Re: Payroll Deductions

Federal withholding tax, state income tax, school district income tax where applicable, city income tax, and retirement will automatically be deducted from all regular payroll checks as required respectively by federal, state, and city laws. We are required by the City of Toledo to deduct 2.50% from gross income. There is an exception for those employees working at Shoreland Elementary who also reside outside the city of Toledo. We also withhold City of Perrysburg and Bowling Green income tax, if requested.

A retirement deduction of 10% of gross income for classified employees and 14% for certified employees is required by the Ohio Revised Code. The current Board share of retirement required to be paid to the STRS and SERS retirement systems is 14% for both certified and classified employees. Medicare tax will also be deducted at a rate of 1.45% for all employees hired after March 1, 1986. The Board of Education also contributes a matching 1.45% of all contributions.

Also note that if you are enrolled in HMO health care benefits through Paramount your deductions will be as follows:

- **CLASSIFIED EMPLOYEES AND NON-BARGAINING**- single policy deductions are \$42.54 per month and family policy deductions are \$128.98 per month for full-time employees.
- **CERTIFIED EMPLOYEES**: single policy deductions are \$53.18 per month and family policy deductions are \$150.00 per month for full-time employees.
- **SUPERVISORS/ADMINISTRATORS**: your employee deduction will be at a rate of 10% of the premium cost, which is \$209.50 for family policies and \$69.13 for single policies.

In addition to the above mentioned deductions, the Washington Local Board of Education makes a payroll deduction plan available to you for Sun Federal Credit Union, United Way, Community Shares, Employee Memorial Scholarship Fund, OAPSE, TAWLS, or fair share fee, Citizens School Advisory Committee, and court ordered child/alimony support payments. Also available is a payroll deduction plan for the purpose of a tax-sheltered annuity (403b), a 457 plan, and/or 125 Plan. Below is the list of sign up deadlines and the deduction dates.
