit to an Independent Medical Examination at reasonable intervals during the period of claimed Total Disability. Continuation of life insurance under the Waiver of Premium provision shall end immediately and without notice if You refuse to be examined as and when required.

We will pay the amount of life insurance in force to the beneficiary if You die before furnishing satisfactory Proof of Your Total Disability, provided:

1. You die within one year from the date You became Totally Disabled; and
2. We receive Proof that You were continuously Totally Disabled until the date of death.

If continuation of life insurance under the Waiver of Premium provision ceases, and You are employed by the Policyholder, Your life insurance will continue provided premium payments begin on the next premium due date.

If continuation of life insurance under the Waiver of Premium provision ceases, and You are no longer employed by the Policyholder, You may apply for an individual life insurance policy in accordance with the Conversion of Life Insurance provision of the Policy.

## ACCELERATED DEATH BENEFIT

The benefit paid under this provision may be taxable. If so, You or Your beneficiary may incur a tax obligation. As with all tax matters, You or Your beneficiary should consult a personal tax advisor to assess the impact of the benefit. Receipt of this benefit may adversely affect Your eligibility for Medicaid or other governmental benefits or entitlements.

### Benefit

The Accelerated Death Benefit is 75% of Your Group Term Life Insurance which is payable to You prior to Your death if We receive Proof that You are Terminally Ill. The Accelerated Death Benefit is limited to a maximum of \$225,000 and a minimum of \$15,000, and is payable only once to any one Insured.

If Your Group Term Life Insurance will reduce, due to age, within 12 months after the date We receive Proof, the benefit will be 75% of the reduced Group Term Life Insurance benefit.

This benefit does not apply to Accidental Death & Dismemberment benefits.

### Benefit Payment

We will pay the benefit during Your lifetime, if Terminally Ill, if Your legal representative elects the benefit and provides satisfactory Proof. The benefit will be paid to You in one sum.

### Exceptions

The benefit will not be payable:

1. for any amount of Group Term Life Insurance which is less than \$20,000; or
2. if Your Group Term Life Insurance benefit has been assigned; or
3. if Your Group Term Life Insurance benefit is payable to an irrevocable beneficiary, including notification to Us that such benefit or a portion of such benefit is to be paid to a former spouse as part of a divorce or separation agreement; or
4. if You are a retiree.

### Notice and Proof of Claim

You must file a claim form on a form that is acceptable to Us for benefits to be paid. If You need a claim form, MedMutual Life will supply a claim form within 15 days of the request for the Accelerated Death Benefit. If MedMutual Life does not provide the claim form within 15 days, written proof of eligibility will be considered satisfied. You must furnish Proof that You are terminally Ill, including certification by a Medical Provider.

### Effect on Insurance

The benefit is in lieu of the Group Term Life Insurance benefit that would have been paid upon Your death.

When the benefit is paid:
