

PREVENTIVE SERVICES

At Paramount, our extensive preventive services help our members get and stay healthy. Preventive services are provided to members at no cost. This means that preventive services provided by in-network, contracted Paramount providers have no coinsurance or copay and are not subject to a deductible. Paramount preventive services are PPACA – compliant and include, but are not limited to:

- Allergy desensitization and treatment
- Childhood and adult immunizations
- Colorectal screenings
- Cytological screenings (pap smears)
- Diabetic screenings
- Hearing and vision screenings
- Infectious and chronic disease screenings
- Mammography screenings
- Pediatric screenings
- Physical examinations
- Prostate cancer screenings
- Tobacco cessation classes
- Well-baby and well-child care

These preventive services are based on Paramount-defined preventive procedures, services and/or diagnoses codes and are covered in full when provided by an in-network contracted Paramount provider.
