

Columbine Middle School

Student Wellness & Engagement Center

The goal of the Engagement Center is to offer early intervention to middle school students to prevent disengagement by supporting behavioral and social-emotional needs that allow students to successfully re-engage in school and be successful.

Students will follow Columbine's established procedures using Think Tank and the MTSS process before being referred to the Engagement Center.

Areas of Focus

Behavior: Social/Emotional Skills, Restorative Practice, Regulation Strategies.

Social/Emotional: Repair the student-school relationship, growth in character and well-being.

Family/Community: Resources, Therapy, Social Workers
